22 STATEMENT

23  
24 This bill requires a board of education to notify the State Board of  
25 Examiners whenever a non-tenured, certificated employee is dismissed  
26 for cause, and requires the State board to maintain a list containing  
27 the name of the employee and the reason for the dismissal for cause.  
28 A board of education or the superintendent of a school district could  
29 then submit to the State board the name of a person who has applied  
30 for a position in the district, and the State board would indicate to the  
31 board or superintendent whether the person has been previously  
32 dismissed for cause and the reason for the dismissal. The provisions  
33 of the bill do not apply to a school board employee whose contract is  
34 not renewed.
