**SENATE JOINT RESOLUTION No. 17**

**STATE OF NEW JERSEY**

INTRODUCED FEBRUARY 22, 1996

**By Senator KOSCO, Assemblymen Roma, Bateman,  
DeCroce and Assemblywoman Allen**

- 1 **A JOINT RESOLUTION** making additional designations to the Korean  
2 War Memorial Highway.  
3
- 4 **WHEREAS**, The Korean War represents a difficult period in America's  
5 history and is known as the "Forgotten War," even though in three  
6 years over 54,246 American soldiers died, 103,284 were wounded  
7 in action and 8,177 MIAs are still unaccounted for, and the  
8 viciousness of the fighting is illustrated by the fact that 131  
9 Congressional Medals of Honor were awarded to American  
10 combatants; and
- 11 **WHEREAS**, Of the 7,000 Americans taken prisoner during the 37  
12 months of the Korean War, 51% died in prisoner of war camps, the  
13 highest percentage of any modern war; and
- 14 **WHEREAS**, After the end of the Korean War, American troops  
15 remained stationed in the demilitarized zone for 36 years until  
16 October 4, 1991, during which time 90 were killed in action and  
17 134 were wounded in action; and even today American troops are  
18 stationed in Korea; and
- 19 **WHEREAS**, Joint Resolution No. 3 of 1995, approved April 11, 1995,  
20 designates Interstate Highway Route 287 as the "Korean War  
21 Memorial Highway," with additional designations as the route  
22 passes through Bergen, Passaic and Morris counties in honor of  
23 three Korean War veterans and residents of this State who  
24 distinguished themselves in battle during that war, with Ex POW  
25 and Army Staff Sergeant Walter Bray designated for the Bergen  
26 County portion of the highway, former U.S. Air Force gunner  
27 Clarence "Red" Mosley designated for the Passaic County portion  
28 of the highway, and former Marine Hector Cafferata, Jr. designated  
29 for the Morris County portion of the highway; and
- 30 **WHEREAS**, At that time, it was intended that two additional Korean  
31 War veterans and New Jersey residents who also distinguished  
32 themselves in battle, one each for Somerset and Middlesex  
33 counties, would be named at a later date by the Korean War

1 Veterans of New Jersey, Inc., and who would then propose the  
2 names of these Korean War veterans for consideration by this  
3 Governor and Legislature as additional designations to the highway;  
4 and

5 **WHEREAS**, Captain Joseph Azzolina, U.S. Navy (Ret.), served in  
6 Korea in 1951, as a Lieutenant, Junior Grade, Intelligence Officer  
7 aboard the destroyer USS Toledo, and was a fire control officer for  
8 ship at the Wonsong Harbor battle and later at the Inchon invasion,  
9 covering and pinpointing the fire support for the troops on shore,  
10 and who during the battle of the Han River crossing, directed the  
11 support fire for the besieged 25th Infantry Division where his  
12 pinpoint fire control played a major part in the relief of those in  
13 combat on shore while engaging in a difficult land battle against a  
14 superior number of troops; and

15 **WHEREAS**, Lieutenant Colonel Richard F. Lauer, U.S. Army (Ret.)  
16 served in Korea from November 1950 through December 1951 as  
17 an Infantry Platoon Leader and Company Commander, and, for his  
18 extraordinary heroism in military operations against armed enemies,  
19 was recommended for the Congressional Medal of Honor, and was  
20 decorated with the Distinguished Service Cross, Legion of Valor,  
21 Purple Heart, Combat Infantryman's Badge, and the Korean Service  
22 Medal; and

23 **WHEREAS**, Captain Azzolina and Colonel Lauer have been proposed  
24 for consideration by the Korean War Veterans of New Jersey, Inc.,  
25 with the intention that each of the five final additional designations  
26 would be represented by a living Korean War veteran from each of  
27 the four services of the U.S. Armed Forces, plus a living Korean  
28 War veteran who is a former prisoner of war, and that all five of  
29 these veterans would be a testament to all of those Korean War  
30 veterans being memorialized, both living and deceased, under this  
31 type of memorial dedication, the first type of memorial dedication  
32 of its kind; and

33 **WHEREAS**, It is altogether fitting and proper to recognize those who  
34 served in the Korean War, and in particular to recognize the service  
35 of Captain Azzolina and Colonel Lauer during that conflict, by  
36 naming the Korean War Memorial Highway (Interstate Highway  
37 Route 287) as the Korean War Memorial Highway/Joseph  
38 Azzolina, Captain, Retired, U.S. Navy, where Route 287 passes  
39 through Somerset County and the Korean War Memorial  
40 Highway/Richard F. Lauer, Lt. Colonel, Retired, U.S. Army, where  
41 Route 287 passes through Middlesex County; now, therefore,

42

23 route passes through Bergen, Passaic and Morris counties in honor of  
24 three Korean War veterans and New Jersey residents who  
25 distinguished themselves during battle, with Ex POW and Army Staff  
26 Sergeant Walter Bray designated for the Bergen County portion of the  
27 highway, former U.S. Air Force gunner Clarence "Red" Mosley

31 Upon approval of Joint Resolution No. 3 of 1995, it was intended  
32 that two additional Korean War veterans and New Jersey residents  
33 who also distinguished themselves in battle, one each for Somerset and  
34 Middlesex counties, would be named at a later date by the Korean War  
35 Veterans of New Jersey, Inc., and who would then propose these two  
36 names for the additional designations for consideration by the  
37 Governor and Legislature.

38 This joint resolution completes the additional designations for the  
39 "Korean War Memorial Highway" with the addition of Captain  
40 Azzolina and Colonel Lauer who are being proposed for consideration  
41 by the Korean War Veterans of New Jersey, Inc., with the intention  
42 that each of the five final additional designations would be represented  
43 by a living Korean War veteran from each of the four services of the  
44 U.S. Armed Forces, plus a living Korean War veteran who is a former  
45 prisoner of war, and that all five of these veterans would be a  
46 testament to all of those Korean War veterans, both living and

1 deceased, being memorialized under this type of memorial dedication,  
2 the first type of memorial dedication of its kind.

3 The resolution authorizes the Commissioner of Transportation to
