STATEMENT

1

2

3 This bill provides that a board of education may adopt a salary
4 policy and schedule for teaching staff members in excess of three
5 years. In addition, the bill would obligate a board to pay all
6 increments due under an expired salary policy until a new salary policy
7 is agreed upon through collective bargaining.

8 This would reverse the New Jersey Supreme Court's decision in
9 Bd. of Ed. of Tp. of Neptune v. Neptune Tp. Ed. 144 N.J. 16 (1996),
10 where the court held that under current education law set forth at
11 N.J.S.A.18A:29-4.1, a school district could not be required to pay any
12 salary increments following the expiration of a three year contract.

13

14

15

16

17 Permits a board of education to adopt a salary policy in excess of three
18 years and requires the payment of increments pursuant to an expired
19 policy in certain circumstances.
