24. a. A Garden State Growth Zone Development Entity is authorized to undertake clearance, re-planning, development, or redevelopment of property within a Garden State Growth Zone.

b. (1) Notwithstanding any other law to the contrary, every Garden State Growth Zone Development Entity that owns real property, or leases real property for a period of not less than 30 years, within a Garden State Growth Zone and that undertakes the clearance, re-planning, development, or redevelopment of such property is hereby granted an exemption on improvements to such eligible property for any new construction, improvements, or substantial rehabilitation of structures on real property for a period of 20 years from receiving a final Certificate of Occupancy, provided however, that a municipality located within the Garden State Growth Zone shall, by ordinance, opt-in to such program within 90 calendar days of the enactment of P.L.2013, c.161 (C.52:27D-489p et al.). The exemption allowed by this paragraph shall be dependent upon: (a) the owner, or lessee, of the real property making improvements to the real property after the enactment of P.L.2013, c.161

(C.52:27D-489p et al.); and (b) the Division of Codes and Standards, in consultation with the eligible municipality, issuing a final Certificate of Occupancy within 15 years of the date of enactment of P.L.2013, c.161 (C.52:27D-489p et al.) in the case of real property that is located in a government-restricted municipality, and within 10 years of the date of enactment of P.L.2013, c.161 (C.52:27D-489p et al.) in the case of real property that is not located in a government-restricted municipality.

(2) If a government-restricted municipality located within a Garden State Growth Zone did not opt-in to the program within 90 calendar days of the enactment of P.L.2013, c.161 (C.52:27D-489p et al.) pursuant to paragraph (1) of this subsection, then the government-restricted municipality located within a Garden State Growth Zone may, by ordinance, opt-in to such program within 90 calendar days of the enactment of P.L.2021, c.232. A Garden State Growth Zone Development Entity that owns real property, or leases real property for a period of not less than 30 years, within a government-restricted municipality that adopts an ordinance to opt-in pursuant to this paragraph, and that undertakes the clearance, re-planning, development, or redevelopment of such property is hereby granted an exemption on improvements to such eligible property for any new construction, improvements, or substantial rehabilitation of structures on real property for a period of 30 years from receiving a final Certificate of Occupancy. The exemption allowed by this paragraph shall be dependent upon: (a) the owner, or lessee, of the real property making improvements to the real property after the enactment of P.L.2013, c.161 (C.52:27D-489p et al.); and (b) the Division of Codes and Standards, in consultation with the eligible municipality, issuing a final Certificate of Occupancy within 15 years of the date of enactment of P.L.2013, c.161 (C.52:27D-489p et al.).
