This bill is a companion to an Assembly Concurrent Resolution which seeks to amend the State Constitution to dedicate the revenue from an increase in the cigarette tax for increased public school districts facilities aid. This bill enacts the tax increase of \$0.25 per pack of 20 cigarettes which would be effective January 1, 1997, only if the constitutional dedication is previously approved by the voters.

Currently, the State tax on cigarettes is \$0.02 per cigarette, or \$0.40 per pack. This bill increases the tax to \$0.0325 per cigarette, or \$0.65 per pack.

This tax rate increase will raise an additional \$130 million in cigarette tax revenues. If the companion constitutional amendment is approved by the voters, this additional \$130 million, or 38.46% of the total anticipated revenue from the cigarette tax, will be dedicated to additional State aid for school district facilities. This aid is intended to supplement above the current level of \$70 million appropriated for such aid.

Increases cigarette tax by \$0.25 per pack for constitutionally dedicated purpose of providing increased public school districts facilities aid to provide a thorough and efficient system of free public schools.
