33 **STATEMENT**

34
35 Current State law prohibits a person from simultaneously holding
36 more than one of the following offices: elector of President and
37 Vice-President of the United States, member of the United States
38 Congress, member of the Legislature, county clerk, register, surrogate
39 or sheriff. It expressly permits a person to hold simultaneously an
40 elective county office and an elective municipal office and allows a
41 member of the Legislature to hold elective or appointive office in
42 county or municipal government.

43 This bill would amend existing law to prohibit any person from
44 simultaneously holding more than one of the enumerated federal or
45 State offices or a county, municipal or school district elective office,
46 or an appointive position or member of a board of education of a Type

1 I school district. It would retain the statutory provision allowing a
2 member of the Legislature to hold an appointed county or municipal
3 government position.

4 The bill permits any person who, on the date it takes effect as law,
5 holds more than one of the elective offices to which its provisions
6 apply to continue to hold those offices as long as service in the offices
7 is continuous.
