1 AN ACT establishing the “New Jersey Anti-Semitism Task Force”
2 to conduct research and develop recommendations to address the
3 harms caused by anti-Semitism, and supplementing chapter 16A
4 of Title 52 of the Revised Statutes.

5
6 **BE IT ENACTED** *by the Senate and General Assembly of the State*
7 *of New Jersey:*

8
9 1. The Legislature finds and declares:

10 a. All Americans have a stake in fighting anti-Semitism, as all
11 Americans have a stake in fighting every form of bigotry and hatred
12 against people based on religion, race, or place of birth and origin.

13 b. Anti-Semitism is the centuries-old bigotry and form of
14 racism faced by Jewish people simply because they are Jews.

15 c. Anti-Semitism includes blaming Jewish people when things
16 go wrong, calling for, aiding, or justifying the killing or harming of
17 Jewish people in the name of a radical ideology or extremist view
18 of religion, or making mendacious, dehumanizing, demonizing, or
19 stereotyped allegations about Jewish people.

20 d. Jewish people are portrayed in the media and political
21 campaigns with dangerous anti-Semitic myths, such as claims that
22 Jewish people control the United States government or seek global,
23 political, and financial domination.

24 e. Accusing Jewish people of being more loyal to Israel or to
25 the Jewish community than to the United States constitutes anti-
26 Semitism because it suggests that Jewish citizens cannot be
27 patriotic Americans and trusted neighbors, when Jewish people
28 have loyally served and continue to serve the United States, whether
29 in public or community life or military service.

30 f. Scapegoating and targeting of Jewish people in the United
31 States has persisted for many years, including by the Ku Klux Klan,
32 the America First Committee, and modern neo-Nazis.

33 g. There is clear evidence of increasing incidents and
34 expressions of anti-Semitism throughout the world.

35 h. A May 2014 survey by the Anti-Defamation League, “The
36 ADL Global 100: An Index of Anti-Semitism,” which surveyed
37 people in over 100 countries about their attitudes toward Jewish
38 people, found that a majority of people surveyed overall have either
39 not heard of the Holocaust or do not believe the Holocaust
40 occurred.

41 i. On August 11 and 12, 2017, self-identified neo-
42 Confederates, white nationalists, neo-Nazis, and Ku Klux Klansmen
43 held white supremacist events in Charlottesville, Virginia, where
44 they marched on a synagogue under the Nazi swastika, engaged in
45 racist and anti-Semitic demonstrations, and committed brutal and
46 deadly violence against peaceful Americans.

47 j. In 2017, the Federal Bureau of Investigation reported a 37
48 percent increase in hate crimes against Jewish people or Jewish

1 institutions and found that attacks against Jewish people or Jewish
2 institutions made up 58.1 percent of all religious-based hate crimes.

3 k. A 2018 report from the Anti-Defamation League noted that
4 in 2018 there were 1,879 anti-Semitic incidents against Jewish
5 people and Jewish institutions.

6 l. On October 27, 2018, the perpetrator of the deadliest attack
7 on Jewish people in the history of the United States killed 11
8 worshippers at the Tree of Life Synagogue in Pittsburgh,
9 Pennsylvania and reportedly stated that he “wanted all Jews to die”.

10 m. New Jersey ranked third in the nation in anti-Semitic
11 incidents in 2018, with 200 anti-Semitic incidents reported.

12 n. In New Jersey, Bergen, Middlesex, Ocean, and Union
13 counties had the largest number of reported anti-Semitic incidents
14 in 2018 at 36, 23, 21, and 19, respectively.

15 o. In 2019, the Federal Bureau of Investigation reported an
16 increase in hate crimes against Jewish people or Jewish institutions
17 and found that attacks against Jewish people or Jewish institutions
18 made up 60.3 percent of all religious-based hate crimes.

19 p. There is an urgent need to ensure the safety and security of
20 Jewish communities, and synagogues, schools, cemeteries, and
21 other institutions.

22 q. Anti-Semitism is a challenge to the basic principles of
23 tolerance, pluralism, and democracy and the shared values that bind
24 Americans together.

25 r. The First Amendment to the United States Constitution
26 established the United States as a country committed to the
27 principles of tolerance and religious freedom, and the Fourteenth
28 Amendment established equal protection of the laws as the heart of
29 justice in the United States.

30 s. Adherence to these principles is vital to the progress of the
31 American people and the diverse communities and religious groups
32 of the State of New Jersey.

33 t. Prejudice against Jewish people as a national, ethnic,
34 religious, or racial group has no place in New Jersey or in the
35 United States of America.

36
37 2. There is hereby established in the Department of State in the
38 Executive Branch of the State Government a task force to be known
39 as the New Jersey Anti-Semitism Task Force.

40 a. The task force shall be permanent and consist of 15 members
41 as follows:

43 designee;
