STATEMENT

20

21 This bill directs the Commissioner of Transportation to allocate,
22 from the revenues and other funds of the New Jersey Transportation
23 Trust Fund Authority in Fiscal Year 1998, \$3 million for the
24 replacement of the Lawrence Street bridge over the Rahway River,
25 located in the City of Rahway, Union County.

26

27 This bridge was recently closed because of deterioration and
28 structural problems. In addition, because of the bridge's low elevation
29 over the Rahway River, this bridge is prone to flooding which
30 exacerbates the bridge's declining physical condition. Consequently,
31 a replacement bridge is necessary to alleviate traffic and safety
32 problems caused by the closure of the Lawrence Street bridge.

32

33

34

35 Directs DOT Commissioner to allocate Transportation Trust Fund
36 monies for the replacement of the Lawrence Street bridge in Rahway,
37 Union County.
