SYNOPSIS

Permits nonprofit corporations to allow members to participate in meetings by means of remote communication, and permits nonprofit corporations to hold meetings in part or solely by means of remote communication during state of emergency.

CURRENT VERSION OF TEXT

As introduced.

(Sponsorship Updated As Of: 4/13/2020)

1 AN ACT concerning nonprofit corporations and remote meetings and
2 amending N.J.S.15A:5-1 and N.J.S.15A:5-4.

3

4 **BE IT ENACTED** by the Senate and General Assembly of the State
5 of New Jersey:

6

7 1. N.J.S.15A:5-1 is amended to read as follows:

8 15A:5-1. a. Meetings of members of every corporation
9 organized under this title may, unless otherwise provided by law, be
10 held at a place, within or without this State, as may be provided in
11 the bylaws or as may be fixed by the board pursuant to authority
12 granted by the bylaws. In the absence of such a provision, all
13 meetings of members shall be held at the registered office of the
14 corporation. During a state of emergency declared by the Governor,
15 a meeting of members may be held by means of remote
16 communication to the extent the board authorizes and adopts
17 guidelines and procedures governing such a meeting.

18 b. One or more members may participate in a meeting by means
19 of remote communication to the extent the board authorizes that
20 participation. Meetings conducted in part or solely by means of
21 remote communication in reliance upon this subsection and any
22 member's remote participation in those meetings shall be subject to
23 those guidelines and procedures as the board adopts, and shall be in
24 conformity with subsection c. of this section.

25 c. A member participating in a meeting of members by means of
26 remote communication in reliance upon subsection a. of this section
27 shall be deemed present in person and shall be entitled to vote at the
28 meeting regardless of whether that meeting is held at a designated
29 place or solely by means of remote communication. In any meeting
30 conducted in part or solely by means of remote communication in
31 reliance upon subsection a. of this section, the corporation shall
32 implement reasonable measures to:

33 (1) verify that each person participating remotely is a member or
34 a proxy of a member;

35 (2) provide each member participating remotely with a
36 reasonable opportunity to participate in the meeting, including an
37 opportunity to vote on matters submitted to the members, and to read
38 or hear the proceedings of the meeting substantially concurrently
39 with those proceedings; and

40 (3) record and maintain a record of any votes or other actions
41 taken by remote communication at the meeting.

42 (cf: N.J.S. 15A:5-1)

43

44 2. N.J.S.15A:5-4 is amended to read as follows:

EXPLANATION – Matter enclosed in bold-faced brackets **[thus]** in the above bill is not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.

1 adopts. N.J.S.14A:5-1 of the New Jersey Business Corporation Act
2 was further amended in 2020 to remove the requirement that a
3 meeting is required to be held at a physical location during a state of
4 emergency declared by the Governor. This bill makes conforming
5 changes to the New Jersey Nonprofit Corporation Act.

6 This bill will give nonprofit corporations greater flexibility in how
7 they hold their meetings of members. Remote meetings can offer
8 broader accessibility to members and increase member participation.
9 It also offers nonprofit corporations a potential cost savings, as the
10 expense of meetings held solely by means of remote communication
11 is typically less than the expense of meetings held at a designated
12 place.
