4 2. When this proposed amendment to the Constitution is finally
5 agreed to pursuant to Article IX, paragraph 1 of the Constitution, it

21 (+), or check (✓) in the square opposite the word "Yes." If you are
22 opposed thereto make a cross (X), plus (+) or check (✓) in the
23 square opposite the word "No."

24 b. In every municipality the following question:

	YES	<p>CONSTITUTIONAL AMENDMENT TO PROHIBIT THE USE OF 9-1-1 FEE FOR PURPOSES OTHER THAN THOSE ESTABLISHED BY LAW</p> <p>Do you approve amending the Constitution to limit how the money in the “9-1-1 System and Emergency Response Trust Fund Account” may be used? This amendment would change how the money in the trust fund account may be spent. The amendment would prevent money in the trust fund account from being used for any purpose other than to pay the costs of the State’s 9-1-1 system and emergency response.</p>
	NO	<p>INTERPRETIVE STATEMENT</p> <p>State law requires that 90 cents is collected on each wireless and wireline telephone bill and credited to the “9-1-1 System and Emergency Response Trust Fund Account.” The money from the trust fund account is for costs associated with the State’s 9-1-1 system and emergency response. However, in the past, this money has been used to balance the State budget.</p> <p>A “yes” vote would amend the Constitution so that the money in the trust fund account could only be used to maintain the 9-1-1 emergency system and emergency response costs.</p> <p>A “no” vote would leave the Constitution unchanged. The money in the trust fund account could be used for other reasons.</p>
