SENATE, No. 34

STATE OF NEW JERSEY

INTRODUCED JANUARY 23, 1997

By Senators DiFRANCESCO, O'CONNOR, Scott, Kyrillos, Rice,
Assemblymen Corodemus, DeCroce, Assemblywomen Heck,
Murphy and Assemblyman Talarico

1 AN ACT concerning dredging and dredged material disposal ¹[and] ¹
2 providing for the expenditure of monies ²[dedicated] made
3 available² pursuant to P.L.1996, c.70 ¹²[and],² supplementing Title
4 12 and Title 34 of the Revised Statutes¹ ², and making an
5 appropriation².

6

7 **BE IT ENACTED** by the Senate and General Assembly of the State
8 of New Jersey:

9

10 1. The Legislature finds and declares that the existence of deep
11 water ports in both the northern and southern sections of the State
12 have been of critical importance to the economy and growth of the
13 region since the colonial era; that the combination of the natural silting
14 of New Jersey's harbor areas and the building of larger oceangoing
15 vessels that require greater water depth ¹[have] has¹ resulted in a
16 reduction of the volume of maritime commerce in the region, resulting
17 in a loss of jobs and the potential elimination of the Port of New York
18 and New Jersey's present status as the primary port on the Eastern
19 seaboard; that many of these port waters contain harmful contaminants
20 that upset the ecological balance and threaten the environment, and
21 that must be disposed of in the most cost-efficient manner possible,
22 using the most up-to-date technology including the possible creation
23 of a usable end product; and that the voters, in November 1996,
24 overwhelmingly approved a bond issue for the dredging of New
25 Jersey's ¹[port] navigation¹ channels.

26 The Legislature therefore determines that it is in the public interest
27 that the port dredging and dredged material disposal ¹projects¹
28 proceed as expeditiously and efficiently as possible, and that the
29 monies approved by the voters for this purpose be used effectively;

EXPLANATION - Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and intended to be omitted in the law.

Matter underlined thus is new matter.

Matter enclosed in superscript numerals has been adopted as follows:

¹ Senate SEG committee amendments adopted February 10, 1997.

² Senate floor amendments adopted March 10, 1997.

1 that it is necessary for the State to establish an administrative
2 procedure to set priorities for ¹dredging¹ projects in accordance with
3 their economic benefit to the State, and their relative potential to bring
4 about economic growth through enhanced maritime commerce, to
5 retain existing jobs and create new ones, and to support the continuing
6 viability of the State's recreation and tourism industries; and that it is
7 essential that the priorities for the dredging and dredged material
8 disposal projects be established with the participation of the affected
9 sectors of the State's economy, including representatives of the
10 maritime industry, business and commercial interests, labor, and
11 recreation and tourism industries, so that a consensus is reached on the
12 most effective use of the available funds.
