1 **AN ASSEMBLY RESOLUTION** establishing an Assembly South Jersey  
2 Transportation Advisory Panel.

3  
4 **WHEREAS**, The southern region of the State, commonly referred to as South  
5 Jersey, lacks a comprehensive mass transportation system, and the  
6 development of such a system in the region must begin immediately in order  
7 to meet the needs of the region; and

8 **WHEREAS**, In developing a comprehensive mass transportation system in  
9 South Jersey, it is vital that the needs and concerns of South Jersey be  
10 explored before decisions are made about establishing such a system and  
11 to ensure that those needs and concerns are fully explored, it is appropriate  
12 to establish an advisory panel, the sole purpose of which is to ascertain the  
13 needs of South Jersey with regard to transportation systems and to make  
14 recommendations concerning the development thereof; and

15 **WHEREAS**, It is altogether fitting and proper to establish an Assembly South  
16 Jersey Transportation Advisory Panel to review specific transportation  
17 needs, devise a plan for the development of mass transportation in South  
18 Jersey, recommend the adoption of that plan and address other  
19 transportation issues facing South Jersey; now, therefore,

20
