34 This bill would permit the governing body of any county to enter
35 into a contract with a private, for-profit entity to operate and maintain

3 While the bill provides that the contract be made, negotiated and

5 (P.L.1971, c.198; C.40A:11-1 et seq.), it specifically directs that the
6 regulations governing the qualification of bidders be established by the
7 Director of the Divison of Purchase and Property in the Department
8 of the Treasury.

9 The bill also specifies that any profits accruing to the county from
10 the contract must be expended exclusively for the use, benefit and
11 general welfare of the inmates of the county correctional facility.
