1	AN ACT concerning the notification of lead in drinking water and
2	supplementing P.L.1977, c.224 (C.58:12A-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

- 1. As used in P.L. , c. (C.) (pending before the Legislature as this bill):
- 9 "Landlord" means the same as that term is defined in section 2 of P.L.1975, c.310 (C.46:8-44).
 - "Lead action level" means the standard for lead in drinking water established by the United States Environmental Protection Agency, or a more stringent standard adopted by the department pursuant to the "Safe Drinking Water Act," P.L.1977, c.224 (C.58:12A-1 et seq.).
 - "Local health agency" means the same as that term is defined in section 3 of P.L.1975, c.329 (C.26:3A2-3).

- 2. a. A public water system that exceeds the lead action level shall provide a written notice, ¹in a letter addressed to "resident" or "property owner/tenant," by regular mail, to ¹both the service address and the mailing address of ¹ all customers served by the public water system, ¹including ¹ all schools ¹[and], ¹ daycare centers ¹[served by the public water system], and facilities serving young children, all public and private hospitals, medical clinics, and doctor's offices serving pregnant women and young children, and ¹ all local health ¹and welfare ¹ agencies in the public water system's service area, and the chief executive of each municipality in the public water system's service area.
- The written notice shall be sent ¹as soon as practicable, but ¹ no later than 10 calendar days after the ¹[end of the monitoring period during which the exceedance is discovered] public water system confirms that there has been an exceedance of the lead action level and the written notice has been approved by the Department of Environmental Protection ¹. The written notice shall:
- (1) clearly state that the public water system is in exceedance of the lead action level;
- (2) explain what the lead action level is and the measurement process that the public water system is required to perform to monitor drinking water for lead;
- (3) provide additional information on the possible sources of lead in drinking water, the health effects of drinking water with elevated levels of lead, and measures a ¹[customer] consumer ¹ can take to reduce or eliminate lead in drinking water; and

EXPLANATION – Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted in the law.
