STATEMENT

18

19 Under current law, a registered apprenticeship model consists of a
20 combination of both in classroom-related technical instruction and
21 on-the-job training. This bill provides that partners participating in
22 the consortium shall make agreements providing that secondary
23 classroom experience may count as credit towards meeting the
24 requirements of the classroom training portion in an already
25 established school-to-apprenticeship linkage program.
