**District 11 (Monmouth)**

**Co-Sponsored by:**

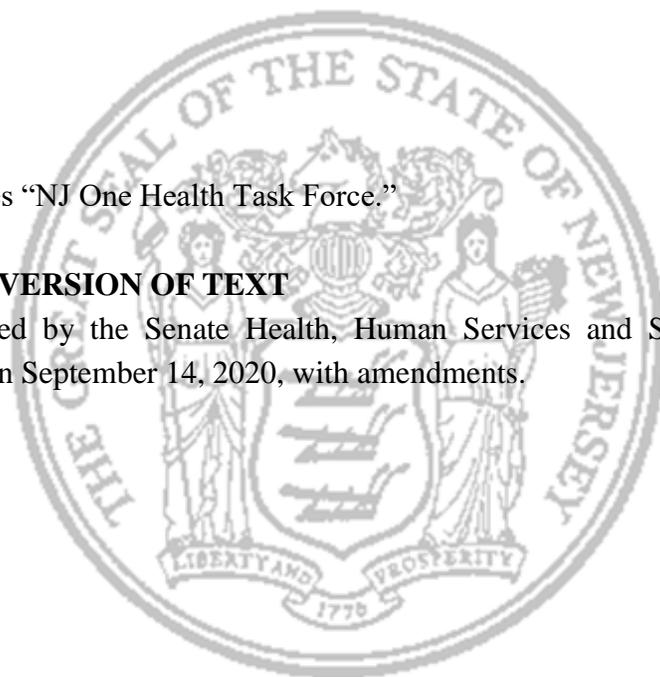

**Senator Pou and Assemblyman Calabrese**

**SYNOPSIS**

Establishes "NJ One Health Task Force."

**CURRENT VERSION OF TEXT**

As reported by the Senate Health, Human Services and Senior Citizens Committee on September 14, 2020, with amendments.

**(Sponsorship Updated As Of: 3/1/2021)**

1 AN ACT establishing the “New Jersey One Health Task Force,” and  
2 supplementing Title 26 of the Revised Statutes.

3

4 **BE IT ENACTED** by the Senate and General Assembly of the State  
5 of New Jersey:

6

7 1. The Legislature finds and declares that:

8 a. The term “One Health” reflects the interconnectedness of  
9 human health, animal health, and the environment;

10 b. The strong connections and interdependency between  
11 human, companion animal, livestock, and ecosystem health are  
12 recognized in the One Health initiative framework, which facilitates  
13 addressing complex, multi-disciplinary issues such as zoonotic  
14 diseases, vector-borne diseases, and antimicrobial resistance;

15 c. Existing One Health initiatives at the federal level include  
16 the One Health Office established by the <sup>1</sup>federal<sup>1</sup> Centers for  
17 Disease Control and Prevention and the One Health Coordination  
18 <sup>1</sup>[center] Center<sup>1</sup> established by the United States Department of  
19 Agriculture’s Animal and Plant Health Inspection Service, and  
20 worldwide more than 950 prominent scientists, physicians, and  
21 veterinarians have endorsed the One Health initiative;

22 d. Awareness and collaboration among disciplines will help  
23 protect the environment, the health of all species, save lives in  
24 present and future generations, and increase quality of life, physical  
25 and mental health, and productivity;

26 e. The term “One Health” recognizes that the health of people  
27 is connected to the health of animals and the environment and is  
28 described as a collaborative, multi-sector, and transdisciplinary  
29 approach, working at the local, regional, national, and global levels,  
30 with the goal of achieving optimal health outcomes recognizing the  
31 interconnection between people, animals, plants, and their shared  
32 environment;

33 f. One Health is not a new concept, but it has become  
34 increasingly important in recent years as many factors have changed  
35 interactions between people, animals, and the environment, leading  
36 to the emergence or reemergence of many diseases;

37 g. A One Health approach is important because: six out of  
38 every 10 infectious diseases in humans are spread from animals;  
39 animals can sometimes serve as early warning signs of potential  
40 illness in people; and public health preparedness depends on  
41 agriculture in a variety of ways, including the cultivation of a wide-  
42 range of vaccines in poultry eggs; and

43 h. It is, therefore, in the public interest for the State to establish  
44 a permanent New Jersey One Health Task Force to promote the

**EXPLANATION** – Matter enclosed in bold-faced brackets **[thus]** in the above bill is  
not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.

Matter enclosed in superscript numerals has been adopted as follows:

<sup>1</sup>Senate SHH committee amendments adopted September 14, 2020.

1 health and wellness of New Jersey’s residents, animals, including  
2 pets, livestock, and wildlife, and natural resources by encouraging  
3 the collaborative efforts of experts and leveraging knowledge and  
4 resources effectively.

5  
6 2. a. There is established the “New Jersey One Health Task  
7 Force” in the Department of Health. The purpose of the task force  
8 shall be to develop a strategic plan to promote inter-disciplinary  
9 communication and collaboration between physicians,  
10 veterinarians, and other scientific professionals and State agencies,  
11 with the goal of promoting the health and well-being of the State’s  
12 residents, animals, and environment.

13 b. The goals and responsibilities of the task force shall include,  
14 but are not limited to:

15 (1) development of a plan to promote inter-disciplinary  
16 communication and collaboration between human, animal, and  
17 environment health professionals;

18 (2) development of protocols for the response to, and recovery  
19 from, zoonotic disease outbreaks in animals and humans;

20 (3) development of better diagnostic tests for zoonotic, vector-  
21 borne, and environmental diseases;

22 (4) collaboration among disciplines for development of effective  
23 xenosurveillance to identify genetic signatures of pathogens in  
24 vertebrates;

25 (5) promotion of and education concerning judicious antibiotic  
26 use by human, veterinary, and agriculture health professionals;

27 (6) investigation of antibiotic alternatives, such as bacteriophage  
28 therapy;

29 (7) coordination and collaboration among appropriate entities to  
30 develop new approaches to reduce hazards to human and animal  
31 health and to address public health threats in a manner that prevents  
32 duplication; and

33 (8) educational and outreach initiatives to promote the One  
34 Health approach across State government agencies, the State’s  
35 academic and research institutions, nongovernmental organizations,  
36 and private entities.

37 c. In executing its responsibilities, the task force shall identify  
38 and partner with academic institutions and nongovernmental  
39 organizations in the State and consult with associations,  
40 organizations, and individuals who are knowledgeable <sup>1</sup>**[with]**  
41 about<sup>1</sup> the One Health initiative.

42  
43 3. a. The New Jersey One Health Task Force shall consist of  
44 13 members as follows:

45 (1) the Secretary of Agriculture, or the secretary’s designee,  
46 who shall serve ex officio;

47 (2) the Commissioner of Environmental Protection, or the  
48 commissioner’s designee, who shall serve ex officio;

- 1 (3) the Commissioner of Health, or the commissioner's  
2 designee, who shall serve ex officio;
- 3 (4) 10 public members to be appointed by the Governor, <sup>1</sup>【with  
4 the advice and consent of the Senate,】<sup>1</sup> as follows:
- 5 (a) one person representing the medical community, who is a  
6 medical practitioner licensed to practice in the State;
- 7 (b) two people who are veterinarians licensed or approved to  
8 practice in the State by the State Board of Veterinary Medical  
9 Examiners, one of whom shall have <sup>1</sup>expertise,<sup>1</sup> knowledge,  
10 <sup>1</sup>【competence, or】 and<sup>1</sup> experience with farm animals;
- 11 (c) one person with <sup>1</sup>expertise,<sup>1</sup> knowledge, <sup>1</sup>【competence, or】  
12 and<sup>1</sup> experience in medical research;
- 13 (d) one person with <sup>1</sup>expertise,<sup>1</sup> knowledge, <sup>1</sup>【competence, or】  
14 and<sup>1</sup> experience in zoonotic diseases;
- 15 (e) two people with expertise, knowledge, and experience in  
16 epidemiology or biomedical sciences; and
- 17 (f) three people representing the State's academic community  
18 with expertise, knowledge, and experience in public health,  
19 ecology, natural resources, or environmental and biological  
20 sciences.
- 21 b. Each public member of the task force shall serve for a term  
22 of four years, except that, of the members first appointed, two  
23 appointees shall serve for terms of four years, three appointees shall  
24 serve for terms of three years, three appointees shall serve for terms  
25 of two years, and two appointees shall serve for terms of one year.  
26 Each member shall hold office for the term of appointment, and  
27 until <sup>1</sup>【their】 the member's<sup>1</sup> successor is appointed and qualified.
- 28 Any vacancy in the task force membership shall be filled for the  
29 unexpired term, in the same manner provided for the original  
30 appointment. Members are eligible for reappointment to the task  
31 force.
- 32 c. The task force shall organize as soon as practicable after the  
33 appointment of a majority of its members, and shall select a  
34 chairperson and a vice-chairperson from among its members, as  
35 well as a secretary who need not be a member of the task force. A  
36 majority of the membership of the task force shall constitute a  
37 quorum for the transaction of task force business. The task force  
38 may meet and hold hearings at the place or places as it shall  
39 designate.
- 40 d. The members of the task force shall serve without  
41 compensation, but may be reimbursed for travel and other necessary  
42 expenses incurred in the performance of their duties, within the  
43 limits of funds appropriated or otherwise made available to the task  
44 force for its purposes.
- 45 e. The Department of Health shall provide professional and  
46 clerical staff to the task force as may be necessary for the task  
47 force's purposes. The task force shall also be entitled to call upon

1 the services of any State, county, or municipal department, board,  
2 commission, or agency, as may be available to it for its purposes.

3 f. The task force may solicit and receive grants and other funds  
4 that are made available for the task force's purposes by any  
5 governmental, public, private, not-for-profit, or for-profit agency,  
6 including funds that are made available under any federal or State  
7 law, regulation, or program.

8  
9 4. Within 12 months after the task force's organizational  
10 meeting, and at least biennially thereafter, the task force shall  
11 submit a written report to the Governor, and, pursuant to section 2  
12 of P.L.1991, c.164 (C.52:14-19.1), to the Legislature <sup>1</sup>,  
13 summarizing its work in the prior year, <sup>1</sup>**【and】** which report<sup>1</sup> may  
14 include any recommendations for legislative or regulatory action to  
15 improve, promote, and protect the health and well-being of the  
16 State's residents, animals, and environment. Reports issued  
17 pursuant to this section shall be posted on the Internet website of  
18 the Department of Agriculture, the Department of Environmental  
19 Protection, and the Department of Health.

20

21 5. This act shall take effect immediately.
