STATEMENT

13

14 P.L.1971, c.184 (C.33:1-40.3) provided that municipalities must
15 permit the sale of wine and beer in original bottle or can containers for
16 off-premise consumption on the same days and during the same hours
17 as the sale of alcoholic beverages for on-premise consumption is
18 permitted. P.L.1991, c.370 amended that law to provide an exception
19 for cities of the first class. It also provided that a city of the first class
20 which prohibits Sunday sales of alcoholic beverages for on-premise
21 consumption could not permit Sunday sales of wine and beer for
22 off-premise consumption. This bill repeals that exception, and
23 provides that a city of the first class may establish by ordinance
24 separate hours of sale for each type of retail license established in
25 R.S.33:1-12, and separate hours for sale by such licensees for on-
26 premise and off-premise consumption.
