1 The bill also appropriates \$25 million from the General Fund to support the program.

3 Under the program, the EDA would provide grants to businesses 4 and nonprofit organizations that commenced operations after the 5 issuance of Executive Order No. 103 of 2020 (i.e., March 9, 2020), and which employ 50 or fewer full-time employees. Program grants 6 7 would be awarded according to guidance issued by the EDA. 8 However, the bill requires the EDA to prioritize new businesses and 9 nonprofit organizations that physically occupy commercial 10 properties, such as retail storefronts, that have become vacant or 11 under-utilized during the COVID-19 pandemic. The bill also 12 requires the EDA to award grants with a sense of urgency to minimize the economic disruption caused by the COVID-19 13 14 pandemic and to spur economic recovery following the pandemic.

Additionally, the bill requires the EDA to conduct regular outreach efforts to publicize the availability of financial assistance under the program. The EDA would also be required to submit an annual report to the Governor and the Legislature detailing the expenditure of program funds.
