## STATEMENT TO **SENATE, No. 3220**

with committee amendments

# STATE OF NEW JERSEY

DATED: DECEMBER 14, 2020

The Senate State Government, Wagering, Tourism and Historic Preservation Committee reports favorably and with committee amendments Senate Bill No. 3220.

Under current law, a person must pass the civil service law enforcement examination prior to becoming eligible for employment as an entry-level law enforcement officer.

Under this bill, the Civil Service Commission will exempt from the examination any person who demonstrates successful completion of a police training course as approved by the New Jersey Police Training Commission.

### COMMITTEE AMENDMENTS

The committee amended the bill to:

(1) specify that the course must be a full Basic Course for Police Officers;

(2) delete language that would have allowed the Civil Service Commission to also exempt a person who has demonstrated to the Police Training Commission, to that commission's satisfaction, that the person has successfully completed a police training course conducted by any Federal, State, or other public or private agency with substantially equivalent requirements; and

(3) allow a municipal or county police department to hire a person, exempt from the requirement to take an examination for an entry-level law enforcement position under the bill, upon adoption of an ordinance or resolution by the governing body authorizing such hiring by the police department and the adoption of a conflict of interest and nepotism policy.
