34
35 Under current law, all board of education meetings must be
36 public and each board is required to hold a meeting at least once
37 every two months during the period in which the schools in the
38 district are in session. This bill amends current law to also require a
39 board to post on its Internet website in an easily accessible location
40 the full meeting agenda for all board meetings 48 hours prior to the
41 commencement of the meeting. The bill requires that the full
42 meeting agenda will include a detailed description of each item on
43 the agenda.

45 (OPMA),” P.L.1975, c.231 (C.10:4-6 et seq.), public bodies,

EXPLANATION – Matter enclosed in bold-faced brackets **[thus]** in the above bill is

Matter underlined thus is new matter.

1 including boards of education, empowered as voting bodies to
2 perform governmental functions, are required to give 48 hours of
3 advance notice giving the time, date, location, and to the extent
4 known, the agenda of their scheduled meetings. This bill codifies
5 the 48 hours of advance notice requirement into the section of law
6 specifically pertaining to boards of education, and helps enhance
7 transparency and bring consistency to boards of education by
8 requiring each board to post on its Internet website in an easily
9 accessible location the full meeting agenda for all board meetings
10 48 hours prior to the commencement of the meeting. The full
11 meeting agenda must include a detailed description of each item on
12 the agenda.
