STATEMENT

31

32 Currently, a person who commits an act of sexual penetration
33 with a minor who is either 13, 14 or 15 years old is guilty of the
34 crime of sexual assault if the person is at least four years older than
35 the minor. Sexual assault is a crime of the second degree,
36 punishable by a term of imprisonment of up to five to 10 years or a
37 fine of up to \$100,000, or both.

38 However, if a minor is either 16 or 17 years old, an adult who
39 commits an act of sexual penetration with that minor commits no
40 criminal offense (assuming that the adult is not related to the minor,
41 does not have supervisory or disciplinary power over the minor, and
42 is not the minor's foster parent or guardian). Thus, the "age of
43 consent" in New Jersey (the age at which a minor is deemed legally
44 capable of giving consent to sexual intercourse) is currently 16.

45 The sponsor believes that this age is insufficient, given the
46 capacity of an older person to take advantage of a minor under

1 these circumstances. This bill would raise the "age of consent" to
2 18, providing that an adult who has sexual intercourse with a 16- or
3 17-year-old is guilty of sexual assault if the adult is at least four
4 years older than the minor.

8

9 Raises "age of consent" for sexual relations from age 16 to age 18,
10 making an adult guilty of sexual assault if the adult commits an act of
11 sexual penetration with a 16- or 17-year-old.
