43

44 2. Section 4 of P.L.1945, c.162 (C.54:10A-4) is amended to read
45 as follows:

46 4. For the purposes of this act, unless the context requires a

1 different meaning:

2 (a) "Commissioner" shall mean the Director of the Division of
3 Taxation of the State Department of the Treasury.

4 (b) "Allocation factor" shall mean the proportionate part of a
5 taxpayer's net worth or entire net income used to determine a measure
6 of its tax under this act.

7 (c) "Corporation" shall mean any corporation, joint-stock company
8 or association and any business conducted by a trustee or trustees
9 wherein interest or ownership is evidenced by a certificate of interest
10 or ownership or similar written instrument. The term corporation shall
11 also mean and include any municipal electric utility or corporation.

12 (d) "Net worth" shall mean the aggregate of the values disclosed
13 by the books of the corporation for (1) issued and outstanding capital
14 stock, (2) paid-in or capital surplus, (3) earned surplus and undivided
15 profits, and (4) surplus reserves which can reasonably be expected to
16 accrue to holders or owners of equitable shares, not including
17 reasonable valuation reserves, such as reserves for depreciation or
18 obsolescence or depletion. Notwithstanding the foregoing, net worth
19 shall not include any deduction for the amount of the excess
20 depreciation described in paragraph (2)(F) of subsection (k) of this
21 section. The foregoing aggregate of values shall be reduced by 50%
22 of the amount disclosed by the books of the corporation for investment
23 in the capital stock of one or more subsidiaries, which investment is
24 defined as ownership (1) of at least 80% of the total combined voting
25 power of all classes of stock of the subsidiary entitled to vote and (2)
26 of at least 80% of the total number of shares of all other classes of
27 stock except nonvoting stock which is limited and preferred as to
28 dividends. In the case of investment in an entity organized under the
29 laws of a foreign country, the foregoing requisite degree of ownership
30 shall effect a like reduction of such investment from the net worth of
31 the taxpayer, if the foreign entity is considered a corporation for any
32 purpose under the United States federal income tax laws, such as (but
33 not by way of sole examples) for the purpose of supplying deemed
34 paid foreign tax credits or for the purpose of status as a controlled
35 foreign corporation. In calculating the net worth of a taxpayer entitled
36 to reduction for investment in subsidiaries, the amount of liabilities of
37 the taxpayer shall be reduced by such proportion of the liabilities as
38 corresponds to the ratio which the excluded portion of the subsidiary
39 values bears to the total assets of the taxpayer.

40 In the case of banking corporations which have international
41 banking facilities as defined in subsection (n), the foregoing aggregate
42 of values shall also be reduced by retained earnings of the international
43 banking facility. Retained earnings means the earnings accumulated
44 over the life of such facility and shall not include the distributive share
45 of dividends paid and federal income taxes paid or payable during the
46 tax year.

1 If in the opinion of the commissioner, the corporation's books do
2 not disclose fair valuations the commissioner may make a reasonable
3 determination of the net worth which, in his opinion, would reflect the
4 fair value of the assets, exclusive of subsidiary investments as defined
5 aforesaid, carried on the books of the corporation, in accordance with
6 sound accounting principles, and such determination shall be used as
7 net worth for the purpose of this act.

8 (e) "Indebtedness owing directly or indirectly" shall include,
9 without limitation thereto, all indebtedness owing to any stockholder
10 or shareholder and to members of his immediate family where a
11 stockholder and members of his immediate family together or in the
12 aggregate own 10% or more of the aggregate outstanding shares of
13 the taxpayer's capital stock of all classes.

14 (f) "Investment company" shall mean any corporation whose
15 business during the period covered by its report consisted, to the
16 extent of at least 90% thereof of holding, investing and reinvesting in
17 stocks, bonds, notes, mortgages, debentures, patents, patent rights and
18 other securities for its own account, but this shall not include any
19 corporation which: (1) is a merchant or a dealer of stocks, bonds and
20 other securities, regularly engaged in buying the same and selling the
21 same to customers; or (2) had less than 90% of its average gross
22 assets in New Jersey, at cost, invested in stocks, bonds, debentures,
23 mortgages, notes, patents, patent rights or other securities or
24 consisting of cash on deposit during the period covered by its report;
25 or (3) is a banking corporation or a financial business corporation as
26 defined in the Corporation Business Tax Act.

27 (g) "Regulated investment company" shall mean any corporation
28 which for a period covered by its report, is registered and regulated
29 under the Investment Company Act of 1940 (54 Stat. 789), as
30 amended.

31 (h) "Taxpayer" shall mean any corporation required to report or to
32 pay taxes, interest or penalties under this act.

33 (i) "Fiscal year" shall mean an accounting period ending on any
34 day other than the last day of December on the basis of which the
35 taxpayer is required to report for federal income tax purposes.

36 (j) Except as herein provided, "privilege period" shall mean the
37 calendar or fiscal accounting period for which a tax is payable under
38 this act.

39 (k) "Entire net income" shall mean total net income from all
40 sources, whether within or without the United States, and shall include
41 the gain derived from the employment of capital or labor, or from both
42 combined, as well as profit gained through a sale or conversion of
43 capital assets. For the purpose of this act, the amount of a taxpayer's
44 entire net income shall be deemed prima facie to be equal in amount to
45 the taxable income, before net operating loss deduction and special
46 deductions, which the taxpayer is required to report to the United

1 States Treasury Department for the purpose of computing its federal
2 income tax; provided, however, that in the determination of such entire
3 net income,

4 (1) Entire net income shall exclude for the periods set forth in
5 paragraph (2)(F)(i) of this subsection, any amount, except with respect
6 to qualified mass commuting vehicles as described in section
7 168(f)(8)(D)(v) of the Internal Revenue Code as in effect immediately
8 prior to January 1, 1984, which is included in a taxpayer's federal
9 taxable income solely as a result of an election made pursuant to the
10 provisions of paragraph (8) of that section.

11 (2) Entire net income shall be determined without the exclusion,
12 deduction or credit of:

13 (A) The amount of any specific exemption or credit allowed in any
14 law of the United States imposing any tax on or measured by the
15 income of corporations;

16 (B) Any part of any income from dividends or interest on any kind
17 of stock, securities or indebtedness, except as provided in paragraph
18 (5) of subsection (k) of this section;

19 (C) Taxes paid or accrued to the United States, a possession or
20 territory of the United States, a state, a political subdivision thereof,
21 or the District of Columbia on or measured by profits or income, or
22 business presence or business activity, or the tax imposed by this act,
23 or any tax paid or accrued with respect to subsidiary dividends
24 excluded from entire net income as provided in paragraph (5) of
25 subsection (k) of this section;

26 (D) (Deleted by amendment, P.L.1985, c.143.)

27 (E) (Deleted by amendment, P.L.1995, c.418.)

28 (F) (i) The amount by which depreciation reported to the United
29 States Treasury Department for property placed in service on and after
30 January 1, 1981, but prior to taxpayer fiscal or calendar accounting
31 years beginning on and after the effective date of P.L.1993, c.172, for
32 purposes of computing federal taxable income in accordance with
33 section 168 of the Internal Revenue Code in effect after December 31,
34 1980, exceeds the amount of depreciation determined in accordance
35 with the Internal Revenue Code provisions in effect prior to January
36 1, 1981, but only with respect to a taxpayer's accounting period ending
37 after December 31, 1981; provided, however, that where a taxpayer's
38 accounting period begins in 1981 and ends in 1982, no modification
39 shall be required with respect to this paragraph (F) for the report filed
40 for such period with respect to property placed in service during that
41 part of the accounting period which occurs in 1981. The provisions
42 of this subparagraph shall not apply to assets placed in service prior to
43 January 1, 1998 of a gas, gas and electric, and electric public utility
44 that was subject to the provisions of P.L.1940, c.5 (C.54:30A-49 et
45 seq.) prior to 1998.

46 (ii) For the periods set forth in subparagraph (F)(i) of this

1 subsection, any amount, except with respect to qualified mass
2 commuting vehicles as described in section 168(f)(8)(D)(v) of the
3 Internal Revenue Code as in effect immediately prior to January 1,
4 1984, which the taxpayer claimed as a deduction in computing federal
5 income tax pursuant to a qualified lease agreement under paragraph
6 (8) of that section.

7 The director shall promulgate rules and regulations necessary to
8 carry out the provisions of this section, which rules shall provide,
9 among others, the manner in which the remaining life of property shall
10 be reported.

11 (G) [(1)] (i) The amount of any civil, civil administrative, or
12 criminal penalty or fine, including a penalty or fine under an
13 administrative consent order, assessed and collected for a violation of
14 a State or federal environmental law, an administrative consent order,
15 or an environmental ordinance or resolution of a local governmental
16 entity, and any interest earned on the penalty or fine, and any
17 economic benefits having accrued to the violator as a result of a
18 violation, which benefits are assessed and recovered in a civil, civil
19 administrative, or criminal action, or pursuant to an administrative
20 consent order. The provisions of this paragraph shall not apply to a
21 penalty or fine assessed or collected for a violation of a State or
22 federal environmental law, or local environmental ordinance or
23 resolution, if the penalty or fine was for a violation that resulted from
24 fire, riot, sabotage, flood, storm event, natural cause, or other act of
25 God beyond the reasonable control of the violator, or caused by an act
26 or omission of a person who was outside the reasonable control of the
27 violator.

28 [(2)] (ii) The amount of treble damages paid to the Department of
29 Environmental Protection [and Energy] pursuant to subsection a. of
30 section 7 of P.L.1976, c.141 (C.58:10-23.11f), for costs incurred by
31 the department in removing, or arranging for the removal of, an
32 unauthorized discharge upon failure of the discharger to comply with
33 a directive from the department to remove, or arrange for the removal
34 of, the discharge.

35 (H) The amount of any sales and use tax paid by a utility vendor
36 pursuant to section 71 of P.L. , c. (C.)(now pending
37 before the Legislature as this bill).

38 (3) The commissioner may, whenever necessary to properly reflect
39 the entire net income of any taxpayer, determine the year or period in
40 which any item of income or deduction shall be included, without
41 being limited to the method of accounting employed by the taxpayer.

42 (4) There shall be allowed as a deduction from entire net income
43 of a banking corporation, to the extent not deductible in determining
44 federal taxable income, the eligible net income of an international
45 banking facility determined as follows:

46 (A) The eligible net income of an international banking facility shall

1 be the amount remaining after subtracting from the eligible gross
2 income the applicable expenses;

3 (B) Eligible gross income shall be the gross income derived by an
4 international banking facility, which shall include, but not be limited to,
5 gross income derived from:

6 (i) Making, arranging for, placing or carrying loans to foreign
7 persons, provided, however, that in the case of a foreign person which
8 is an individual, or which is a foreign branch of a domestic corporation
9 (other than a bank), or which is a foreign corporation or foreign
10 partnership which is controlled by one or more domestic corporations
11 (other than banks), domestic partnerships or resident individuals, all
12 the proceeds of the loan are for use outside of the United States;

13 (ii) Making or placing deposits with foreign persons which are
14 banks or foreign branches of banks (including foreign subsidiaries) or
15 foreign branches of the taxpayers or with other international banking
16 facilities;

17 (iii) Entering into foreign exchange trading or hedging transactions
18 related to any of the transactions described in this paragraph; or

19 (iv) Such other activities as an international banking facility may,
20 from time to time, be authorized to engage in;

21 (C) Applicable expenses shall be any expense or other deductions
22 attributable, directly or indirectly, to the eligible gross income
23 described in subparagraph (B) of this paragraph.

24 (5) Entire net income shall exclude 100% of dividends which were
25 included in computing such taxable income for federal income tax
26 purposes, paid to the taxpayer by one or more subsidiaries owned by
27 the taxpayer to the extent of the 80% or more ownership of investment
28 described in subsection (d) of this section. With respect to other
29 dividends, entire net income shall not include 50% of the total included
30 in computing such taxable income for federal income tax purposes.

31 (6) (A) Net operating loss deduction. There shall be allowed as a
32 deduction for the taxable year the net operating loss carryover to that
33 year.

34 (B) Net operating loss carryover. A net operating loss for any
35 taxable year ending after June 30, 1984 shall be a net operating loss
36 carryover to each of the seven years following the year of the loss. The
37 entire amount of the net operating loss for any taxable year (the "loss
38 year") shall be carried to the earliest of the taxable years to which the
39 loss may be carried. The portion of the loss which shall be carried to
40 each of the other taxable years shall be the excess, if any, of the
41 amount of the loss over the sum of the entire net income, computed
42 without the exclusions permitted in paragraphs (4) and (5) of this
43 subsection or the net operating loss deduction provided by
44 subparagraph (A) of this paragraph, for each of the prior taxable years
45 to which the loss may be carried.

46 (C) Net operating loss. For purposes of this paragraph the term

1 "net operating loss" means the excess of the deductions over the gross
2 income used in computing entire net income without the net operating
3 loss deduction provided for in subparagraph (A) of this paragraph and
4 the exclusions in paragraphs (4) and (5) of this subsection.

5 (D) Change in ownership. Where there is a change in 50% or more
6 of the ownership of a corporation because of redemption or sale of
7 stock and the corporation changes the trade or business giving rise to
8 the loss, no net operating loss sustained before the changes may be
9 carried over to be deducted from income earned after such changes.
10 In addition where the facts support the premise that the corporation
11 was acquired under any circumstances for the primary purpose of the
12 use of its net operating loss carryover, the director may disallow the
13 carryover.

14 (7) The entire net income of gas, electric and gas and electric
15 public utilities and municipal electric corporations that were subject to
16 the provisions of P.L.1940, c.5 (54:30A-49 et seq.) prior to 1998,
17 shall be adjusted by substituting the New Jersey depreciation
18 allowance for federal tax depreciation with respect to assets placed in
19 service prior to January 1, 1998. For gas, electric, and gas and
20 electric public utilities, and municipal electric corporations that were
21 subject to the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior
22 to 1998, the New Jersey depreciation allowance shall be computed as
23 follows: All depreciable assets placed in service prior to January 1,
24 1998 shall be considered a single asset account. The New Jersey tax
25 basis of this depreciable asset account shall be an amount equal to the
26 carryover adjusted basis for federal income tax purposes on December
27 31, 1997 of all depreciable assets in service on December 31, 1997,
28 increased by the excess, of the "net carrying value," defined to be
29 adjusted book basis of all assets and liabilities, excluding deferred
30 income taxes, recorded on the public utility's books of account on
31 December 31, 1997, over the carryover adjusted basis for federal
32 income tax purposes on December 31, 1997 of all assets and liabilities
33 owned by the gas, electric, or gas and electric public utility or
34 municipal electric corporation as of December 31, 1997. "Books of
35 account" for gas, gas and electric, and electric public utilities and
36 municipal electric corporations means the uniform system of accounts
37 as promulgated by the Federal Energy Regulatory Commission and
38 adopted by the Board of Public Utilities. The following adjustments
39 to entire net income shall be made pursuant to this section:

40 (A) Depreciation for property placed in service prior to January 1,
41 1998 shall be adjusted as follows:

42 (i) Depreciation for federal income tax purposes shall be
43 disallowed in full.

44 (ii) A deduction shall be allowed for the New Jersey depreciation
45 allowance. The New Jersey depreciation allowance shall be computed
46 for the single asset account described above based on New Jersey tax

1 basis as adjusted above as if all assets in the single asset account were
2 first placed in service on January 1, 1998. Depreciation shall be
3 computed using the straight line method over a thirty year life. A full
4 year's depreciation shall be allowed in the initial tax year. No half-
5 year convention shall apply. The depreciable basis of the single
6 account shall be reduced by the adjusted federal tax basis of assets
7 sold, retired, or otherwise disposed of during any year on which gain
8 or loss is recognized for federal income tax purposes as described in
9 subparagraph (B) of this paragraph.

10 (B) Gains and losses on sales, retirements and other dispositions
11 of assets placed in service prior to January 1, 1998 shall be recognized
12 and reported on the same basis as for federal income tax purposes.

13 (C) The Director of the Division of Taxation shall promulgate
14 regulations describing the methodology for allocating the single asset
15 account in the event that a portion of the utility's operations are
16 separated, spun-off, transferred to a separate company or otherwise
17 disaggregated.

18 (8) In the case of taxpayers that are gas, electric, gas and electric,
19 or telecommunication public utilities as defined pursuant to subsection
20 (q) of this section, the director shall have authority to promulgate rules
21 and issue guidance correcting distortions and adjusting timing
22 differences resulting from the adoption of P.L. , c. (C.)(now
23 pending before the Legislature as this bill).

24 (l) "Real estate investment trust" shall mean any corporation, trust
25 or association qualifying and electing to be taxed as a real estate
26 investment trust under federal law.

27 (m) "Financial business corporation" shall mean any corporate
28 enterprise which is (1) in substantial competition with the business of
29 national banks and which (2) employs moneyed capital with the object
30 of making profit by its use as money, through discounting and

32 evidences of debt; buying and selling exchange; making of or dealing
33 in secured or unsecured loans and discounts; dealing in securities and
34 shares of corporate stock by purchasing and selling such securities and
35 stock without recourse, solely upon the order and for the account of
36 customers; or investing and reinvesting in marketable obligations
37 evidencing indebtedness of any person, copartnership, association or
38 corporation in the form of bonds, notes or debentures commonly
39 known as investment securities; or dealing in or underwriting
40 obligations of the United States, any state or any political subdivision
41 thereof, or of a corporate instrumentality of any of them. This shall
42 include, without limitation of the foregoing, business commonly
43 known as industrial banks, dealers in commercial paper and
44 acceptances, sales finance, personal finance, small loan and mortgage
45 financing businesses, as well as any other enterprise employing
46 moneyed capital coming into competition with the business of national

1 banks; provided that the holding of bonds, notes, or other evidences
2 of indebtedness by individual persons not employed or engaged in the
3 banking or investment business and representing merely personal
4 investments not made in competition with the business of national
5 banks, shall not be deemed financial business. Nor shall "financial
6 business" include national banks, production credit associations
7 organized under the Farm Credit Act of 1933 or the Farm Credit Act
8 of 1971, Pub.L. 92-181 (12 U.S.C. 2091 et seq.), stock and mutual
9 insurance companies duly authorized to transact business in this State,
10 security brokers or dealers or investment companies or bankers not
11 employing moneyed capital coming into competition with the business
12 of national banks, real estate investment trusts, or any of the following
13 entities organized under the laws of this State: credit unions, savings
14 banks, savings and loan and building and loan associations,
15 pawnbrokers, and State banks and trust companies.

16 (n) "International banking facility" shall mean a set of asset and
17 liability accounts segregated on the books and records of a depository
18 institution, United States branch or agency of a foreign bank, or an
19 Edge or Agreement Corporation that includes only international

26 amends the present definition of international banking facility or of
27 such facilities' time deposits or extensions of credit, the Commissioner
28 of Banking and Insurance shall forthwith adopt regulations defining
29 such terms in the same manner as such terms are set forth in the laws

3 c.5 (C.54:30A-17 et seq.) or P.L.1940, c.4 (C.54:30A-49 et seq.) as
4 of December 31, 1996, shall be required to file and remit installment
5 payments of estimated corporation business tax pursuant to the
6 provisions of subsection (f) of section 15 of P.L.1945, c.162
7 (C.54:10A-15) during the calendar year in which those taxpayers first

12 payment of its applicable gross receipts and franchise tax to the State
13 in the final year of the existence of such tax shall be entitled to a credit
14 against its corporation business tax liability equal to the amount of
15 such advance payment. Any unused portion of the credit may be
16 carried forward in full to future privilege periods, provided however,
17 that in any one privilege period the total amount of such credit which
18 the taxpayer may utilize to pay its corporation business tax liability
19 shall not exceed \$5,000,000. Any gas, electric, or gas and electric

21 pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.), shall not be eligible
22 for a credit for such amount or any part thereof to offset any liability
23 under P.L.1945, c.162. Under no circumstances may any portion of

32 contracts or schedules of service designating the appropriate
33 apportionment of its corporation business tax liability in these tariffs,
34 contracts or schedules so that rates will not be increased for any class
35 of ratepayer as a result of the transition to this tax. The board may
36 permit gas, electric, gas and electric or telecommunications public
37 utilities or municipal electric corporations to establish new tariffs,
38 contracts or schedules, or to amend existing tariffs, contracts or
39 schedules, as necessary to comply with the provisions of this act.

40 e. A qualified taxpayer may claim a corporation business tax credit

45 after the assessment under the Transitional Energy Facility Assessment
46 Act, established in sections 36 through 49 of P.L. , c. (C.) (now

5 c.162 (C.54:10A-1 et seq.), for such privilege period after the
6 assessment under the Transitional Energy Facility Assessment Act has
7 terminated, is less than the taxpayer's liability for the first full privilege
8 period as a taxpayer under P.L.1945, c.162, then that taxpayer or
9 corporate or noncorporate legal successor or assignee whether
10 through any reorganization, sale, bankruptcy, consolidation, merger,
11 or other transaction or occurrence of any kind without limitation, shall
12 pay as its liability under P.L.1945, c.162 for any of those privilege
13 periods after the assessment under the Transitional Energy Facility
14 Assessment Act has terminated an amount equal to the higher of:

15 a. The amount of its corporation business tax liability for that
16 privilege period as would otherwise be computed under P.L.1945,
17 c.162; or

18 b. The amount of corporation business tax it would be liable to pay
19 for such privilege period if its gas, electric or telecommunications

15 as follows:

16 17. (a) The retail sales tax imposed under subsection (a) of section
17 3 and the compensating use tax imposed under section 6, when
18 computed in respect to tangible personal property wherever
19 manufactured, processed or assembled and used by such manufacturer,
20 processor or assembler in the regular course of business within this
21 State, shall be based on the price at which items of the same kind of
22 tangible personal property are offered for sale by him.

23 (b) Tangible personal property, which has been purchased by a
24 resident of the State of New Jersey outside of this State for use
25 outside of this State and subsequently becomes subject to the
26 compensating use tax imposed under this act, shall be taxed on the
27 basis of the purchase price of such property, provided, however:

28 (1) That where a taxpayer affirmatively shows that the property
29 was used outside such State by him for more than six months prior to
30 its use within this State, such property shall be taxed on the basis of
31 current market value of the property at the time of its first use within
32 this State. The value of such property, for compensating use tax
33 purposes, may not exceed its cost.

34 (2) That the compensating use tax on such tangible personal

37 in the performance of a contract or subcontract within this State by a

40 for the period of use within this State.

41 (c) Leased tangible personal property which has been purchased
42 outside this State for lease outside of this State and subsequently
43 becomes subject to the compensating use tax imposed under this act
44 shall be taxed on the basis of the purchase price of such property,
45 provided however, that the compensating use tax on such property
46 brought into and used within this State may be based, at the option of

1 the lessor, on the total of the lease payments attributable to the lease
2 of that property attributable to the period of the lease remaining after
3 first use in this State.

4 (d) Unless tangible personal property purchased for lease has
5 already been subject to the sales tax imposed under subsection (a) of
6 section 3 or the compensating use tax imposed under section 6, the use
7 tax computed with respect to such property, in the discretion of the
8 director, may be assessed against the lessee or sub-lessee and shall be
9 based on the total of the periodic payments required under the lease.
10 The fact that the lessee has accepted in good faith the certificate of the
11 lessor, in the form prescribed by the director, and the fact that the tax
12 imposed on property purchased for lease in this act has been paid may
13 be considered by the director, but shall not be deemed conclusive if
14 good faith issuance or acceptance of such certificate is in question.

15 (e) The purchase of energy shall be subject to the compensating use
16 tax imposed under section 6 on the basis of the purchase price of the
17 energy, including any charges for utility service.

16 maintenance of such historic sites, houses, shrines and museums;

20

21 28. Section 11 of P.L.1966, c.30 (C.54:32B-11) is amended to read
22 as follows:

23 11. Exemptions from use tax. The following uses of property shall
24 not be subject to the compensating use tax imposed under this act:

25 (1) In respect to the use of property used by the purchaser in this
26 State prior to July 1, 1966.

27 (2) In respect to the use of property purchased by the user while a
28 nonresident of this State, except in the case of tangible personal
29 property which the user, in the performance of a contract, incorporates
30 into real property located in the State or except in the case of tangible
31 personal property purchased for lease. A person while engaged in any
32 manner in carrying on in this State any employment, trade, business or
33 profession, not entirely in interstate or foreign commerce, shall not be
34 deemed a nonresident with respect to the use in this State of property
35 in such employment, trade, business or profession.

36 (3) In respect to the use of property or services upon the sale of
37 which the purchaser would be expressly exempt from the taxes
38 imposed under subsection (a) or (b) of section 3.

39 (4) In respect to the use of property which is converted into or
40 becomes a component part of a product produced for sale or for
41 market sampling by the purchaser.

42 (5) In respect to the use of paper in the application of newspapers
43 and periodicals.

44 (6) In respect to the use of property or services to the extent that
45 a retail sales or use tax was legally due and paid thereon, without any
46 right to a refund or credit thereof, to any other State or jurisdiction

1 within any other state but only when it is shown that such other State
2 or jurisdiction allows a corresponding exemption with respect to the
3 sale or use of tangible personal property or services upon which such
4 a sales tax or compensating use tax was paid to this State. To the
5 extent that the tax imposed by this act is at a higher rate than the rate
6 of tax in the first taxing jurisdiction, this exemption shall be
7 inapplicable and the tax imposed by section 6 of this act shall apply to
8 the extent of the difference in such rates.

9 (7) In respect to the use of natural gas by an eligible person, other
10 than a co-generation facility, as defined in section 34 of P.L. , c.
11 (C.) (now pending before the Legislature as this bill), up to the base
12 level of volume as defined in section 34 of P.L. , c. , but only as
13 long as the eligible person remains at the same physical site that was
14 occupied on December 31, 1995.

15 (cf: P.L.1989, c.123, s.5)

16
17 29. Section 12 of P.L.1966, c.30 (C.54:32B-12) is amended to read
18 as follows:

19 12. (a) Every person required to collect the tax shall collect the
20 tax from the customer when collecting the price, service charge,
21 amusement charge or rent to which it applies. If the customer is given
22 any sales slip, invoice, receipt or other statement or memorandum of
23 the price, service charge, amusement charge or rent paid or payable,
24 the tax shall be stated, charged and shown separately on the first of
25 such documents given to him. The tax shall be paid to the person
26 required to collect it as trustee for and on account of the State.

27 (b) For the purpose of the proper administration of this act and to
28 prevent evasion of the tax hereby imposed, it shall be presumed that
29 all receipts for property or services of any type mentioned in
30 subsections (a), (b) and (c) of section 3, all rents for occupancy of the
31 type mentioned in subsection (d) of said section, and all amusement
32 charges of any type mentioned in subsection (e) of said section, are
33 subject to tax until the contrary is established, and the burden of
34 proving that any such receipt, amusement charge or rent is not taxable
35 hereunder shall be upon the person required to collect tax or the
36 customer. Unless a vendor shall have taken from the purchaser a
37 certificate, signed by the purchaser and bearing his name and address
38 and the number of his registration certificate, to the effect that the
39 property or service was purchased for resale or the purchaser prior to
40 taking delivery, furnishes to the vendor any affidavit, statement or
41 additional evidence, documentary or otherwise, which the director
42 may require demonstrating that the purchaser is an exempt
43 organization described in section 9(b)(1), the sale shall be deemed a
44 taxable sale at retail. Provided however, the director may, in his
45 discretion, authorize a purchaser, who acquires tangible personal
46 property or services under circumstances which make it impossible at

1 the time of acquisition to determine the manner in which the tangible
2 personal property or services will be used, to pay the tax directly to
3 the director and waive the collection of the tax by the vendor.
4 Provided, further, the director shall authorize any contractor,
5 subcontractor or repairman who acquires tangible personal property
6 consisting of materials and supplies for use by him in erecting
7 structures for others, or building on, or otherwise improving, altering,
8 or repairing real property of others, to pay the tax directly to the
9 director and waive the collection of the tax by the vendor. Provided
10 further, the director shall authorize any eligible person, as defined in
11 section 34 of P.L. c. , (C.)(now pending before the Legislature
12 as this bill), who purchases natural gas from a non-utility on and after
13 January 1, 1998, to pay the tax on the commodity directly to the
14 director and waive the collection of the tax by the vendor. No such
15 authority shall be granted or exercised except upon application to the
16 director, and the issuance by the director of a direct payment permit.
17 If a direct payment permit is granted, its use shall be subject to
18 conditions specified by the director, and the payment of tax on all
19 acquisitions pursuant to the permit shall be made directly to the
20 director by the permit holder.

21 (c) The director may provide by regulation that the tax upon
22 receipts from sales on the installment plan may be paid on the amount
23 of each installment and upon the date when such installment is due.
24 He may also provide by regulation for the exclusion from taxable
25 receipts, amusement charges or rents of amounts representing sales
26 where the contract of sale has been canceled, the property returned or
27 the receipt, charge or rent has been ascertained to be uncollectible or,
28 in the case the tax has been paid upon such receipt, charge or rent, for
29 refund or credit of the tax so paid.

30 (cf: P.L.1968, c.106, s.2)

31

32 30. Section 14 of P.L.1966, c.30 (C.54:32B-14) is amended to
33 read as follows:

34 14. (a) Every person required to collect any tax imposed by this act
35 shall be personally liable for the tax imposed, collected or required to
36 be collected under this act. Any such person shall have the same right
37 in respect to collecting the tax from his customer or in respect to
38 non-payment of the tax by the customer as if the tax were a part of
39 the purchase price of the property or service, amusement charge or
40 rent, as the case may be, and payable at the same time; provided,
41 however, that the director shall be joined as a party in any action or
42 proceeding brought to collect the tax.

43 (b) Where any customer has failed to pay a tax imposed by this act
44 to the person required to collect the same, then in addition to all other
45 rights, obligations and remedies provided, such tax shall be payable by
46 the customer directly to the director and it shall be the duty of the

1 customer to file a return with the director and to pay the tax to him
2 within 20 days of the date the tax was required to be paid.

3 (c) The director may, whenever he deems it necessary for the proper
4 enforcement of this act, provide by regulation that customers shall file
5 returns and pay directly to the director any tax herein imposed, at such
6 times as returns are required to be filed and payment over made by
7 persons required to collect the tax.

8 (d) No person required to collect any tax imposed by this act shall
9 advertise or hold out to any person or to the public in general, in any
10 manner, directly or indirectly, that the tax is not considered as an
11 element in the price, amusement charge or rent payable by customer,
12 or that he will pay the tax, that the tax will not be separately charged
13 and stated to the customer or that the tax will be refunded to the
14 customer. Upon written application duly made and proof duly
15 presented to the satisfaction of the director showing that in his
16 particular business it would be impractical for the vendor to separately
17 charge the tax to the customer, the director may waive the application
18 of the requirement herein as to such vendor.

19 (e) All vendors of energy or utility service shall include the tax
20 imposed by the "Sales and Use Tax Act" within the purchase price of
21 the tangible personal property or service, unless otherwise provided in
22 this act.

23 (cf: P.L.1966, c.53, s.7)

24

25 31. Section 20 of P.L.1983, c.303 (C.52:27H-79) is amended to
26 read as follows:

27 20. Retail sales of personal property (except motor vehicles and
28 energy) and sales of services (except telecommunications and utility
29 services) to a qualified business for the exclusive use or consumption
30 of such business within an enterprise zone are exempt from the taxes
31 imposed under the "Sales and Use Tax Act," P.L.1966, c.30
32 (C.54:32B-1 et seq.).

33 (cf: P.L.1990, c.40, s.9)

34

35 32. Section 21 of P.L.1983, c.303 (C.52:27H-80) is amended to
36 read as follows:

37 21. Receipts of retail sales, except retail sales of motor vehicles, of
38 alcoholic beverages as defined in the "Alcoholic Beverage Tax Law,"
39 R.S.54:41-1 et seq., of cigarettes as defined in the "Cigarette Tax
40 Act," P.L.1948, c.65 (C.54:40A-1 et seq.) [and] of manufacturing
41 machinery, equipment or apparatus, and of energy, made by a certified
42 vendor from a place of business owned or leased and regularly
43 operated by the vendor for the purpose of making retail sales, and
44 located in a designated enterprise zone established pursuant to the
45 "New Jersey Urban Enterprise Zones Act," P.L.1983, c.303
46 (C.52:27H-60 et al.), are exempt to the extent of 50% of the tax

1 imposed under the "Sales and Use Tax Act," P.L.1966, c.30
2 (C.54:32B-1 et seq.).

3 Any vendor, which is a qualified business having a place of business
4 located in a designated enterprise zone, may apply to the Director of
5 the Division of Taxation in the Department of the Treasury for
6 certification pursuant to this section. The director shall certify a
7 vendor if he shall find that the vendor owns or leases and regularly
8 operates a place of business located in the designated enterprise zone
9 for the purpose of making retail sales, that items are regularly
10 exhibited and offered for retail sale at that location, and that the place
11 of business is not utilized primarily for the purpose of catalogue or
12 mail order sales. The certification under this section shall remain in
13 effect during the time the business retains its status as a qualified
14 business meeting the eligibility criteria of section 27 of P.L.1983,
15 c.303 (C.52:27H-86). However, the director may at any time revoke
16 a certification granted pursuant to this section if he shall determine
17 that the vendor no longer complies with the provisions of this section.

18 Notwithstanding the provisions of this act to the contrary, except as
19 may otherwise be provided by section 7 of P.L.1983, c.303
20 (C.52:27H-66), the authority may, in its discretion, determine whether
21 or not the provisions of this section shall apply to any enterprise zone
22 designated after the effective date of P.L.1985, c.142 (C.52:27H-66
23 et al.); provided, however, that the authority may make such a
24 determination only where the authority finds that the award of an
25 exemption of 50 percent of the tax imposed under the "Sales and Use
26 Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.) will not have any
27 adverse economic impact upon any other urban enterprise zone.

28 Notwithstanding any other provisions of law to the contrary, except
29 as provided in subsection b. of section 6 of P.L.1996, c.124 (C.13:1E-
30 116.6), after first depositing 10 percent of the gross amount of all
31 revenues received from the taxation of retail sales made by certified
32 vendors from business locations in designated enterprise zones to
33 which this exemption shall apply into the account created in the name
34 of the authority in the enterprise zone assistance fund pursuant to
35 section 29 of P.L.1983, c.303 (C.52:27H-88), the remaining 90
36 percent shall be deposited immediately upon collection by the
37 Department of the Treasury, as follows:

38 a. In the first five year period during which the State shall have
39 collected reduced rate revenues within an enterprise zone, all such
40 revenues shall be deposited in the enterprise zone assistance fund
41 created pursuant to section 29 of P.L.1983, c.303 (C.52:27H-88);

42 b. In the second five year period during which the State shall have
43 collected reduced rate revenues within an enterprise zone, 66 2/3% of
44 all those revenues shall be deposited in the enterprise zone assistance
45 fund, and 33 1/3% shall be deposited in the General Fund;

46 c. In the third five year period during which the State shall have

1 collected reduced rate revenues within an enterprise zone, 33 1/3% of
2 all those revenues shall be deposited in the enterprise zone assistance
3 fund, and 66 2/3% shall be deposited in the General Fund;

4 d. In the final five year period during which the State shall have
5 collected reduced rate revenues within an enterprise zone, but not to
6 exceed the life of the enterprise zone, all those revenues shall be
7 deposited in the General Fund.

8 Commencing on the effective date of P.L.1993, c.144, all revenues
9 in any enterprise zone to which the provisions of this section have
10 been extended prior to the enactment of P.L.1993, c.144 shall be
11 deposited into the enterprise zone assistance fund until there shall have
12 been deposited all revenues into that fund for a total of five full years,
13 as set forth in subsection a. of this section. The State Treasurer then
14 shall proceed to deposit funds into the enterprise zone assistance fund
15 according to the schedule set forth in subsections b. through d. of this
16 section, beginning at the point where the enterprise zone was located
17 on that schedule on the effective date of P.L.1993, c.144. No
18 enterprise zone shall receive the deposit benefit granted by any one
19 subsection of this section for more than five cumulative years.

20 The revenues required to be deposited in the enterprise zone
21 assistance fund under this section shall be used for the purposes of that
22 fund and for the uses prescribed in section 29 of P.L.1983, c.303
23 (C.52:27H-88), subject to annual appropriations being made for those
24 purposes and uses.

25 (cf: P.L.1996, c.124, s.8)

26

27 33. (New section) Receipts from the sale or use of energy and
28 utility service to or by a corporation or person that was subject to the
29 provisions of P.L.1940, c.4 (C.54:30A-16 et seq.), as of April 1, 1997,
30 or currently or formerly subject to taxation pursuant to P.L.1940, c.5
31 (C.54:30A-49 et seq.), for their own use and consumption, are exempt
32 from the tax imposed under the "Sales and Use Tax Act," P.L.1966,
33 c.30 (C.54:32B-1 et seq.).

34

35 34. (New section) a. As used in this act, "eligible person" means
36 any person other than a co-generation facility as defined in this act
37 whose last purchase and delivery of natural gas on or before December
38 31, 1995 was from an eligible supplier and who satisfactorily
39 documents such purchase to the director. As used in this act, "eligible
40 supplier" means an eligible person's contracted supplier as of
41 December 31, 1995 that was not a utility. If, at any time subsequent
42 to December 31, 1995 an eligible person other than a co-generation
43 facility purchases natural gas from a supplier other than its eligible
44 supplier, that person shall no longer be an "eligible person" for
45 purposes of this act;

46 b. An eligible person other than a co-generation facility shall

1 determine and certify to the director, and satisfactorily document to
2 the director, a base level of volume as of December 31, 1995, which
3 shall be equal to the average annual volume of natural gas units
4 purchased by the eligible person from any non-utility and delivered,
5 but such computation shall not include any purchases delivered prior
6 to January 1, 1992, provided however, that the base level of volume
7 of an eligible person other than a co-generation facility shall be
8 reduced on an annual basis beginning in 1999 by multiplying the base
9 level of volume as of December 31, 1995 by the following reduction
10 ratios: 0.8 in 1999, 0.6 in 2000, 0.4 in 2001 and 0.2 in 2002. In 2003
11 and thereafter there shall be no exemption for purchases of natural gas
12 by an eligible person other than a co-generation facility.

13 c. For purchases of natural gas from its eligible supplier on and
14 after January 1, 1998, an eligible person shall issue a direct payment
15 certificate to its eligible supplier and shall pay any tax due pursuant to
16 the method prescribed by this section. Unless specifically exempt from
17 the tax imposed under the Sales and Use Tax Act pursuant to
18 subsection b. of section 26 of P.L. , c. (C.)(now pending
19 before the Legislature as this bill), utility service is subject to the tax
20 imposed pursuant to section 3 of P.L.1966, c.30 (C.54:32B-3).

21 d. On an annual basis, each eligible person, other than a co-
22 generation facility, shall be required to file with the director:

23 (1) An energy volume report, which shall contain a certification as
24 to the gross annual volume of gas (in units) purchased and delivered
25 in the previous 12 month period from its eligible supplier, any other
26 non-utility and utilities, the purchase price per unit, and any additional
27 information that the director deems necessary to effectuate the
28 provisions herein; and

29 (2) An energy use tax return, wherein any tax due on natural gas
30 purchased from its eligible supplier shall be reported and remitted as
31 follows:

32 (a) If the certified gross annual volume (in units) was purchased
33 solely from its eligible supplier, and does not exceed the base level of
34 volume, no tax shall be due on purchases of natural gas in that
35 calendar year;

36 (b) If the certified gross annual volume (in units) was purchased
37 solely from its eligible supplier, and exceeds the base level of volume,
38 the tax shall be remitted on the purchases of natural gas that exceed
39 the base level of volume, based on the purchase price of the gas; and

40 (c) If in any given year, any part of the certified gross annual
41 volume (in units) was not purchased solely from its eligible supplier,
42 an exemption for purchases of natural gas from its eligible supplier
43 shall only be allowed up to the volume purchased from its eligible
44 supplier that does not exceed the base level of volume, and shall only
45 apply to purchases from its eligible supplier made prior to any
46 purchase from any other non-utility or a utility.

1 35. (New section) a. A corporation that was subject to tax
2 pursuant to the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.)
3 prior to January 1, 1998 shall be entitled to claim a credit against
4 remittances of sales and use tax after July 1, 1998 and after August 1
5 in each year thereafter pursuant to the provisions of section 53 of
6 P.L. , c. (C.) (now pending before the Legislature as this bill).

7 b. Any gas, electric, or telecommunications public utility taxpayer
8 that has made any advance credit payment pursuant to P.L.1940, c.4
9 (C.54:30A-16 et seq.) or P.L.1940, c.5 (C. 54:30A-49 et seq.) shall
10 not be eligible for a credit for such amount or any part thereof to
11 offset any liability under the "Sales and Use Tax Act," P.L.1966, c.30
12 (C.54:32B-1 et seq.).

13

14 36. (New section) a. Sections 36 through 49 of this act shall be
15 known and may be cited as the "Transitional Energy Facility
16 Assessment Act."

17 b. The purpose of the Transitional Energy Facility Assessment Act
18 is to provide a complete framework and method for the assessment of
19 a transitional energy facility assessment on gas and electric light, heat
20 and power corporations, municipal or otherwise, that were subject to
21 tax pursuant to the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.)
22 prior to January 1, 1998, or the corporate or non-corporate legal
23 successor or assignee whether through any reorganization, sale,
24 bankruptcy, consolidation, merger or other transaction or occurrence
25 of any kind without limitation, those municipal electric operations not
26 previously subject to P.L.1940, c.5 (C.54:30A-49 et seq.) which
27 expand beyond their municipal boundaries subsequent to December 31,
28 1995, and those municipal electric operations not previously subject
29 to P.L.1940, c.5 (C.54:30A-49 et seq.) which expand their facility
30 base subsequent to December 31, 1995, beyond its geographical
31 service area fixed as of December 31, 1995.

32

33 37. (New section) As used in this act, unless the context requires
34 otherwise:

35 "Base year" means, for the purpose of determining the assessments
36 to be made under this act, calendar year 1996 for those gas and
37 electric light, heat and power corporations, municipal or otherwise,
38 that were subject to tax pursuant to P.L.1940, c.5 (C.54:30A-49 et
39 seq.) prior to January 1, 1998, and for those remitters identified
40 subsequent to 1998 the first year of subjectivity to this act shall be the
41 base year;

42 "Base year liability" means each remitter's unit energy tax liability
43 in the base year pursuant to the provisions of P.L.1940, c.5
44 (C.54:30A-49 et seq.) adjusted to reflect the remitter's total unit
45 energy tax rates in effect on January 1, 1997;

46 "Base year transitional energy facility assessment" means an amount

1 equal to the base year liability less:

2 a. The pro forma corporation business tax that would have been
3 booked by the remitter in the base year if the changes in the remitter's
4 rates implemented pursuant to section 67 of P.L. , c. , (C.)(now
5 pending before the Legislature as this bill) had been in effect in that
6 year. This amount shall reflect adjustments to the determination of the
7 corporation business tax, if any, filed in accordance with section 67 of
8 P.L. , c. , (C.);

9 b. The pro forma sales and use tax that would have been collected
10 by the remitter in the base year if the changes in the remitter's rates
11 implemented pursuant to section 67 of P.L. , c. , (C.) had
12 been in effect in that year. The amount shall reflect adjustments to the
13 sales and use tax, if any, filed in accordance with section 67 of P.L. ,
14 c. , (C.); and

15 c. The amount of tax derived pursuant to the customer-specific tax
16 classification described in section 59 of P.L. , c. , (C.);

24 on sales and use of energy and utility service as defined in section 2 of
25 P.L.1966, c.30 (C.54:32B-2).

26

27 38. (New section) Each remitter's transitional energy facility
28 assessment shall be established pursuant to section 67 of P.L. ,
29 c. , (C.)(now pending before the Legislature as this bill).
30 Under no circumstances shall an assessment be made under this act for
31 any year commencing after December 31, 2002.

32

33 39. (New section) Every gas and electric light, heat and power
34 corporation, municipal or otherwise, subject to tax pursuant to the
35 provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to January 1,
36 1998, or the corporate or non-corporate legal successor or assignee
37 whether through any reorganization, sale, bankruptcy, consolidation,
38 merger or other occurrence of any kind without limitation, and every
39 corporation otherwise assessable set forth hereinbelow, shall annually
40 pay the transitional energy facility assessment set forth in section 67
41 of P.L. , c. , (C.)(now pending before the Legislature as this
42 bill).

43

44 40. (New section) a. On or before February 1, 1999, and on or
45 before February 1 of each year thereafter until the year after the final
46 year in which there is imposed a transitional energy facility assessment,

1 every remitter shall return to the Director of the Division of Taxation

10 (now pending before the Legislature as this bill) applicable to the prior
11 calendar year.

12

13 41. (New section) a. Every remitter shall on or before October 15,
14 1998, and on or before October 15, in each year thereafter, return to
15 the Director of the Division of Taxation in the Department of the
16 Treasury and the Board of Public Utilities a statement in such form,
17 manner and detail as the director shall require showing the following:

23 (3) Estimated corporation business tax, exclusive of negative
24 deferred taxes, for the current privilege period based upon actual
25 taxable income from January 1 through September 30 and estimated
26 taxable income from October 1 through December 31; and

27 (4) Actual transitional energy facility assessment liability from
28 January 1 through September 30 and estimated liability from October
29 1 through December 31 for the current calendar year.

30 b. On or before November 15, 1998, and on or before November
31 15 of each year thereafter, the State Treasurer shall, with the
32 cooperation the Board of Public Utilities, calculate the percentage
33 reduction in the initial TEFA unit rate surcharges based upon the
34 formula set forth in section 67 of P.L. , c. , (C.)(now pending
35 before the Legislature as this bill) and the board shall report the
36 amount of such reduction to the remitters subject to the transitional
37 energy facility assessment.

38 c. Every remitter shall on or before February 1, 1998 file with the
39 director a statement showing:

40 (1) The total public utility tax advance payments paid in the initial
41 year pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.); and

42 (2) The remitter's base year liability and each of the amounts
43 described in subsections (a), (b) and (c) in the definition of "base year
44 transitional energy facility assessment" in section 37 of P.L. , c. ,

46 d. For any remitter owning or holding both gas and electric

1 facilities and conducting both gas and electric business in this State
2 each of the amounts reported on the return required to be filed
3 pursuant to subsection c. shall be allocated by the director between
4 those operations in the proportion that the sum of the unit-based taxes
5 bore to the whole of the unit-based taxes in the base year.

6 e. The statements required pursuant to this section shall be
7 subscribed and sworn to by the president, a vice-president or chief
8 officer of the corporation preparing each statement. Any remitter
9 refusing or neglecting to make the statements herein provided for shall
10 forfeit and pay to the State of New Jersey the sum of \$100 per day for
11 each day of such refusal or neglect, to be recovered in an action at law
12 in the name of the State and which, when recovered, shall be paid into
13 the State Treasury. It shall be the duty of the director to certify any
14 such default to the Attorney General of the State who, thereupon, shall
15 prosecute an action at law for each penalty.

16 f. The Director of the Division of Taxation shall audit and verify
17 the statements filed by remitters whenever and in such respects the
18 director shall deem necessary or advisable. The director may require
19 any remitter to supply additional data and information in such form,
20 manner, and detail as the director shall request, whenever the director
21 may deem it necessary or helpful, for the proper performance of the
22 director's duties under this act.

23 g. The director may, by regulation, additionally require that all
24 filings required for the calculation and certification of assessment to
25 be paid by remitters established pursuant to this act shall be made in
26 an electronic form. The form and content of the electronic filing
27 message, the circumstances under which the electronic filing message
28 shall serve as a substitute for the filing of another return and the means
29 by which remitters shall be determined to be subject to this electronic
30 filing requirement shall be prescribed by the director.

31 For the purpose of this act "electronic filing" or "electronic filings"
32 means any message that is initiated through an electronic terminal,
33 telecommunication device, or computer for the purpose of fulfilling the
34 reporting responsibilities set forth hereinabove.

35

36 42. (New section) a. On or before April 1, 1999, and on or
37 before April 1 of each year thereafter until the year after the final year
38 in which the transitional energy facility assessment is imposed, the
39 Director of the Division of Taxation shall send to each remitter a
40 statement showing the transitional energy facility assessment liability
41 for the prior calendar year, estimated payment received for the prior
42 calendar year and any overpayment or underpayment of the tax
43 liability for that calendar year.

44 b. Remitters shall make a payment of the underpayment as
45 determined in subsection a. of this section, if any, to the director on or
46 before May 15 of the current year.

1 c. Remitters shall treat any overpayment as determined in
2 subsection a. of this section, if any, as an estimated payment as set
3 forth in subsection d. of section 43 of P.L. , c. , (C.)(now
4 pending before the Legislature as this bill).

5
6 43. (New section) a. (1) The liability for the transitional energy
7 facility assessment made against any remitter in the first year of
8 assessment shall be an amount equal to TEFA unit rate surcharges
9 (excluding the provision for corporation business taxes included
10 therein) determined in section 67 of P.L. , c. , (C.)(now
11 pending before the Legislature as this bill) multiplied by the associated
12 therms of natural gas and kilowatthours of electricity sold or
13 transported for sale to ultimate consumers in New Jersey in the first
14 year plus any advances paid in the initial year pursuant to P.L.1940,
15 c.5 (C.54:30A-49 et seq.) by that remitter.

16 (2) The liability for the transitional energy facility assessment
17 made against any remitter for each year subsequent to the first year
18 shall be an amount equal to the TEFA unit rate surcharges (excluding
19 the provision for corporation business taxes included therein)
20 calculated in section 67 of P.L. , c. , (C.) for that year
21 multiplied by the associated therms of natural gas and kilowatthours
22 of electricity sold or transported for sale to ultimate consumers in New
23 Jersey in that year.

24 b. A credit against the liability determined pursuant to paragraph
25 (1) of subsection a. of this section shall be taken in the first year by the
26 remitter in the amount of all advances paid in the initial year pursuant
27 to P.L.1940, c.5 (C.54:30A-49 et seq.).

28 c. (1) Each remitter shall make an estimated payment on May 15
29 of the first assessment year in the amount of the base year transitional
30 energy facility assessment.

31 (2) Subsequent to the first year, each remitter shall make an
32 estimated payment on May 15 of each assessment year in which the
33 transitional energy facility assessment is in effect, in an amount equal
34 to the transitional energy facility assessment liability described in
35 subsection a. of this section for the immediately preceding assessment
36 year, excluding advances paid in the initial year pursuant to P.L.1940,
37 c.5 (C.54:30A-49 et seq.), reduced by the reduction percentage for the
38 current assessment year determined pursuant to paragraphs (2), (3)
39 and (4) of subsection d. of section 67 of P.L. , c. , (C.) less
40 credits described in subsection d. of this section, if any.

41 d. Any excess of the estimated payment made pursuant to
42 paragraphs (1) or (2) of subsection c. of this section over the liability
43 determined pursuant to subsection a. of this section shall be treated as
44 a credit against the estimated payment for the subsequent assessment
45 year and reduce the amount of the estimated payment required to be
46 made for that subsequent year. Any excess of the estimated payment

1 made pursuant to paragraph (2) of subsection c. of this section over
2 the liability for the final year of the transitional energy facility
3 assessment shall be utilized as a nonrefundable credit with an unlimited
4 carryforward against that remitter's corporation business tax liability
5 in the subsequent privilege period year. Such credit shall be applied
6 in full to each estimated corporation business tax payment beginning
7 in the subsequent privilege period until fully utilized.

8
9 44. (New section) All payments shall be made in full on an annual
10 basis to the State on or before May 15, 1998, and on or before May 15
11 of each year thereafter as long as this assessment shall remain in effect.

12
13 45. (New section) a. Within 30 days after making the computation
14 of the assessments under this act, the Director of the Division of
15 Taxation shall certify the amount of such assessments. Within 5 days
16 after making the computation of the assessments, the director shall
17 issue directly to each remitter statements of amounts due, and
18 payments with respect thereto shall be made by each taxpayer to the
19 director in the following manner: all assessments due shall be remitted
20 to the director on or before May 15, for calendar year 1998, and for
21 each calendar year thereafter. If for any reason the making and
22 delivering of a certificate of assessments shall be delayed until after
23 April 15 in any year, then all of the assessments for such year affected
24 by such certificate of assessment shall become due and payable 30 days
25 after the date of such certification of assessment. The administration,
26 collection and enforcement of the assessments payable by each remitter
27 under this act shall be subject to the provisions of the State Tax
28 Uniform Procedure Law, R.S.54:48-1 et seq., to the extent that the
29 provisions of that law are not inconsistent with the provisions of this
30 act.

31 b. The director may, by regulation, require that any payment of
32 assessment made on or before the date established therefore pursuant
33 to this act shall be by electronic funds transfer to such depositories as
34 the State Treasurer shall designate pursuant to section 1 of P.L.1956,
35 c.174 (C.52:18-16.1). A payment by electronic funds transfer shall be
36 deemed to be made on the date the payment is received by the
37 designated depository. The manner, form, and content of the
38 electronic funds transfer message, the circumstances under which an
39 electronic funds transfer shall serve as a substitute for the filing of
40 another form of return, the means by which taxpayers will be provided
41 with acknowledgments of payments, and the classes of taxpayers
42 subject to the electronic funds transfer requirement shall be as
43 prescribed by the director.

44 c. For the purposes of this section "electronic funds transfer"
45 means any transfer of funds, other than a transaction originated by
46 check, draft, or similar paper instrument, that is initiated through an

1 electronic terminal, telecommunication device, or computer for the
2 purpose of ordering, instructing or authorizing a financial institution
3 to debit or credit an account.

4
5 46. (New section) If a municipal corporation not previously
6 subject to assessment under P.L.1940, c.5 (C.54:30A-49 et seq.) shall
7 expand its service beyond its municipal boundaries or shall expand its
8 facility base beyond its geographical service area fixed as of December
9 31, 1995, that municipal corporation shall be deemed a remitter for the
10 purposes of enforcing the provisions of this act.

11
12 47. (New section) A municipal corporation determined to be a
13 remitter pursuant to section 46 of this act shall be subject to the
14 transitional energy facility assessment. The amount of the transitional
15 energy facility assessment liability and estimated payment shall be
16 determined in accordance with regulations as shall be promulgated by
17 the Director of the Division of Taxation in the Department of the
18 Treasury.

19
20 48. (New section) The Director of the Division of Taxation in
21 making the assessment imposed by this act on any remitter for any year
22 shall deduct from or add to the assessment for the year any deduction
23 or addition to the extent and in the manner which may heretofore have
24 been or may hereafter be ordered or decreed by any judgment of the
25 Tax court or any court by reason of any error or omission in
26 connection with the assessment of the remitter in any prior year.

27
28 49. (New section) The Director of the Division of Taxation in the
29 Department of the Treasury shall promulgate such rules and
30 regulations applicable to remitters subject to this act as may be
31 necessary to effectuate the purposes and provisions of this act.

32
33 50. (New section) a. Sections 50 through 58 of this act shall be
34 known and may be cited as the "Uniform Transitional Utility
35 Assessment Act."

36 b. The purpose of the Uniform Transitional Utility Assessment Act
37 is to provide a complete framework and method for the making of a
38 uniform transitional utility assessment on telephone companies that
39 were subject to the provisions of P.L.1940, c.4 (C.54:30A-16 et seq.)
40 as of April 1, 1997, and gas and electric light, heat and power
41 corporations that were subject to the provisions of P.L.1940, c.5
42 (C.54:30A-49 et seq.), municipal or otherwise, prior to January 1,
43 1998 or their corporate or non-corporate legal successor or assignee
44 whether through any reorganization, sale, bankruptcy, consolidation,
45 merger or other transaction or occurrence of any kind without
46 limitation.

1 51. (New section) As used in this act, unless the context requires
2 otherwise:

3 "Annual assessment" means the assessment made against each
4 remitter in any year;

5 "Base year" means calendar year 1996;

6 "Remitter" means any corporation subject to assessment under this
7 act; and

8 "Sales and use tax" means the sales and use tax liability computed
9 on sales and use of energy and utility service as defined in section 2 of
10 P.L.1966, c.30 (C.54:32B-2).

11

12 52. (New section) a. Every gas and electric light, heat and power
13 corporation, municipal or otherwise, that was subject to the provisions
14 of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to January 1, 1998 and
15 every telephone company that was subject to the provisions of
16 P.L.1940, c.4 (C.54:30A-16 et seq.) as of April 1, 1997 shall annually
17 pay an annual assessment annually determined by the Director of the
18 Division of Taxation as provided in this section.

19 b. (1) For energy remitters, the uniform transitional utility
20 assessment in the first year of assessment shall be equal to the
21 remitters unit energy tax liability paid in the base year pursuant to the
22 provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) adjusted to reflect
23 the remitters unit energy tax rates in effect on January 1, 1997 less

24 (a) The sales and use tax remitted pursuant to P.L.1966, c.30
25 (C.54:32B-1 et seq.) as of June 20 in the first year;

26 (b) The amount of estimated corporation business tax remitted
27 pursuant to section 15 of P.L.1945, c.162 (C.54:10A-15) as of June
28 20 in the first year;

29 (c) the payment of base year transitional energy facility assessment
30 as defined in section 37 of P.L. , c. , (C.)(now pending before
31 the Legislature as this bill) made on May 15 of that year; and

32 (d) the tax remitted pursuant to customer specific tax
33 classifications described in section 59 of this act.

34 Each remitter shall allocate a portion of the uniform transitional
35 utility assessment to its liability for first year sales and use tax
36 remittance and first year corporation business tax liability and notify
37 the director of such allocation.

38 (2) For telecommunications remitters, the uniform transitional
39 utility assessment in the first year of assessment shall be equal to the
40 remitter's liability paid in the base year pursuant to the provisions of
41 P.L.1940, c.4 (C.54:30A-16 et seq.) less the amount of estimated
42 corporation business tax remitted pursuant to section 15 of P.L.1945,
43 c.162 (C.54:10A-15) as of June 20 in the first year.

44 c. (1) For energy remitters, the uniform transitional utility
45 assessment in each year after the first year of assessment shall be equal
46 to 50% of the total of the remitter's estimate of sales and use tax

1 remittance for that year and corporation business tax liability for that
2 year.

3 (2) For telecommunications remitters, the uniform transitional
4 utility assessment in each year after the first year of assessment shall
5 be equal to 50% of the remitter's estimate of its corporation business
6 tax liability for that year.

7 (3) The estimates described in paragraphs (1) and (2) of this
8 subsection, as applicable, shall be certified by the State Treasurer. The
9 State Treasurer may, based upon each remitter's immediate prior year's
10 sales tax remittances, immediate prior year's estimated corporation
11 business tax liability and/or payments, current year sales tax
12 remittances and current year estimated corporation business tax
13 payments, as well as the economic conditions of the State,
14 consideration of the State's revenues and expenditures and anticipated
15 revenues and expenditures for the fiscal year and any other factor or
16 factors which the State Treasurer deems relevant, reject the estimation
17 and not certify the same. The remitter shall within five business days
18 of the rejection recalculate the estimate and provide the recalculated
19 estimate to the State Treasurer or provide the State Treasurer with
20 sufficient justification of its original estimate. If the State Treasurer
21 fails to certify the original, recalculated or other agreed estimate
22 within five business days after the previous five business day period set
23 forth herein, the dispute shall be resolved pursuant to a procedure to
24 be established by regulations as shall be promulgated by the director.
25 Prior to such resolution, the remitter shall pay as its uniform
26 transitional utility assessment for that year an amount determined by
27 the State Treasurer which (a) for energy remitters shall not exceed the
28 greater of (i) 50% of the sum of the remitter's sales and use tax
29 remittances for the preceding year and the tax shown on the remitter's
30 corporation business tax return, or tentative return filed with an
31 application for extension of time to file, for the preceding year, or (ii)
32 50% of the net of the remitter's base year liability less the base year
33 transitional energy facility assessment both as defined in section 37 of
34 P.L. , c. (C.) (now pending before the Legislature as this
35 bill), and (b) for telecommunications remitters shall not exceed the
36 greater of (i) 50% of the tax shown on the remitter's corporation
37 business tax return, or tentative return filed with an application for
38 extension of time to file, for the preceding year, or (ii) 50% of the
39 remitter's base year gross receipts and franchise tax liability pursuant
40 to P.L.1940, c.4 (C.54:30A-16 et seq.).

41 d. Nothing in this section shall be construed to relieve an energy
42 remitter of the requirement to collect and pay its current year
43 transitional energy facility assessment.

44

45 53. (New section) Any amount paid by a remitter pursuant to this
46 act shall be available as a nonrefundable credit. Credits established

1 pursuant to payments made under the "Uniform Transitional Utility
2 Assessment Act" shall be granted only on the basis of the remitters
3 estimation as certified by the State Treasurer pursuant to section 52 of
4 this act, only against the tax in which the estimation is made, and shall
5 not be claimed until after July 1 for the first year of assessment and
6 after August 1st of each subsequent calendar year in which the uniform
7 transitional utility assessment is paid. If, in any calendar year, the
8 credits available against payments in any tax exceed the total amount
9 due in that tax, the remitter may elect to have the excess credits for
10 that year applied to the amounts due in that tax in subsequent years or,
11 if applicable, as a credit to the transitional energy facility assessment
12 payments to be made in the next year. Such credit shall be applied in
13 full to each estimated tax payment beginning in the subsequent year
14 until fully utilized. These credits may not be applied against any other
15 liability except as set forth hereinabove.

16

17 54. (New section) a. Every remitter that was subject to the
18 provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to January 1,
19 1998 shall on or before June 20, 1998, return to the Director of the
20 Division of Taxation a statement showing, as shall apply,:

22 (C.54:32B-1 et seq.) as of June 20, 1998.

23 (2) The amount of estimated corporation business tax remitted
24 pursuant to section 15 of P.L.1945, c.162 (C.54:10A-15) as of June
25 20, 1998.

26 (3) The percentage of the uniform transitional utility assessment the
27 director shall allocate to the sales and use tax and to the corporation
28 business tax.

29 b. Every remitter that was subject to the provisions of P.L.1940,
30 c.5 (C.54:30A-49 et seq.) prior to January 1, 1998 shall on April 20,
31 1999, and on or before April 20 of each year thereafter, return to the
32 director a statement showing, as shall apply:

33 (1) The estimated sales and use tax to be remitted for that year and
34 the assumptions upon which that estimate is based; and

35 (2) The estimated corporation business tax liability for that year
36 and the assumptions upon which that estimate is based.

37 c. (1) Every remitter that was subject to the provisions of
38 P.L.1940, c.4 (C.54:30A-16 et seq.) on April 1, 1997 shall on or
39 before June 20, 1998 return to the director a statement showing the
40 amount of estimated corporation business tax remitted pursuant to
41 section 15 of P.L.1945, c.162 (C.54:10A-15) as of June 20, 1998.

42 (2) Every remitter that was subject to the provisions of P.L.1940,
43 c.4 (C.54:30A-16 et seq.) on April 1, 1997 shall on or before April 20,
44 1999 and on or before April 20 of each year thereafter return to the
45 director a statement showing the estimated corporation business tax
46 liability for that year and the assumptions upon which that estimate is

1 based.

2 d. The statements herein provided for shall be subscribed and
3 sworn to by the president, a vice-president or chief officer of the
4 corporation making such return. Any remitter refusing or neglecting
5 to make the statements herein provided for shall forfeit and pay to the
6 State of New Jersey the sum of \$100 per day for each day of such
7 refusal or neglect, to be recovered in an action at law in the name of
8 the State and which, when recovered, shall be paid into the State
9 Treasury. It shall be the duty of the director to certify any such
10 default to the Attorney General of the State who, thereupon, shall
11 prosecute an action at law for such penalty.

12 e. The director shall audit and verify the statements filed by
13 remitters whenever and in such respects as the director shall deem
14 necessary or advisable. The director may require any remitter to
15 supply additional data and information in such form and detail as the
16 director shall request, whenever the director may deem it necessary or
17 helpful, for the proper performance of the director's duties under this
18 act.

19 f. The director may, by regulation, additionally require that all
20 filings required for the calculation and certification of assessments to
21 be paid by remitters established pursuant to this act shall be made in
22 an electronic form. The form and content of the electronic filing
23 message, the circumstances under which an electronic filing shall serve
24 as a substitute for the filing of another return, and the means by which
25 remitters shall be determined to be subject to this electronic filing
26 requirement shall be prescribed by the director.

27 For the purpose of this act "electronic filing" or "electronic filings"
28 means any message that is initiated through an electronic terminal,
29 telecommunication device, or computer for the purpose of fulfilling the
30 reporting responsibilities set forth hereinabove.

31

32 55. (New section) The Director of the Division of Taxation shall
33 annually on or before June 23, 1998, and on or before May 10 of each
34 year thereafter, calculate and certify to each remitter of the assessment
35 the uniform transitional utility assessment to be paid by each remitter.
36 All payments shall be made in full on an annual basis to the State on
37 June 25, 1998 and on May 15 of each year thereafter as long as this
38 tax shall remain in effect.

39

40 56. (New section) a. Upon making the computation of the
41 assessments under this act, the Director of the Division of Taxation
42 shall certify the amount of such assessments. If for any reason the
43 making and delivering of a certificate of assessments shall be delayed
44 until after May 15, 1999 and after May 15 in any year thereafter, then
45 all of the assessments for such year affected by such certificate of
46 assessment shall become due and payable 10 days after the date of

1 such certification of assessment. The administration collection and
2 enforcement of the assessments payable by each remitter under this act
3 shall be subject to the provisions of the State Tax Uniform Procedure
4 Law, R.S.54:48-1 et seq., to the extent that the provisions of that law
5 are not inconsistent with the provisions of this act.

6 b. The director may, by regulation, require that any payment of
7 assessment made on or before the date established therefore pursuant
8 to this act shall be by electronic funds transfer to such depositories as
9 the State Treasurer shall designate pursuant to section 1 of P.L.1956,
10 c.174 (C.52:18-16.1). A payment by electronic funds transfer shall be
11 deemed to be made on the date the payment is received by the
12 designated depository. The manner, form, and content of the
13 electronic funds transfer message, the circumstances under which an
14 electronic funds transfer shall serve as a substitute for the filing of
15 another form of return, the means by which taxpayers will be provided
16 with acknowledgments of payments, and the classes of taxpayers
17 subject to the electronic funds transfer requirement shall be as
18 prescribed by the director.

19 c. For the purposes of this section "electronic funds transfer"
20 means any transfer of funds, other than a transaction originated by
21 check, draft, or similar paper instrument, that is initiated through an
22 electronic terminal, telecommunication device, or computer for the
23 purpose of ordering, instructing or authorizing a financial institution
24 to debit or credit an account.

25
26 57. (New section) The Director of the Division of Taxation in
27 making the assessment imposed by this act on any remitter for any year
28 shall deduct from or add to the assessment for that year any deduction
29 or addition to the extent and in the manner which may heretofore have
30 been or may hereafter be ordered or decreed by any judgment of the
31 Tax court or any court by reason of any error or omission in
32 connection with the assessment such remitter in any prior year.

33
34 58. (New section) The Director of the Division of Taxation in the
35 Department of the Treasury shall promulgate such rules and
36 regulations applicable to remitters subject to this act as may be
37 necessary to effectuate the purposes and provisions of this act.

38

40 pending before the Legislature as this bill) shall be construed to alter
41 any terms or conditions of any contract for the duration of the
42 contract, for the retail sale of electricity to an end user that establishes
43 a customer-specific tax classification and that was approved by
44 separate written order of the Board of Public Utilities prior to January
45 1, 1998, notwithstanding any changes in the laws under which those
46 contracts were established.

1 b. Amounts billed by a utility pursuant to subsection a. of this
2 section shall be remitted to the Division of Taxation in the Department
3 of the Treasury on or before April 1, 1998 and on or before April 1 of
4 each year thereafter.

6 60. R.S.54:4-1 is amended to read as follows:

7 54:4-1. All property real and personal within the jurisdiction of this
8 State not expressly exempted from taxation or expressly excluded
9 from the operation of this chapter shall be subject to taxation annually
10 under this chapter. Such property shall be valued and assessed at the
11 taxable value prescribed by law. Land in agricultural or horticultural
12 use which is being taxed under the "Farmland Assessment Act of
13 1964," P.L.1964, c.48 (C.54:4-23.1 et seq.), shall be valued and
14 assessed as provided by that act. An executory contract for the sale
15 of land, under which the vendee is entitled to or does take possession
16 thereof, shall be deemed, for the purpose of this act, a mortgage of
17 said land for the unpaid balance of purchase price. Personal property
18 taxable under this chapter shall include, however, only the machinery,
19 apparatus or equipment of a petroleum refinery that is directly used to
20 manufacture petroleum products from crude oil in any of the series of
21 petroleum refining processes commencing with the introduction of
22 crude oil and ending with refined petroleum products, but shall
23 exclude items of machinery, apparatus or equipment which are located
24 on the grounds of a petroleum refinery but which are not directly used
25 to refine crude oil into petroleum products and the tangible goods and
26 chattels, exclusive of inventories, used in business of local exchange
27 telephone, telegraph and messenger systems, companies, corporations
28 or associations that were subject to tax as of April 1, 1997 under
29 P.L.1940, c.4 (C.54:30A-16 et seq.) as amended, and shall not include
30 any intangible personal property whatsoever whether or not such
31 personalty is evidenced by a tangible or intangible chose in action
32 except as otherwise provided by R.S.54:4-20 . As used in this
33 section, "local exchange telephone company" means a
34 telecommunications carrier providing dial tone and access to
35 [substantially all] 51% of a local telephone exchange. Property
36 omitted from any assessment may be assessed by the county board of
37 taxation, or otherwise, within such time and in such manner as shall be
38 provided by law. Real property taxable under this chapter means all
39 land and improvements thereon and includes personal property affixed
40 to the real property or an appurtenance thereto, unless:

41 a. (1) The personal property so affixed can be removed or
42 severed without material injury to the real property;

43 (2) The personal property so affixed can be removed or severed
44 without material injury to the personal property itself; and

45 (3) The personal property so affixed is not ordinarily intended to
46 be affixed permanently to real property; or

1 b. The personal property so affixed is machinery, apparatus, or
2 equipment used or held for use in business and is neither a structure
3 nor machinery, apparatus or equipment the primary purpose of which
4 is to enable a structure to support, shelter, contain, enclose or house
5 persons or property. For purposes of this subsection, real property
6 shall include pipe racks, and piping and electrical wiring up to the
7 point of connections with the machinery, apparatus, or equipment of
8 a production process as defined in this section.

9 Real property, as defined herein, shall not be construed to affect
10 any transaction or security interest provided for under the provisions
11 of chapter 9 of Title 12A of the New Jersey Statutes (N.J.S.12A:9-101
12 et seq.). The provisions of this section shall not be construed to repeal
13 or in any way alter any exemption from, or any exception to, real
14 property taxation or any definition of personal property otherwise
15 provided by statutory law.

16 The Director of the Division of Taxation in the Department of the
17 Treasury may adopt rules and regulations pursuant to the provisions
18 of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1
19 et seq.) as may be deemed necessary to implement and administer the
20 provisions of this act.

21 (cf: P.L.1992, c.24, s.3)

22
23 61. R.S.48:3-7.8 is amended to read as follows:

24 48:3-7.8. a. Every public utility shall at all times keep within this
25 State all records, books, accounts, documents and other writings
26 relating to contracts entered into, transactions had, services rendered,
27 business done and property within this State, and shall at no time
28 remove any of such records, books, accounts, documents or writings
29 from this State without the consent in writing of the board first had
30 and obtained.

31 b. The board may by order in writing grant consent and
32 permission under such regulations and conditions as it may see fit to
33 impose for the keeping of any such records, books, accounts,
34 documents and other writings outside of the State in such cases as the
35 board may determine that such consent or permission so granted may
36 be of financial advantage to the customers of the public utility within
37 this State. Such consent or permission so granted may be revoked by
38 the board at any time without notice. A public utility granted such
39 consent or permission shall on the notice in writing of the board
40 produce such records, books, accounts, documents and other writings
41 at such time and place within this State as the board may designate.

42 c. A natural gas or electric vendor shall maintain an office within
43 the State and shall keep such records pertaining to the sale as the
44 board determines by order in writing to be necessary to protect the
45 interest of consumers in the State.

46 d. A public utility as defined in R.S.48:2-13 shall not enter into

1 a contract with a natural gas or electric vendor unless it first certifies
2 to the board that the vendor is in compliance with subsection c. of this
3 section and with R.S.48:3-7.9.

4 e. For the purpose of this section and R.S.48:3-7.9, "vendor"
5 means and includes an individual, firm, joint venture, partnership,
6 corporation, association, state, county, municipality, public agency or
7 authority, cooperation association, or joint stock association, or any
8 trustee, receiver, assignee, or personal representative thereof that is
9 not a public utility as defined in R.S.48:2-13, but sells natural gas or
10 electric power not for resale to a customer within this State.

11 (cf: R.S.48:3-7.8)

12
13 62. R.S.48:3-7.9 is amended to read as follows:

14 48:3-7.9. Every public utility and every natural gas vendor and
15 electric vendor subject to subsection c. of R.S.48:3-7.8, shall [within
16 fourteen days after March twelfth, one thousand nine hundred and
17 thirty-five,] file with the board a designation in writing of an agent,
18 resident of this State who shall have custody of such records, books,
19 accounts, documents and other writings, and upon whom process for
20 the production of the same may be served. Such designation shall set
21 out the name of such agent, his place of residence within this State and
22 his place of business. [Every] A public utility or vendor filing such
23 designation may at any time revoke such designation, provided, that
24 simultaneously with the revocation of such designation, a substituted
25 designation be filed by it with board.

26 (cf: R.S.48:3-7.9)

27
28 63. (New section) The Board of Public Utilities may adopt,
29 pursuant to the "Administrative Procedure Act," P.L.1968, c.410
30 (C.52:14B-1 et seq.), such rules as it deems necessary to implement
31 the provisions of this act.

32
33 64. (New section) On or before January 1, 2002, the State
34 Treasurer shall review and evaluate the administration and revenue
35 impact of the imposition of the sales and use tax on energy and utility
36 services pursuant to this act and shall advise the Legislature
37 accordingly.

38
39 65. (New section) The Board of Public Utilities shall have
40 authority and shall pass along the tax and related savings realized
41 under P.L. , c. , (C.) (now pending before the Legislature as
42 this bill) to consumers when making rate calculations.

43
44 66. (New section) a. For State budgetary purposes, the State
45 Treasurer shall direct that all tax monies collected pursuant to
46 contracts executed pursuant to tariff rate schedules and associated

1 gross receipts and franchise unit tax classes approved by separate
2 written orders of the Board of Public Utilities prior to the effective
3 date of this act shall be deposited in the State General Fund.

4 b. For State budgetary purposes, the collection of billings from
5 customers of a utility for natural gas, electricity and utility service
6 provided on and after January 1, 1998 and before the issuance by the
7 Board of Public Utilities of a written order approving, upon either an
8 interim or final basis, the rate filing of that utility required pursuant to
9 section 67 of P.L. , c. , (C.)(now pending before the
10 Legislature as this bill), except for sales exempt as of December 31,
11 1997 from gross receipts and franchise taxes imposed pursuant to
12 P.L.1940, c.5 (C.54:30A-49 et seq.) and sales to which section 59 of
13 this act shall apply, shall be deemed to include the collection of the full
14 amount of sales and use tax that otherwise would have been due and
15 owing for the billing as if the sales and use tax was imposed pursuant
16 to P.L.1966, c.30 (C.54:32B-1 et seq.) and P.L. , c. (C.)(now
17 pending before the Legislature as this bill) at the time that the natural
18 gas, electricity or utility service was actually provided.

19
20 67. (New section) a. As used in this section:

21 "Base rates" means the rates, including minimum bills, charged for
22 utility commodities or service subject to the board's jurisdiction, other
23 than the rates charged under a utility's levelized energy adjustment
24 clause, hereinafter "LEAC," or levelized gas adjustment clause,
25 hereinafter "LGAC," or equivalent rate provision;

26 "Base year" means the calendar year 1996;

27 "Board" means the Board of Public Utilities;

28 "Sales and use tax" means the sales and use tax liability computed
29 on sales and use of energy and utility service as defined in section 2 of
30 P.L.1966, c.30 (C.54:32B-2);

31 "Utility" means a public utility subject to regulation by the board
32 pursuant to Title 48 of the Revised Statutes; and

33 "Utility service" means the supply, transmission, distribution or
34 transportation of electricity, natural gas or telecommunications
35 services or any combination of such commodities, processes or
36 services.

37 b. No later than 60 days after the date this act is enacted, each
38 electric, gas and telecommunications utility subject to the provisions
39 of this act shall file with the board, and shall simultaneously provide
40 copies to the Director of the Division of the Ratepayer Advocate,
41 revised tariffs and such other supporting schedules, narrative and
42 documentation required by this act, as set forth in this section, to
43 reflect in the utility's rates the changes in tax liability effected pursuant
44 to this act. No later than 90 days after the date of the utility's filing,
45 and after determining that the filing and the rate changes provided for
46 therein are in compliance with the provisions of this act, the board

1 shall approve the utility's filing and associated rates for billing to the
2 utility's customers, effective for utility service rendered on and after
3 January 1, 1998. If the board determines that the utility's filing and
4 the associated rate changes provided for therein are not in compliance
5 with the provisions of this act, the board shall require the utility to
6 amend or otherwise modify its filing to render it in compliance. The
7 board may also permit the rates provided for in the utility's filing to be
8 implemented on an interim basis pending the board's final
9 determination in the event the board, in its discretion, determines that
10 due to the filing's complexity, or for other valid reasons, including but
11 not limited to the enactment of this act after June 30, 1997, additional
12 time is needed for the board to complete its review of the filing. If the
13 rates approved by the board upon its final determination are less than
14 the rates implemented on an interim basis, the difference shall be
15 refunded to the utility's customers with interest computed in
16 accordance with N.J.A.C.14:3-7.5(c). The rate adjustments
17 implemented pursuant to this act shall not constitute a fixing of rates
18 pursuant to R.S.48:2-21 and shall not be subject to the hearing
19 requirements set forth in that section.

20 c. As of the effective date of the rate changes implemented
21 pursuant to this act, and except for rates applicable to sales that were
22 exempt from the unit-based energy taxes formerly imposed pursuant
23 to P.L.1940, c.5 (C.54:30A-49 et seq.) and rates applicable to sales to
24 which section 59 of P.L. , c. , (C.)(now pending before the
25 Legislature as this bill) applies, the board shall remove from the base
26 rates of each electric public utility and gas public utility the unit tax
27 rates included therein for the recovery of those unit-based energy
28 taxes, and include therein provision for the recovery of corporation
29 business tax imposed pursuant to P.L.1945, c.162 (C.54:10A-1 et
30 seq.), and additionally shall authorize the collection of the sales and
31 use tax imposed pursuant to P.L.1966, c.30 (C.54:32B-1 et seq.), as
32 follows:

33 (1) The base rates of each gas and electric utility shall be reduced
34 by the amount of the unit-based energy taxes per kilowatthour or per
35 therm included therein.

36 (2) The provision for corporation business tax initially included
37 in the base rates of each gas and electric utility shall be based on the
38 utility's after-tax net income earned in the base year as booked, unless
39 the board determines, in its discretion, that such income as booked is
40 unusually high or low or otherwise unrepresentative of the utility's
41 prospective net income, in which case the utility's base year net income
42 shall be adjusted as determined by the board.

43 To permit the board to make this determination, in addition to
44 including in its filing schedules showing its net income earned in the
45 base year as booked, the utility shall include adjustments to such
46 booked income to eliminate the effect of revenues, expenses and

1 extraordinary or other charges that are non-recurring, atypical, or
 2 both, including, but not limited to an adjustment to eliminate the effect
 3 of unusually hot or cold weather, and that would otherwise make the
 4 utility's base year net income unusually high or low or otherwise
 5 unrepresentative of the utility's prospective net income. If the
 6 adjustment is being made to eliminate the effect of unusually hot or
 7 cold weather, associated revenue and expense adjustments shall also
 8 be made. Subject to the board's approval, such adjusted income shall
 9 be the basis for the calculation of the initial provision for corporation
 10 business tax to be included in the utility's base rates.

11 The utility shall also include a calculation of its rate of return on
 12 common equity achieved in the base year, both as booked and as
 13 adjusted in accordance with the foregoing. The calculation shall be
 14 made employing the methodology set forth in N.J.A.C.14:12-4.2(b)1,
 15 and shall separately show the effect of reflecting adjustments to the
 16 calculation, if any, that may have been employed historically in
 17 establishing the utility's rate of return on common equity allowed for
 18 ratemaking purposes. The utility's filing shall also include copies of its
 19 audited financial statements for the base year and associated quarterly
 20 and other reports filed with the Securities and Exchange Commission.

21 To reflect the provision for corporation business tax in base rates,
 22 the demand charges, or charges per kilowatt, decatherm or million
 23 cubic feet; the energy charges, or charges per kilowatthour or per
 24 therm; and the customer charges, or charges other than demand and
 25 energy charges, set forth in each base rate schedule, and the floor price
 26 employed in parity rate schedules, included in the utility's tariff filed
 27 with and approved by the board shall be increased by amounts
 28 determined by multiplying such charges by the adjustment factor, "A
 29 e, g" derived below:

30

$$31 \quad A_{e, g} = \left(\frac{(I_{e, g}) \times [Rs/(1-Re)]}{Br_{e, g}} \right)$$

32

33 where:

34

35 "A e, g" means the adjustment factor
 36 applicable to electric base rates
 37 (e), gas base rates (g), or both,
 38 other than rates applicable to
 39 sales that were exempt from unit-
 40 based energy taxes formerly
 41 imposed pursuant to P.L.1940,
 42 c.5 (C.54:30A-49 et seq.) or to
 43 which section 59 of P.L. , c. ,
 44 (C.) (now pending before
 45 the Legislature as this bill)
 46 applies;
 47

1	"I e, g"	means the utility's base year
2		after-tax net income from electric
3		or gas sales, or both, and
4		transportation service subject to
5		the board's jurisdiction and other
6		operating revenue if such
7		revenue is reflected in the utility's
8		cost of service for ratemaking
9		purposes, adjusted as approved
10		by the board;
11		
12	"Br e, g"	means the utility's base year
13		revenue from base rates
14		applicable to electric or gas sales,
15		or both, and transportation
16		service subject to the board's
17		jurisdiction, but excluding sales
18		that were exempt from unit-
19		based energy taxes formerly
20		imposed pursuant to P.L.1940,
21		c.5 (C.54:30A-49 et seq.) or to
22		which section 59 of P.L. , c. ,
23		(C.) applies;
24		
25	"Rs"	means the corporation business
26		tax rate, expressed as a decimal;
27		
28	"Rf"	means the applicable federal
29		corporation income tax rate
30		expressed as a decimal; and
31		
32	"Re"	equals $R_s + R_f(1-R_s)$.
33		

34 The utility shall account for the changes in tax liability provided
35 for by this act effective January 1, 1998. Such accounting shall
36 include the recording on the utility's income statement and balance
37 sheet of deferred corporation business tax defined, for book
38 accounting purposes, as differences in corporation business tax
39 expense arising from timing differences in the recognition of revenue
40 and expenses for book and tax purposes.

41 (3) When billed to the utility's customers, the adjusted base rate
42 charges determined pursuant to paragraphs (1), (2), and (4) of this
43 subsection, and the charges determined pursuant to the utility's
44 levelized energy adjustment clause, levelized gas adjustment clause, or
45 both, as determined both upon the effective date of the rate changes
46 authorized by this act and as revised prospectively in accordance with
47 the utility's tariff filed with and approved by the board, and the
48 transitional energy facility assessment unit rate surcharges, hereinafter,
49 "TEFA unit rate surcharges," determined in accordance with
50 subsection d. of this section, shall be increased by an amount
51 determined by multiplying such charges by the sales and use tax rate

1 imposed under P.L.1966, c.30 (C.54:32B-1 et seq.). In addition to the
2 utility's rates for service included in its tariff, for informational
3 purposes the tariff shall include such rates after application of the sales
4 and use tax authorized by this section.

5 (4) The utility's filing with the board to implement the rate
6 changes provided for by this act shall include an analysis, description,
7 and quantification of the effect of the changes in rates and tax
8 payments implemented pursuant to this act on the utility's requirement
9 for cash working capital, and if such requirement is less than the cash
10 working capital allowed for the collection and payment of unit-based
11 energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-
12 49 et seq.) in determining the utility's base rates in effect prior to the
13 rate changes implemented pursuant to this act, and to the extent the
14 working capital reduction is not offset by a reduction in net deferred
15 taxes as provided for below, such base rates shall be reduced by the
16 reduction in the utility's revenue requirement associated with the
17 remaining reduction in the working capital requirement not so offset,
18 if any. The reduction in working capital shall be determined by using
19 the same methodology employed in establishing the working capital
20 allowance related to unit-based energy taxes reflected in the utility's
21 base rates in effect prior to the rate changes implemented pursuant to
22 this act. The reduction in the utility's revenue requirement associated
23 with the reduced working capital requirement shall be calculated using
24 the utility's last overall rate of return allowed by the board, including
25 provision for federal income taxes and the corporation business tax
26 implemented pursuant to this act payable on the equity portion of the
27 return, and shall be implemented on the effective date of the rate
28 changes provided for, and in the manner set forth in paragraph (2) of
29 this subsection.

30 If the utility's requirement for cash working capital is increased as
31 a result of the changes in rates and tax payments implemented pursuant
32 to this act, the utility may accrue carrying costs, calculated at its last
33 overall rate of return allowed by the board and applied on a simple
34 annual interest basis without compounding, on the increased working
35 capital requirement and request recovery of such carrying costs in a
36 rate proceeding before the board.

37 The working capital-related base rate changes and carrying cost
38 accruals shall be subject to the board's approval, and shall not be
39 included in the determination of the TEFA unit tax surcharges
40 provided for in subsection d. of this section.

41 The utility's filing with the board to implement the rate changes
42 provided for by this act shall also include an analysis, description and
43 quantification of net deferred taxes. For the purposes of this section,
44 "net deferred taxes" means deferred corporation business taxes, net of
45 federal deferred income taxes, associated with the tax and rate changes
46 implemented pursuant to this act, including deferred corporation

1 business tax recorded in accordance with section 4 of P.L.1945, c.162
2 (C.54:10A-4), projected for the calendar year in which this act takes
3 effect and for each year of the tax life of the asset giving rise to the
4 deferred corporation business taxes pursuant to section 4 of P.L.1945,
5 c.162 (C.54:10A-4).

6 If the change in such net deferred taxes projected for the calendar
7 year in which the rate changes implemented pursuant to this act takes
8 effect is negative and if the utility's requirement for working capital is
9 reduced as a result of the changes in rates and tax payments
10 implemented pursuant to this act, the working capital-related rate
11 reduction that otherwise would have been implemented pursuant to
12 this subsection shall be treated as set forth in subparagraph (a) or (b)
13 of this paragraph. For the purposes of this act, a change in net
14 deferred taxes is considered negative when it reduces an existing
15 deferred tax liability or creates a deferred tax asset on the utility's
16 balance sheet. An appropriate rate adjustment for the working capital
17 impacts of this act, reflecting all relevant facts and circumstances at
18 the time of the adjustment, shall be made in the year when the earlier
19 of the following events occur:

20 (a) The year in which the reduction in carrying costs assumed for
21 the rate reduction for working capital that would have been made but
22 for this paragraph is no longer required to offset, on a present value
23 basis, the annual carrying costs calculated on the accumulated balance
24 of negative net deferred taxes projected to be recorded by the utility,
25 its successors and assigns, over the tax life of the single asset account
26 giving rise to such net deferred taxes pursuant to section 4 of
27 P.L.1945, c.162 (C.54:10A-4). For the purposes of this subparagraph
28 (a):

29 (i) Carrying costs and present values are to be computed using
30 the weighted average after-tax rate of return approved by the board in
31 the utility's last base rate proceeding.

32 (ii) The accumulated balance of such negative net deferred taxes
33 shall include net deferred taxes associated with all assets and liabilities
34 originally placed in service by the utility and held by the utility or a
35 company affiliated with the utility regardless of whether or not such
36 assets continue to be subject to regulation by the New Jersey Board of
37 Public Utilities.

38 (b) The year in which both an appropriate working capital
39 adjustment and the accumulated balance of negative deferred taxes, as
40 described in (ii) of subparagraph (a) of this paragraph (4), are reflected
41 in the utility's rate base in a rate proceeding before the board. It is the
42 intent of this section to fully compensate utilities on a present value
43 basis, for the carrying costs associated with negative net deferred taxes
44 arising as a result of this act, and to remit to ratepayers any credit due
45 them as a result of any overcompensation as may have occurred due
46 to the treatment of working capital and deferred taxes as set forth

1 herein or in subparagraph (a) of this paragraph (4). At the time the
2 above rate base adjustment is made, an analysis shall be made to
3 determine if such carrying costs have been or will be fully recovered
4 pursuant to the intent of this provision and any additional credit or
5 charge to ratepayers to adjust for ratepayer overpayments or
6 underpayments, if any shall be addressed.

7 If the change in net deferred taxes is positive, the increase shall be
8 added to, or increase, the reduction in the utility's requirement for
9 working capital if the requirement is reduced as a result of the rate and
10 tax payment changes implemented pursuant to this act, or subtracted
11 from the working capital requirement if it is increased, and the
12 resultant net working capital requirement shall be reflected in rates or
13 accrue carrying costs in the same manner as prescribed for changes in
14 the utility's requirement for working capital above.

15 The deferred tax-related rate changes or carrying cost accruals
16 shall be subject to the board's approval and shall not be included in the
17 determination of the TEFA unit rate surcharges provided for in
18 subsection d. of this section.

19 d. (1) Electric and gas utilities shall file, for the board's review
20 and approval, initial TEFA unit rate surcharges determined by
21 deducting from each unit-based energy tax unit tax rate effective
22 January 1, 1997 the following: (a) An amount per kilowatthour or
23 per therm determined by multiplying the total revenue received in the
24 base year from sales to which that unit tax rate would have been
25 applicable by the factor $R_u/(1 + R_u)$, where R_u is the sales and use tax
26 rate imposed under P.L.1966, c.30 (C.54:32B-1 et seq.) expressed as
27 a decimal, and dividing the result by the kilowatthours or therms billed
28 in that unit tax rate class in the base year; and (b) An amount per
29 kilowatthour or per therm determined by dividing the revenue that
30 would have been received in the base year from the inclusion, in the
31 manner prescribed in paragraph (2) of subsection c. of this section, of
32 the corporation business tax in the rates applicable to sales billed in
33 that unit tax rate class by the kilowatthours or therms billed in that
34 rate class. In each case, the determination shall reflect the effect of
35 adjustments that affect the level of sales and revenue, if any, as
36 provided in subsection c. of this section. Of the resultant rate per
37 kilowatthour or per therm, the portion for recovery of the utility's
38 transitional energy facilities assessment liability shall be determined by
39 multiplying such rate by the factor $(1 - R_s)$, where R_s is the
40 corporation business tax rate expressed as a decimal. The TEFA unit
41 rate surcharges shall constitute non-bypassable wires and/or mains
42 charges of the utility, and shall be applied to all sales within the
43 customer classes to which they apply, regardless of whether such
44 customers are purchasing bundled or unbundled services from the
45 utility, but shall not be applied to sales that were exempt from unit-
46 based energy taxes formerly imposed pursuant to P.L.1940, c.5

1 (C.54:30A-49 et seq.) or to which section 59 of P.L. , c. , (C.)
 2 (now pending before the Legislature as this bill) applies.

3 If, following the effective date of this act, a customer taking
 4 bundled service from the utility shall elect to obtain its requirements
 5 from another supplier and take transportation or wheeling service from
 6 the utility, the TEFA unit rate surcharge applicable to the bundled
 7 service shall continue to apply to the transportation or wheeling
 8 service. The TEFA components of the unit rate surcharges determined
 9 pursuant to this subsection (the components of the surcharges
 10 remaining after deducting the provision for corporation business tax
 11 included therein) shall be used to determine the transitional energy
 12 facility assessment liability pursuant to sections 36 through 49 of
 13 P.L. , c. (C.)(now pending before the Legislature as this bill).

14 (2) Unless reduced pursuant to paragraph (3) of this subsection,
 15 the initial TEFA unit rate surcharges are to be reduced annually on
 16 January 1, 1999 through January 1, 2003 by the following percentages:

17	January 1, 1999	20%
18	January 1, 2000	40%
19	January 1, 2001	60%
20	January 1, 2002	80%
21	January 1, 2003	100%

22

23 (3) For each year beginning with calendar year 1998 and ending
 24 with calendar year 2002, the TEFA surcharge adjustment shall be
 25 determined as the difference between:

26 (a) The sum of the estimated, or actual when known, (i) TEFA
 27 liabilities, as defined in section 43 of P.L. , c. , (C.)(now
 28 pending before the Legislature as this bill), and sales and use taxes
 29 collected and corporation business taxes, for the year 1998 by the gas
 30 and electric utilities and other entities subject to the TEFA provisions
 31 of this act (the year 1998 liability), and (ii) the TEFA liabilities of
 32 those utilities and entities in all years following the year 1998 through
 33 the year in which a determination is being made pursuant to this
 34 subsection (the determination year); and

35 (b) The sum of (i) the total of each remitter's base year liability,
 36 as defined in section 37 of P.L. , c. , (C.)(now pending before
 37 the Legislature as this bill), and (ii) the cumulative TEFA obligation,
 38 defined as the sum through the determination year of the amounts
 39 calculated by multiplying the percentage in the second column of the

1 following table for the applicable year:

2		% of
3	Determination Year	Year 1998
		TEFA
4	1999	80%
5	2000	60%
6	2001	40%
7	2002	20%

8

9 by the Year 1998 TEFA,

10 where the Year 1998 TEFA is calculated as the total of each remitter's
 11 base year liability less the sales and use taxes collected and the
 12 corporation business taxes booked for the privilege period ending in
 13 calendar year 1998 by the gas and electric utilities and other entities
 14 subject to the TEFA provisions of this act. For purposes of this
 15 subsection, the amounts assumed for the determination year, including
 16 the year 1998 liability when first determined for the purposes of this
 17 subsection, shall be estimates based on nine months of actual data
 18 through and including the month of September, and three months of
 19 data forecast for the months of October through December.

20 (4) If the TEFA surcharge adjustment determined for the
 21 determination year is positive (that is, if the amount determined
 22 pursuant to subparagraph (a) of paragraph (3) of this subsection is
 23 greater than the amount determined pursuant to subparagraph (b) of
 24 paragraph (3) of this subsection), no reduction shall be made in the
 25 reduction in the TEFA unit rate surcharges provided for in paragraph
 26 (2) of this subsection for the year following the determination year.
 27 If the TEFA surcharge adjustment is negative, the reduction in the
 28 TEFA unit rate surcharges that otherwise would have been
 29 implemented on January 1 of the year following the determination year
 30 pursuant to paragraph (2) of this subsection shall be reduced by an
 31 amount (by percentage points) equal to the percentage the TEFA
 32 surcharge adjustment is of the total of the base year transitional energy
 33 facility assessment of all remitters, as defined in section 37 of
 34 P.L. , c. , (C.), provided however, that such reduction in the
 35 reduction in the TEFA unit rate surcharges shall not exceed the
 36 percentage shown in paragraph (2) of this subsection for that year; and
 37 provided further that in the first two years, that such reduction shall
 38 not exceed 10 percentage points for each year.

39 e. The utility's filing with the board to implement the rate changes
 40 provided for by this act shall include proof of revenue schedules that
 41 show for each rate schedule included in the utility's tariff, aggregated
 42 by unit-based energy tax unit tax classes, the number of customers
 43 billed under the rate schedule, the billing determinants of such

1 customers (i.e. the kilowatts of billing demand and kilowatthours of
2 electric energy consumed, and the million cubic feet/deca-therm subject
3 to gas capacity-related charges and decatherm of gas consumed) and
4 the associated revenue, both as booked in the base year and on a pro
5 forma basis reflecting the rate changes implemented pursuant to this
6 act. The proof of revenue shall additionally show the amount of unit-
7 based energy taxes included in the base year revenue as booked, the
8 unit-based energy taxes that would have been collected at the unit-
9 based energy tax unit tax rates effective January 1, 1997, if different,
10 as well as the corporation business tax, sales and use tax and
11 transitional energy facility assessment revenue that would have been
12 collected or received on a pro forma basis if the rates implemented
13 pursuant to this act had been in effect in the base year.

14 f. The board may, in its discretion, permit the rate changes
15 provided for this act to be implemented as part of a pending base rate
16 case or other proceeding in which the utility's rates are to be changed,
17 provided that the effective date of the changes is not delayed beyond
18 the date on which the changes would have been implemented under
19 subsection c. of this section. The board may also, pursuant to its
20 powers provided by law, permit or require further modifications in the
21 implementation of this section to address unforeseen consequences
22 arising out of the implementation of this act.

23 g. Customers of the utility who are exempt from the sales and use
24 tax imposed on sales of gas and/or electricity or as a result of rate
25 changes occurring prior to the effective date of this act or for other
26 valid reasons are due a refund of sales or use tax inadvertently
27 imposed on such customers as a result of implementing the rate
28 changes provided for by this act shall file with the State Treasurer to
29 obtain such refunds. The State Treasurer shall promptly notify the
30 utility of customers granted refunds under this provision in order to
31 prevent additional collections of the sales and use tax from such
32 customers.

33 h. Public utilities providing telecommunications service regulated
34 by the board shall file for the board's review and approval revised
35 tariffs that eliminate from the rates applicable to such service the
36 excise tax liability included therein pursuant to P.L.1940, c.4
37 (C.54:30A-16 et seq.), and shall include therein the corporation
38 business tax calculated using the same methodology as set forth in
39 paragraph (2) of subsection c. of this section for gas and electric
40 utilities. Telecommunications utilities shall comply with all other
41 applicable provisions of this section.

42 i. (1) The board shall not adjust the rates of a public utility, as
43 provided in subsections c. and d. of this section, for a purchase by a
44 cogenerator of natural gas and the transportation of that gas, that is
45 exempt from sales and use tax pursuant to paragraph (2) of subsection
46 b. of section 26 of P.L. , c. , (C.)(now pending before the

1 Legislature as this bill). The board shall not allocate, in any future rate
2 case, any sales and use tax, corporation business tax, or transitional
3 energy facility assessment to rates for this purpose.

4 (2) The board shall adjust the rates, as provided in subsection c.
5 of this section, for a purchase by a cogenerator of any quantity of
6 natural gas and the transportation of that gas that is not exempt from
7 sales and use tax pursuant to paragraph (2) of subsection b. of section
8 26 of P.L. , c. , (C.).

9 (3) For the purposes of this section, "cogenerator" means a
10 person or business entity that owns or operates a cogeneration facility
11 in the State of New Jersey, which facility is a plant, installation or
12 other structure whose primary purpose is the sequential production of
13 electricity and steam or other forms of useful energy which are used
14 for industrial, commercial, heating or cooling purposes, and which is
15 designated by the Federal Energy Regulatory Commission, or its
16 successor, as a "qualifying facility" pursuant to the provisions of the
17 "Public Utility Regulatory Policies Act of 1978," Pub.L. 95-617.

18

19 68. (New section) Notwithstanding the use of the term
20 assessment, the transitional energy facility assessment tax is a State tax
21 within the meaning of section 164 of federal Internal Revenue Code of
22 1986, 26 U.S.C.§164, pursuant to which a deduction is allowed in
23 arriving at federal taxable income for the taxable year within which it
24 is paid or accrued and such amount shall be added back to entire net
25 income pursuant to subparagraph (c) of paragraph (2) of subsection
26 (k) of section 4 of P.L.1945, c.162 (C.54:10A-4).

27

28 69. (New section) a. No municipal, regional, or county
29 governmental agency may impose any fees, taxes, levies or
30 assessments in the nature of a local franchise, right of way, or gross
31 receipts fee, tax, levy or assessment against energy or
32 telecommunication companies subject to a public utility tax
33 immediately prior to January 1, 1998. Nothing in this section shall be
34 construed as a bar to fees for services made by any municipal, regional
35 or county governmental agency.

36 b. Nothing in this section shall be construed to limit municipal
37 taxation of real or personal property pursuant to R.S.54:4-1 of local
38 exchange telephone, telegraph and messenger systems, companies,
39 corporations or associations that were subject to tax under P.L.1940,
40 c.4 (C.54:30A-16 et seq.) as of April 1, 1997.

41

42 70. (New section) Nothing in this act shall be construed to limit
43 municipal taxation of real estate pursuant to R.S.54:4-1 of current or
44 former remitters of the transitional energy facility assessment, or of a
45 corporate or non-corporate legal successor or assignee of a current or
46 former remitter of the transitional energy facility assessment whether

1 through any reorganization, sale, bankruptcy, consolidation, merger or
2 other transaction or occurrence of any kind without limitation. As
3 used in this section, "real estate" means lands and buildings, but shall
4 not include items of the type as set forth in the list of scheduled
5 property for gas systems and electric light, heat and power systems in
6 section 10 of P.L.1940, c.5 (C.54:30A-58) prior to January 1, 1998.
7 As provided in that list, railways, tracks, ties, lines, wires, cables,
8 poles, pipes, conduits, bridges, viaducts, dams and reservoirs (except
9 that the lands upon which dams and reservoirs are situated shall be
10 included as real estate), machinery, apparatus or equipment,
11 notwithstanding any attachment thereof to lands or buildings owned
12 by current or former remitters of the transitional energy facility
13 assessment, or of a corporate or non-corporate legal successor or
14 assignee of a current or former remitter of the transitional energy
15 facility assessment whether through any reorganization, sale,
16 bankruptcy, consolidation, merger or other transaction or occurrence
17 of any kind without limitation, are not real estate.

18

19 71. (New section) Notwithstanding any other provision of law
20 to the contrary, for the period from January 1, 1998 through the date
21 the utility rate changes provided for in this act are implemented as set
22 forth in section 67 of P.L. , c. , (C.)(now pending before the
23 Legislature as this bill), the sales and use tax imposed pursuant to
24 P.L.1966, c.30 (C.54:32B-1 et seq.) as amended and supplemented by
25 P.L. , c. (C.)(now pending before the Legislature as this bill),
26 upon sales and use of energy and utility service that were subject to
27 regulated rates that included unit-based energy taxes imposed pursuant
28 to P.L.1940, c.5 (C.54:30A-49 et seq.) during that period, shall be
29 imposed upon the utility vendors of energy and utility service in this
30 State and shall not be imposed upon the purchasers thereof. The
31 amount of tax due under this section shall be payable by a utility
32 vendor to satisfy the utility vendor's tax liability on those sales and use
33 of energy and utility service under this section.

34

35 72. The following are repealed:

36 Section 2 of P.L.1983, c.95 (C.48:2-29.37);

STATEMENT

19

20 This bill implements a transition to competition by utilities
21 resulting from recent regulatory developments on both the federal and
22 State levels, including the unbundling of energy products and services.
23 Although traditionally New Jersey's energy consumers, including
24 natural gas and electric power consumers, have been served by
25 regulated monopolies, there is now a move to competition and the free
26 market. This new business environment has altered the way energy
27 producers do business in this State and the way energy consumers buy
28 and consume energy products.

29 The Board of Public Utilities is charged with the supervision and
30 regulation of public utilities to ensure that they furnish safe, adequate,
31 and proper service as well as to maintain their property and equipment
32 in such condition as to enable them to do so. New Jersey has a
33 legitimate State interest in the regulation of energy suppliers to protect
34 public health and safety. Accordingly, the Board of Public Utilities
35 already requires that the books and records of public utilities must be
36 kept within this State for in-State inspection. This bill requires that all
37 energy suppliers maintain such books and records as shall be required
38 by regulation of the Board of Public Utilities in an in-State office, in
39 order that the Board of Public Utilities may be ensured of access to all
40 relevant information such that the board may ensure the adequate
41 operation of energy suppliers in this State and ensure an adequate
42 supply of gas and electricity for New Jersey consumers.

43 New Jersey's current energy taxes are among the highest in the
44 nation constraining the State's economic growth and causing
45 companies doing business or deciding to relocate into the State to
46 consider states with lower energy costs. In order to reduce the

1 adverse economic effect of high energy taxation rates on all
2 consumers, to prevent continued erosion of future tax revenues for
3 annual distribution to municipalities due to changes in the natural gas
4 and electric markets and promote economic development and job
5 growth in the State, this bill, effective for 1998, eliminates the gross
6 receipts and franchise tax currently collected by electric, gas and
7 telecommunications utilities. In its place, electric, gas and
8 telecommunications utilities will be subject to the State's corporation
9 business tax. The State's existing sales and use tax, with certain
10 exceptions, will be applied to retail sales of electric and natural gas,
11 and a transitional energy facility assessment will be applied for a
12 limited time on electric and gas utilities. The assessment will be
13 phased out over a five year period.

14 Under a companion bill, municipalities will be guaranteed,
15 beginning in State fiscal year 1997, an annual State aid distribution of
16 at least \$730,000,000 from these replacement revenues. These
17 revenues will be credited to the "Energy Tax Receipts Property Tax
18 Relief Fund," established in the State Treasury as a special dedicated
19 fund. Of the \$730,000,000, a portion approximating \$700,000,000
20 will be allocated annually to provide each municipality with an amount
21 not less than the largest annual amount it received from the
22 distribution of \$685,000,000 from the proceeds of the public utilities
23 franchise and gross receipts taxes and unit-based energy taxes under
24 P.L.1940, c.4 (C.54:30A-16 et seq.) and P.L.1940, c.5 (C.54:30A-49
25 et seq.) in calendar year 1994, 1995 or 1996, or initially proposed for
26 distribution in 1997.

27 It is the intent of the Legislature that the Board of Public Utilities,
28 when determining electric and natural gas rates, pass along to
29 consumers all tax savings realized by utilities as a result of this bill.
