10 4. (New section) The membership in the Police and Firemen's
11 Retirement System of New Jersey, established pursuant to P.L.1944,
12 c.255 (C.43:16A-1 et seq.), or the Public Employees' Retirement
13 System of New Jersey, established pursuant to P.L.1954, c.84
14 (C.43:15A-1 et seq.), of inspectors in the Alcoholic Beverage Control
15 Enforcement Bureau, members of the State Capitol Police Force, or
16 marine law enforcement officers in the Bureau of Marine Law
17 Enforcement who, pursuant to section 1 of P.L. , c. (C.) (now
18 pending before the Legislature as this bill), become members of the
19 State Police, shall be transferred to the State Police Retirement System
20 of New Jersey, established pursuant to P.L.1965, c.89 (C.53:5A-1 et
21 seq.). Deductions from such persons' salaries and contributions on
22 their behalf shall thereafter be made as required by that retirement
23 system. The rate of contribution of the transferred inspectors,
24 members, and officers shall be determined by the rates payable by
25 other members of that system.

26

27 5. (New section) Within 120 days of the effective date of P.L. ,
28 c. (C.) (now pending before the Legislature as this bill), the
29 Police and Firemen's Retirement System and the Public Employees'
30 Retirement System shall remit to the State Police Retirement System
31 accumulated deductions standing to the credit of a transferred
32 alcoholic beverage control inspector, member of the State Capitol
33 Police Force, and marine law enforcement officer, and within 180 days
34 following the effective date, remit the pro-rata part of the reserve fund
35 constituting the employer's obligations under the former system
36 applicable to that inspector's, member's, or officer's account. The
37 State Police Retirement System shall then enter the respective sums so
38 remitted to it to the credit of that inspector, member, or officer in the

40 Police Retirement System, as appropriate.

41

42 6. (New section) The actuary of the State Police Retirement
43 System shall calculate the liability of the employer of the inspectors,
44 members of the State Capitol Police Force, and marine law
45 enforcement officers becoming members of that retirement system
46 under the provisions of P.L. , c. (C.) (now pending before

1 this Legislature as this bill) in the same manner as is specified in the
2 case of other members of the State Police Retirement System, taking
3 into account the value of moneys remitted by the pension funds. In the
4 event that the value of such money so remitted is less than the total
5 which is required by the State Police Retirement System to provide the
6 transferred inspector, member of the State Capitol Police Force, or
7 marine law enforcement officer with credit for his public service, the
8 liability of the employer shall include an amount equal to the difference
9 between the two values. Upon certification by the actuary of the State
10 Police Retirement System, the employer shall make such contributions
11 as are required in order to meet his financial obligations.

12

13 7. Section 5 of P.L.1965, c.89 (C.53:5A-5) is amended to read as
14 follows:

15 5. The membership of the retirement system shall include:

16 a. The members of the former "State Police Retirement and
17 Benevolent Fund."

18 b. Any person becoming a full-time commissioned officer,
19 noncommissioned officer or trooper of the Division of State Police of
20 the Department of Law and Public Safety of the State of New Jersey;
21 provided that the Division of State Police certified that he has satisfied
22 the age and health requirements prescribed for members of the State
23 Police force.

24 c. A person appointed to the Division of State Police under section
25 3 of P.L.1983, c.403 (C.39:2-9.3).

26 d. A person appointed to the Division of State Police under section
27 1 of P.L. , c. (C.) (now pending before the Legislature as this
28 bill).

29 Membership in the retirement system is a condition of employment
30 for such officers, non-commissioned officers and troopers.

31 (cf: P.L.1983, c.403, s.37)

32

33 8. Section 6 of P.L.1965, c.89 (C.53:5A-6) is amended to read as
34 follows:

35 6. a. Service as a full-time commissioned officer,
36 noncommissioned officer or trooper rendered as a member, and service
37 credit which was transferred from the former "State Police Retirement
38 and Benevolent Fund," shall, if the required contributions are made by
39 the State and the member, be considered as creditable service. In
40 addition, service as a chief inspector, deputy chief inspector, inspector
41 and special inspector in the Division of Motor Vehicles or equivalent
42 Civil Service classifications, including Chief, Highway Patrol Bureau;
43 Assistant Chief (Major), Highway Patrol Bureau; Captain, Highway
44 Patrol Bureau; Lieutenant, Highway Patrol Bureau; Sergeant, Highway
45 Patrol Bureau; and Officer, Highway Patrol Bureau, and service credit
46 may be transferred from the Police and Firemen's Retirement System

1 and the Public Employees' Retirement System and shall, if the required
2 contributions are made by the State and the member, be considered as
3 creditable service. In addition, service as a member of the State
4 Capitol Police Force, or as a Supervising Inspector, Principal
5 Inspector, Senior Inspector, or Inspector Recruit in the Alcoholic
6 Beverage Control Enforcement Bureau or as a Principal Marine Law
7 Enforcement Officer, Senior Marine Law Enforcement Officer, or
8 Marine Law Enforcement Officer in the Bureau of Marine Law
9 Enforcement and service credit transferred from the Police and
10 Firemen's Retirement System or the Public Employees' Retirement
11 System shall, if the required contributions are made by the State and
12 the member, be considered as creditable service.

13 A member on suspension shall be considered in service for the
14 period of the suspension, but the period of suspension shall not be
15 considered as creditable service unless the member receives salary
16 therefor.

17 If an employee's membership has been terminated and he is
18 re-enrolled as a member of the retirement system, he may purchase
19 credit for all of his previous membership service by paying into the
20 annuity savings fund the amount required by applying the factor,
21 supplied by the actuary, as being applicable to his age at the time of
22 the purchase, to his salary at that time. Such purchase may be made
23 in regular installments equal to at least 1/2 the normal contribution to
24 the retirement system, over a maximum period of 10 years. In order
25 to give to such person the same credit for such service as he had at the
26 time of termination, his pension credit shall be restored as it was at the
27 time of his termination, upon the completion of 1 year of membership
28 after his election to make the purchase and the payment of at least 1/2
29 the total amount due, except that in the case of retirement pursuant to
30 sections 8, 27 and 28 of chapter 89 of the laws of 1965, the credit
31 granted for the service being purchased shall be in direct proportion as
32 the amount paid bears to the total amount of the arrearage obligation.

33 b. Any member of the retirement system, who, prior to becoming
34 a member, had established service credits in another retirement system
35 supported in whole or in part by the State, or who had rendered
36 service to the State prior to becoming a member, or had purchased
37 service credits while in the Police and Firemen's Retirement System or
38 the Public Employees' Retirement System, while serving as chief
39 inspector, deputy chief inspector, inspector or special inspector in the
40 Enforcement Bureau, Division of Motor Vehicles, or as a member of
41 the State Capitol Police Force, or as a Supervising Inspector,
42 Principal Inspector, Senior Inspector, Inspector, or Inspector Recruit
43 in the Alcoholic Beverage Control Enforcement Bureau, or as a
44 Principal Marine Law Enforcement Officer, Senior Marine Law
45 Enforcement Officer, or Marine Law Enforcement Officer in the
46 Bureau of Marine Law Enforcement, for which he desires to establish

1 credit in this retirement system, shall be permitted to purchase such
2 credit or to transfer such previously purchased credit. If such credit
3 is established ¹and except as provided in subsection f.¹, it shall be
4 included in the computation of a retirement allowance on the basis of
5 1% of final compensation for each year of such service credit.

6 c. Not more than 1 year shall be credited for all service in a
7 calendar year.

8 d. In computing service, time during which a member was absent
9 on an official leave without pay shall be credited if such leave was for
10 a period of: (1) less than 3 months; or (2) up to a maximum of 2
11 years, if the leave was due to the member's personal illness and the
12 period of leave is allowed for retirement purposes within 1 year
13 following his return to service after the termination of such leave.

14 e. The method of computation and the terms of the purchase of
15 service permitted by subsections b. and d. of this section shall be
16 identical to those stipulated for the purchase of previous membership
17 service by members of the system, as provided by subsection a. of this
18 section.

19 ¹f. For any person who becomes a member of the retirement system
20 pursuant to P.L. , c. (C.)(now pending before the Legislature as
21 this bill) and is required to retire pursuant to section 8 of P.L.1965,
22 c.89 (C.53:5A-8) with less than 20 years of creditable service in the
23 retirement system, an amount of service credit transferred or
24 purchased pursuant to subsection b. which when added to the amount
25 of creditable service in the retirement system equals 20 years shall be
26 considered creditable service in the retirement system. Transferred or
27 purchased service credit in excess of the amount necessary to provide
28 20 years of creditable service in the retirement system shall be included
29 in the computation of a retirement allowance on the basis provided in
30 subsection b.¹

31 (cf: P.L.1983, c.403, s.38)

32
33 9. Section 8 of P.L.1965, c.89 (C.53:5A-8) is amended to read as
34 follows:

35 8. a. The Legislature finds and declares that the public health,
36 safety and welfare require the ongoing health and fitness of all
37 members of the New Jersey State Police so that they may safely and
38 efficiently protect the public. The Legislature further finds and
39 declares that such continued health and fitness cannot be determined
40 except with reference to age, and therefore finds and concludes that
41 retirement of all members of the State Police at age 55, except as
42 provided for in subsection c. of this section, shall constitute a bona
43 fide occupational qualification which is reasonably necessary to the
44 normal operation of the State Police, which qualification the
45 Legislature hereby promulgates and establishes.

46 b. Any member of the retirement system may retire on a service

1 retirement allowance upon the completion of at least 20 years of
2 creditable service as a State policeman, which includes the creditable
3 service of those members appointed to the Division of State Police
4 under section 3 of P.L.1983, c.403 (C.39:2-9.3) and the creditable
5 service of those members appointed to the Division of State Police
6 under section 1 of P.L. , c. (C.) (now pending before the
7 Legislature as this bill). Upon the filing of a written and duly executed
8 application with the retirement system, setting forth at what time, not
9 less than one month subsequent to the filing thereof, he desires to be
10 retired, any such member retiring for service shall receive a service
11 retirement allowance which shall consist of:

12 (1) An annuity which shall be the actuarial equivalent of his
13 aggregate contributions; and

14 (2) A pension in the amount which, when added to the member's
15 annuity, will provide a total retirement allowance of 50% of his final
16 compensation.

17 c. Except for the Superintendent of State Police, any member of
18 the retirement system, including a member appointed to the State
19 Police under section 3 of P.L.1983, c.403 (C.39:2-9.3) and a member

22 age of 55 years, shall be retired forthwith on the first day of the next

24 act. Any member of the retirement system so retired shall receive a
25 service retirement allowance pursuant to this section or section 27 of
26 P.L.1965, c.89 (C.53:5A-27), as appropriate.

27 d. Any member of the retirement system as of the effective date of
28 this act who is required to retire pursuant to subsection c. of this
29 section shall be entitled to continued health benefits coverage during
30 retirement as provided in the "New Jersey State Health Benefits
31 Program Act," P.L.1961, c.49 (C.52:14-17.25 et seq.).
32 Notwithstanding the provisions of section 8 of P.L.1961, c.49
33 (C.52:14-17.32), the State shall pay the premium or periodic charge
34 for the benefits provided to a member retiring under subsection c. of
35 this section with fewer than 25 years of service credited in the
36 retirement system, and his dependents covered under the program, but
37 not including survivors.

38 e. Any member of the retirement system as of the effective date of
39 this act who is required to retire pursuant to subsection c. of this
40 section shall be entitled to the retirement allowance provided for by
41 subsection b. of this section, notwithstanding that the member shall
42 have fewer than 20 years' creditable service.

43 f. Any member of the retirement system as of the effective date of
44 P.L.1985, c.175 who is required to retire pursuant to subsection c. of
45 this section and who has more than 20 but less than 25 years of
46 creditable service at the time of retirement shall be entitled to the

1 retirement allowance provided for by subsection b. of this section plus
2 3% of his final compensation multiplied by the number of years of
3 creditable service over 20 but not over 25.

4 g. Upon the receipt of proper proofs of the death of a member who
5 has retired on a service retirement allowance, there shall be paid to the
6 member's beneficiary an amount equal to one-half of the final
7 compensation received by the member.

8 (cf: P.L.1993, c.354, s.1)

11 follows:

13 acting in his behalf or by the State, any member, under 55 years of age,
14 who has had four or more years of creditable service as a State
15 policeman, or four or more years of creditable service as a person
16 formerly employed by the Division of Motor Vehicles or the Division
17 of State Police prior to appointment as provided in section 3 of
18 P.L.1983, c.403 (C.39:2-9.3), or four or more years of creditable
19 service as a person formerly employed by the Alcoholic Beverage
20 Control Enforcement Bureau, the State Capitol Police Force, or the

22 in section 1 of P.L. , c. (C.) (now pending before the
23 Legislature as this bill), may be retired, not less than one month next

27 certify that such member is mentally or physically incapacitated for the
28 performance of his usual duty and of any other available duty in the
29 Division of State Police which the Superintendent of State Police is
30 willing to assign to him and that such incapacity is likely to be

32 b. Upon retirement for ordinary disability, a member shall receive
33 an ordinary disability retirement allowance which shall consist of:

34 (1) An annuity which shall be the actuarial equivalent of his
35 aggregate contributions; and

37 annuity, will provide a total retirement allowance of 1 1/2% of final
38 compensation multiplied by his number of years of creditable service,
39 but in no event shall the total allowance be less than 40% of final
40 compensation.

41 c. Notwithstanding the provisions of subsection b. of this section,
42 a member of the retirement system who has more than 20 but less than
43 25 years of creditable service and who is required to retire pursuant to

4 annuity, will provide a total retirement allowance of 50% of final
5 compensation plus 3% of final compensation multiplied by the number
6 of years of creditable service over 20 but not over 25.

7 Any increase in the disability retirement allowance of a member

9 the effective date of this amendatory and supplementary act, P.L.1989,
10 c.308, shall be retroactive to the date of retirement.

17 amount payable shall equal one-half of such compensation instead of
18 three and one-half times such compensation.

19 (cf: P.L.1993, c.354, s.2)
