39 STATEMENT

40

41 This bill would expand the jurisdiction of park police officers.
42 Currently park police officers have jurisdiction to enforce park rules
43 and regulations, within parks, and have full police powers to enforce
44 State laws while on duty within the county where they are employed.
45 This bill would allow park police officers to enforce State laws
46 throughout the entire State, whether on or off duty.

1 Park police officers must complete the State-certified police
2 training which all other police officers must complete. In this day of
3 heightened criminal activity it is prudent to grant these fully trained
4 officers jurisdiction to enforce the laws throughout the State.
