32
33 This bill provides a supplemental appropriation of \$1.3 million to
34 the Trenton School District. The Trenton Board of Education
35 recently found it necessary to eliminate the vocational-technical
36 program in the district for budgetary reasons. These programs are an
37 important component in the mix of educational opportunities offered

1 to students. This appropriation will support the provision of a vitally
2 important vocational-technical program in the Trenton School
