STATEMENT

28

29 This bill increases the maximum penalty for violations of the
30 provisions of the "State Uniform Construction Code Act," from \$500
31 to \$5,000. The penalty has remained unchanged since the enactment
32 of the law in 1975.

33 The increased penalty under this bill would match the maximum
34 penalty for violations under the "Uniform Fire Safety Act," P.L.1983,
35 c.383, and would serve as a greater deterrent against violations of the
36 "State Uniform Construction Code Act" by individuals engaged in
37 construction projects in municipalities throughout the State.
