2. a. An entity subject to this act shall annually file with the commissioner its net written premiums for the preceding year, no later than April 1 of each year.

b. The commissioner shall calculate and issue to the entity a certified assessment, which shall be $2.75\% \times 2.5\%$ of the entity’s net written premiums. The commissioner shall calculate the assessment without regard to:

1. the threshold limits established in section 9010(b)(2)(A) of the Affordable Care Act; or
2. the partial exclusion of net premiums provided for in section 9010(b)(2)(B) of the Affordable Care Act.

c. An entity shall annually pay the assessment issued pursuant to subsection b. of this section to the State Treasurer no later than May 1 of each year, as prescribed by the commissioner.

d. If the commissioner determines that the amount of the assessment calculated pursuant to this section shall reduce the State’s total revenue, the commissioner may reduce the assessment.

3. a. There is established in the Department of the Treasury a nonlapsing revolving fund to be known as the “Health Insurance Affordability Fund.” This fund shall be the repository for all monies collected pursuant to this act. As directed by the commissioner, in consultation with the Commissioners of the Department of Human Services and the Department of Health, the monies in the fund shall be used only for the purposes of increasing affordability in the individual and small group markets and providing greater access to health insurance to the uninsured, including minors, with a primary focus on households with an income below 400 percent of the federal poverty level, expanding eligibility, or modifying the definition of affordability in those markets, through subsidies, reinsurance, tax policies, outreach and enrollment efforts, buy-in programs, such as the NJ FamilyCare Advantage Program, or any other efforts that can increase affordability for small employers and individual policyholders in those markets, or that can reduce racial disparities in coverage for the uninsured.

b. The monies in the fund shall be invested and reinvested by the Director of the Division of Investment in the Department of the Treasury to the same extent that other trust funds that are in the custody of the State Treasurer are invested and reinvested, in the manner provided by law. Interest received on the monies in the fund shall be credited to the fund.

c. The report required pursuant to section 3 of P.L.2019, c.141 shall set forth the impacts of the measures taken pursuant to this act on
affordability and reductions in racial disparities in health insurance
coverage, including impacts by income level, race, and immigration
status. The report shall make recommendations to increase
affordability and reduce the uninsured rate in New Jersey, as
appropriate, based on the data available to the department.

d. (1) The assessments collected pursuant to section 2 of this act
shall be deposited to the Health Insurance Affordability Fund and shall
be used for the purposes set forth in subsection a. of this section.
Beginning in State Fiscal Year 2021, and each State fiscal year
thereafter, if 100 percent of the money appropriated from the Health
Insurance Affordability Fund is not used for the purposes set forth in
subsection a. of this section on the effective date of an annual
appropriations act for the State fiscal year, or if an amendment or
supplement to an annual appropriations act for the State fiscal year
appropriates money from the Health Insurance Affordability Fund to a
purpose not set forth in subsection a. of this section, the Director of the
Division of Budget and Accounting in the Department of the Treasury
shall, not later than five days after the enactment of the annual
appropriations act, or an amendment or supplement thereto, that
appropriates money from the Health Insurance Affordability Fund to a
purpose not set forth in subsection a. of this section, certify to the
Director of the Division of Taxation and the Commissioner of Banking
and Insurance that the requirements of this section have not been met.

(2) The Commissioner of Banking and Insurance shall, no later
than five days after certification by the Director of the Division of
Budget and Accounting in the Department of the Treasury pursuant to
paragraph (1) of this subsection that the requirements of this section
have not been met by the annual appropriations act, or an amendment
or supplement to the annual appropriations act, notify each entity that
the assessment imposed pursuant to section 2 of this act shall no longer
be paid or collected.  

4. This act shall take effect on January 1, 2021, except the
commissioner may take any anticipatory administrative action in
advance as shall be necessary for the implementation of this act.
