SENATE RESOLUTION No. 30

STATE OF NEW JERSEY

INTRODUCED MARCH 7, 1996

By Senators BENNETT and DiFRANCESCO

1	A SENATE RESOLUTION condemning recent acts of terrorism in Israel by the
2	military wing of the Islamic fundamentalist organization, Hamas, and urging
3	continued efforts toward peace in the Middle East.
4	
5	WHEREAS, Four recent suicide bombing attacks within nine days in Israel
6	have resulted in the deaths of almost 60 men, women, and children and the
7	injury of scores of other innocent persons; and
8	WHEREAS, The suicide bombers directed their savage and cowardly attacks
9	at unsuspecting civilians, including at least one visiting resident of this State,
10	who were engaged in such daily activities as riding the bus or browsing in
11	shopping centers; and
12	WHEREAS, The military wing of Hamas, a Palestinian fundamentalist
13	organization with a long history of terroristic violence dating back to the
14	beginning of the Palestinian uprising in Israel in 1988, has claimed
15	responsibility for all four of the suicide bombing attacks in Israel; and
16	WHEREAS, The goal of certain Hamas factions in carrying out these wanton
17	and brutal attacks on Israeli civilians appears to be to stymy the hard-won
18	Middle East peace process and revert to the armed conflict between the
19	Israeli and Palestinian peoples; and
20	WHEREAS, These dastardly terrorist acts carried out by a militant minority and
21	the resulting military crackdown by Israel have indeed strained relations
22	between the Israelis and the Palestinians and threaten the ongoing Middle
23	East peace negotiations which are so crucial to the welfare and tranquility
24	of so many nations; now, therefore,
25	
26	BE IT RESOLVED by the Senate of the State of New Jersey:
27	
28	1. This House condemns Hamas for these recent acts of terrorism and for
29	its tactics which condone the slaughter of innocent civilians to achieve a
30	political goal.
31	
32	2. This House further urges the Israelis and Palestinian people not to be
33	dissuaded from continued peace negotiations due to the violent acts of a
34	militant minority.
35	STATEMENT

This resolution condemns the recent acts of terrorism by the Palestinian
organization, Hamas, which resulted in the deaths of close to 60 people and
injuries to numerous others. This resolution further urges continued efforts
toward peace in the Middle East despite the terrorism by Hamas.

11 peace negotiations in the Middle East.
