26 conditions. The term does not include the failure to provide treatment,

28 infant] a child¹ when, in the treating physician's reasonable medical
29 judgment:

30 a. the ¹[infant] child¹ is chronically and irreversibly comatose;

31 b. the provision of such treatment would merely prolong dying, not
32 be effective in ameliorating or correcting all of the ¹[infant's] child's¹
33 life-threatening conditions, or otherwise be futile in terms of the
34 survival of the ¹[infant] child¹; or

35 c. the provision of such treatment would be virtually futile in terms
36 of the survival of the ¹[infant] child¹ and the treatment itself under
37 such circumstances would be inhumane.

40 responding to the reporting of medical neglect, including instances of
41 withholding of medically indicated treatment from disabled ¹[infants]
42 children¹ with life-threatening conditions, to provide for: a.

2

3 4. (New section) The division may pursue any legal remedies,

5 jurisdiction, as may be necessary to: a. prevent the withholding of
6 medically indicated treatment from disabled ¹[infants] children¹ with
7 life-threatening conditions, or b. provide medical care or treatment for
8 a child when such care or treatment is necessary to prevent or remedy
9 serious harm to the child or to prevent the withholding of medically
10 indicated treatment from disabled ¹[infants] children¹ with life-
11 threatening conditions.

12

13 5. (New section) In any case in which the division accepts a child
14 in care or custody, including placement, the division shall not be
15 required to provide diligent efforts to reunify the child with a parent
16 who has been found by a court of competent jurisdiction to have
17 committed murder, aggravated manslaughter or manslaughter of
18 another child of the parent; to have aided or abetted, attempted,
19 conspired or solicited to commit the murder, aggravated manslaughter
20 or manslaughter of the child or another child of the parent; or to have
21 committed¹, or attempted to commit,¹ an assault that resulted ¹or
22 could have resulted,¹ in the significant bodily injury to the child or

1 chairperson of the board to refer an individual case, including the
2 board's deliberations and conclusions, to the extent necessary for an
3 appropriate agency to investigate or to provide services.

4 b. Except as provided in subsection a. of this section, the
5 deliberations and conclusions of the board and of its teams, related to
6 a specific case, shall be confidential. Summary records that are
7 prepared by the board and the teams on each reported case shall be
8 free of information that would identify the child.

28 process and necessary for the formulation of a conclusion by the
29 board.

30 b. Records obtained by the board pursuant to subsection a. of this
31 section shall not be subject to subpoena.

32 c. If, at the time of initial notification or during the subsequent
33 review, the board has reasonable cause to believe that the death is the
34 result of child abuse or neglect, or has reasonable cause to believe that
35 the death is the result of an on-going hazard to other members of the
36 household, then the board shall notify or shall verify that notification
37 has been made to the county prosecutor of the county wherein the
38 death occurred or was pronounced, and to the division.

30 18. Section 7 of P.L.1991, c.275 (C.30:4C-15.1) is amended to
31 read as follows:

32 7. a. The division shall initiate a petition to terminate parental
33 rights on the grounds of the "best interests of the child" pursuant to
34 subsection (c) of section 15 of P.L.1951, c.138 (C.30:4C-15) if the
35 following standards are met:

36 (1) The child's health and development have been or will continue
37 to be endangered by the parental relationship;

38 (2) The parent is unwilling or unable to eliminate the harm facing
39 the child or is unable or unwilling to provide a safe and stable home
40 for the child and the delay of permanent placement will add to the
41 harm. Such harm may include evidence that separating the child from
42 his foster parents would cause serious and enduring emotional or
43 psychological harm to the child;

44 (3) The division has made diligent efforts to provide services to
45 help the parent correct the circumstances which led to the child's
46 placement outside the home and the court has considered alternatives

1 to termination of parental rights; and

2 (4) Termination of parental rights will not do more harm than
3 good.

4 b. The division shall initiate a petition to terminate parental rights
5 on the ground that the "parent has abandoned the child" pursuant to
6 subsection (e) of section 15 of P.L.1951, c.138 (C.30:4C-15) if the
7 following standards are met:

8 (1) a court finds that for a period of six or more months:

9 (a) the parent, although able to have contact, has had no contact
10 with the child, the child's foster parent or the division; and

11 (b) the parent's whereabouts are unknown, notwithstanding the
12 division's diligent efforts to locate the parent; or

13 (2) where the identities of the parents are unknown and the
14 division has exhausted all reasonable methods of attempting
15 identification, the division may immediately file for termination of
16 parental rights upon the completion of the law enforcement
17 investigation.

18 c. As used in this section and in section 15 of P.L.1951, c.138
19 (C.30:4C-15) "diligent efforts" mean reasonable attempts by an agency
20 authorized by the division to assist the parents in remedying the
21 circumstances and conditions that led to the placement of the child and
22 in reinforcing the family structure, including, but not limited to:

23 (1) consultation and cooperation with the parent in developing a
24 plan for appropriate services;

25 (2) providing services that have been agreed upon, to the family,
26 in order to further the goal of family reunification;

27 (3) informing the parent at appropriate intervals of the child's
28 progress, development and health; and

29 (4) facilitating appropriate visitation.

30 d. The division shall not be required to provide "diligent efforts"
31 as defined in subsection c. of this section prior to filing a petition for
32 the termination of parental rights pursuant to (f) of section 15 of
33 P.L.1951, c.138 (C.30:4C-15).

34 (cf: P.L.1995, c.416, s.3)
