SENATE, No. 2194

STATE OF NEW JERSEY

INTRODUCED JUNE 12, 1997

**By Senators MARTIN, CIESLA, Matheussen,
Assemblymen DiGaetano and Felice**

1 **AN ACT** concerning policies and procedures for contracting for certain
2 professional services by State agencies, and supplementing
3 P.L.1954, c.48 (C.52:34-6 et seq.).
4

5 **BE IT ENACTED** by the Senate and General Assembly of the State
6 of New Jersey:
7

8 1. It is the policy of this State that State contracts for architectural,
9 engineering and land surveying services shall be publicly announced
10 prior to being awarded and that contracts for these services shall be
11 negotiated on the basis of demonstrated competence and qualifications
12 for the type of professional services required and at fair and reasonable
13 compensation.
14

15 2. As used in this act:

16 "agency" means any of the principal departments in the Executive
17 Branch of State Government, and any division, board, bureau, office,
18 commission or other instrumentality created by a principal department
19 and any independent State authority, commission, instrumentality or
20 agency, which is authorized by law to contract for professional
21 architectural, engineering or land surveying services;

22 "compensation" means the basis of payment by an agency for
23 professional architectural, engineering or land surveying services;

24 "professional firm" means any individual, firm, partnership,
25 corporation, association or other legal entity permitted by law to
26 ¹[practice architecture,] provide professional architectural,
27 engineering, or land surveying ¹services¹ in this State;

EXPLANATION - Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and intended to be omitted in the law.

Matter underlined thus is new matter.

Matter enclosed in superscript numerals has been adopted as follows:

¹ Senate STR committee amendments adopted December 18, 1997.

1 "professional architectural, engineering and land surveying services"
2 means those services, including planning, environmental, and
3 construction inspection services required for the development and
4 construction of projects, within the scope of practice of architecture,
5 professional engineering or professional land surveying as defined by
6 the laws of this State or those performed by an architect, professional
7 engineer or professional land surveyor in connection with his
8 professional employment practice.

9
10 3. A professional firm which wishes to be considered qualified to
11 provide professional architectural, engineering, or land surveying
12 services to an agency seeking to negotiate a contract or agreement for
13 the performance of such services shall file or shall have filed with the
14 agency a current statement of qualifications and supporting data. Such
15 a statement may be filed at any time during a calendar year. The
16 content of any such statement shall conform to such regulations with
17 respect thereto as the State Treasurer, in accordance with the
18 "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et
19 seq.), shall promulgate. For the purposes of this section and section
20 5 of this act, no statement which shall have been filed more than ¹[one
21 year] two years¹ prior to the publication of an advertisement pursuant
22 to the provisions of section 4 of this act shall be deemed to be a
23 current statement with respect to qualification of the firm which shall
24 have filed the statement to provide professional architectural,
25 engineering, or land surveying services under any contract or
26 agreement of which notice is given through that advertisement.

27 A statement of qualifications and supporting data filed with an
28 agency under this section shall be a public record for all purposes of
29 P.L.1963, c.73 (C.47:1A-1 et seq.).

30
31 4. Notwithstanding the provisions of sections 2 through 4 of
32 P.L.1954, c.48 (C.52:34-7 through 52:34-9), a contract or agreement
33 with an agency for the procurement of professional architectural,
34 engineering, or land surveying services shall be ¹[made, negotiated, or
35 awarded only after public advertisement of notice that such a contract
36 or agreement is to be made or awarded] publicly advertised prior to
37 the solicitation of proposals or expressions of interest from interested
38 firms¹. To the extent consistent with the purposes and provisions of
39 this section, the ¹[notice] advertisement¹ shall conform to the
40 requirements applicable under subsections (a) and (b) of section 7 of
41 P.L.1954, c.48 (C.52:34-12) ¹[to an advertisement for bids] or may be
42 publicly advertised through electronic means¹. The advertisement shall
43 include a statement of the criteria ¹[, established as provided under
44 subsection b. of section 5 of this act,]¹ by which the agency seeking to
45 procure those professional services shall ¹evaluate the technical
46 qualifications of professional firms and¹ determine the order of

1 preference to be used in designating the firms most highly qualified to
2 perform the services; this statement shall either set forth explicitly and
3 in full the terms of those criteria or identify them by reference to the
4 regulation or regulations in which those criteria shall have been
5 promulgated as required by subsection c. of ¹[that]¹ section 5 ¹of this
6 act¹. In addition, the advertisement shall include notice that
7 professional firms wishing to be considered for selection as a potential
8 provider of such services in connection with a proposed project must
9 have submitted to the agency a current statement of qualifications and
10 supporting data as prescribed in section 3 of this act.

11

12 5. a. In the procurement of architectural, engineering and land
13 surveying services, no agency shall make, negotiate, or award a
14 contract or agreement for the performance of such services with or to
15 any professional firm which has not filed with the agency a current
16 statement of qualifications and supporting data as prescribed under
17 section 3 of this act.

18 b. For each proposed project, an agency shall evaluate current
19 statements of qualifications and supporting data on file with the
20 agency. ¹[If desired, the] The¹ agency may solicit ¹[statements of
21 qualifications] proposals or expressions of interest¹ unique to the
22 specific project which would in narrative form outline design concepts
23 and proposed methods of approach to the assignment. The agency
24 shall select, in order of preference, based upon ¹the¹ criteria
25 ¹[established by the agency, no fewer than] included in the
26 advertisement required by section 4 of this act, at least¹ three
27 professional firms deemed to be the most highly qualified to provide
28 the services required ¹, except that the agency may select fewer
29 professional firms if fewer such firms responded to the solicitation or
30 meet the qualifications required for the project¹.

31 c. An agency which intends or expects to make, negotiate or award
32 a contract or agreement for the procurement of professional
33 architectural, engineering, or land surveying services shall, before
34 publishing an advertisement of notice with respect to any such
35 contract or agreement, have adopted by regulation and have
36 promulgated, in accordance with the "Administrative Procedure Act,"
37 P.L.1968, c.410 (C.52:14B-1 et seq.), the criteria by which it shall
38 with respect to any such contract or agreement make the selection of
39 qualified firms as prescribed by subsection b. of this section. The
40 provisions of this subsection shall not be construed to require the
41 adoption by an agency of regulations regarding the selection criteria
42 to be applicable with respect to a particular contract if such
43 regulations were previously promulgated and remain in effect with
44 respect to such a contract.

45

46 6. An agency shall negotiate a contract with the most ¹technically¹

1 qualified professional firm for architectural, engineering or land
2 surveying services at compensation which the agency determines to be
3 fair and reasonable to the State of New Jersey. In making this
4 ¹[decision] determination¹, the agency shall take into account the
5 estimated value of the services to be rendered and the scope,
6 complexity, and professional nature thereof. Should the agency be
7 unable to negotiate a satisfactory contract with the professional firm
8 considered to be the most qualified at a fee the agency determines to
9 be fair and reasonable, negotiations with that professional firm shall be
10 formally terminated. The agency shall then undertake negotiations
11 with the second most qualified professional firm. Failing accord with
12 the second most qualified professional firm, the agency shall formally
13 terminate negotiations. The agency shall then undertake negotiations
14 with the third most qualified professional firm. Should the agency be
15 unable to negotiate a satisfactory contract with any of the selected
16 professional firms, it shall select additional professional firms in order
17 of their competence and qualifications and it shall continue
18 negotiations in accordance with this section until an agreement is
19 reached.

20

21 7. ¹[The] Notwithstanding the provisions of section 2 of P.L.1954,
22 c.48 (C.52:34-7) to the contrary, the¹ provisions of this act shall only
23 apply to contracts for architectural, engineering and land surveying
24 services in excess of \$25,000. Nothing in this act shall preclude a
25 State agency from using procurement processes other than those
26 prescribed herein if those processes have been approved by the federal
27 government ¹or other State statute ¹or if an emergency has been
28 declared by the chief executive officer of the agency.

29

30 8. This act shall take effect ¹[immediately] on the 360th day after
31 enactment but an agency may take such anticipatory administrative
32 action in advance as shall be necessary for the implementation of the
33 act¹.

34

35

36

37

38 Provides that State contracts for architectural, engineering and land
39 surveying services would be subject to a process of competitive
40 negotiation and would not be publicly bid.
