37 shall be filled in the same manner as the original appointment, but
38 for the unexpired term only.

39 (2) The members of the commission shall serve without
40 compensation, but shall be entitled to reimbursement for all
41 necessary expenses incurred in the performance of their duties.
42 Each member of the commission may be removed from office by
43 the Governor, for cause, upon notice and opportunity to be heard.

44 d. The commission shall elect annually a chair and vice-chair

STATEMENT

32

33 This bill would establish the “Multigenerational Family Housing
34 Continuity Commission” for the purpose of conducting research,
35 obtaining public input, and adopting recommendations on how to
36 most effectively advance the goal of enhancing multigenerational
37 family housing continuity, which can be defined broadly as the
38 degree to which senior citizens are able to reside at the homes of
39 their extended families. The commission would consist of seven
40 public members, in addition to the Commissioner of Community
41 Affairs and the Commissioner of Human Services, or their
42 designees, as nonvoting members. The commission would report
43 each year to the Governor and the Legislature on its activities,
44 findings and recommendations.

45 The bill would direct the Department of Community Affairs to
46 provide such staff services as may be needed for the commission to
47 carry out its responsibilities, including assembly of necessary

1 information, and preparation of draft reports, analyses, and
2 recommendations.

3 Additionally, in each periodic update to a municipal housing plan
4 element, the bill would require a municipality to provide analysis of
5 the extent to which municipal ordinances and other local factors
6 advance or detract from the goal of preserving multigenerational
7 family continuity, as expressed in the recommendations of the
8 commission. Preparation of the housing plan element is a part of a
9 municipality's responsibilities regarding affordable housing under
10 the "Fair Housing Act," P.L.1985, c.222 (C.52:27D-310), and is
11 also included in the municipal master plan.
