**ASSEMBLY, No. 4393**

with Assembly Floor Amendments  
(Proposed by Assemblyman KENNEDY)

ADOPTED: JUNE 21, 2021

These floor amendments would provide that the penalties imposed under the bill in excess of \$25,000 would be allocated to the Department of Labor and Workforce Development or the Department of Health based upon which department assessed the penalty in the case of a civil administrative penalty, or was the subject of the violation, in the case of a criminal penalty. The amendments would also clarify that the amounts allocated to the departments may be used for any asbestos programs, and would make a technical correction to the bill.
