INTRODUCTION

Due to the Covid-19 Pandemic, the 143rd New Jersey State Firemen’s Association’s Annual Convention had to be cancelled. This is the first time in the history of the Association that the Annual Convention was cancelled. Although there was no Convention, we are publishing the Annual Red Book. This book contains written copies of all the reports that are normally given at the Convention, along with the Memorial Roll, Election Results, and a list of the Delegates who attended the Voting Sessions at the 21 County Caucusses.
New Jersey State Firemen’s Association

FIELD EXAMINERS REPORT

JANUARY 1, 2019 – DECEMBER 31, 2019

TO THE OFFICERS, EXECUTIVE COMMITTEE, AND MEMBERS OF THE NEW JERSEY STATE FIREMEN’S ASSOCIATION.

This report is being distributed in compliance with resolution adopted by the 1933 Convention. This report contains the Financial Standing of 538 local associations for the period January 1, 2019 to December 31, 2019.

Respectfully Submitted,

JAMES J. KENNY
Field Examiner

143rd New Jersey State Firemen’s Association Convention
2020

Secretary’s Report

First and Foremost, I would like to thank the Officers, Office Staff and you the members of this great Association for your help, assistance and encouragement in making this job easier and more efficient.

During this past year, the officers and staff worked diligently to streamline operations and to make things easier for the local associations. We continue to improve our website and digitize and simplify many of our forms.

I am happy to report that we processed 1142 applications for membership, we had 343 members achieve Life Membership and 667 members received their qualification last year. Unfortunately, we had 1,115 members answer their last alarm, may they rest in peace.

I would like to remind everyone that our office stands ready to answer any question that our members may have. You can contact us by either telephone or email. Our phone number and email addresses are located on our website www.njsfa.com.

In closing I would like to say that it has been an honor to serve all of our members and I hope that you have the confidence in me to continue to serve you in the future.

Respectfully submitted,

Thomas J. Palaia
Secretary

President's Address

The Officers and Executive Committee of the New Jersey State Firemen's Association would like to welcome everyone to the walk-through elections of our State Officers and County Representatives. These are difficult and stressful times that we are living in and we hope that the pandemic will be brought under control soon. We ask for your patience as we try to take care of the necessary business of the Association.

Over the past year our Officers, along with the Executive Committee, continue to move the Association forward in a very positive and effective manner. We currently have four programs to assist our members.

The Healthcare Program continues to be a success with our members. We currently have over 60 Firefighters participating in the program. Effective July 1, 2020 the maximum monthly reimbursement was increased to $5,000.00. This program is available to any member who is receiving care from a licensed caregiver working with a licensed health care firm. The Firefighter can be receiving that care at home, an adult day care facility, a rehabilitation facility or a long-term care facility.

Starting January 1, 2021, the Healthcare Program will be opened up to spouses that need care from a licensed caregiver. Spouses of current members and non-remarried surviving spouses of deceased Qualified Firefighters will be able to receive a monthly maximum of $600.00 in reimbursement towards the cost of care from a licensed caregiver working with a licensed health care firm. The eligible spouse can be receiving that care at home, an adult day care facility, a rehabilitation facility or a long-term care facility.

On July 1, 2019, the Burial Benefit was raised to $12,000.00 and Line of Duty to $36,000.00. Any Local Relief Association Officer can submit the initial online notification form and should do so as soon as you hear of a member passing, even if that member passed a number of years ago. The benefit payment will be prorated and paid based on the allowable amount on the date of their passing.

Relief applications are available to all members who need suddenly occur in their lives. Completed Applications with supporting documentation are reviewed by the Local Association for approval. Surviving spouses of qualified members are also eligible to apply for Relief. In addition, if the need is there, Special Relief and Supplemental Relief forms should be filled out and submitted to the State Office for approval. Once approved by the Advisory Committee, the State Office will issue a check for the approved Special Relief amount and notice will be sent to the Local Association on the approved amount that they may pay towards the Supplemental Relief request. As always, supporting documentation must be submitted with the applications.

At some point in your life, you may find yourself needing the type of services offered by the New Jersey Firemen's Home. Contact the Firemen's Home or any of the County Manager's to the Home for information on the application process to become a Guest of the Home. The New Jersey State Firemen’s Association has funded and will continue to fund the approved Home budget.

Visit us on the web at www.njfsfa.com
For the year of 2019 and moving forward, we made a change to the percentage calculation used to determine Qualifying Status. We eliminated the platoon system and lowered the minimum necessary percentage to 25%. This resulted in a near doubling of those that met the minimum qualifying percentage statewide.

New Applications for Membership were sent to all Local Associations to begin using. Since January 1, 2020, only the new applications are being accepted and processed. The physical on the application is now good for one year from the date of the physical and the physical can be administered by and signed by a New Jersey licensed Physician, Physician’s Assistant or Nurse Practitioner.

All of the Field Examinations for this year have been postponed. Local Applications for Relief for the last three years were collected from the Local Associations scheduled to be examined this year and they were reviewed in the State Office. Once reviewed, the Applications were given to your County Executive Committee person to return to your Local Associations Officers. This review has allowed the State Office to ensure need, and that the proper additional documentation is attached to the applications. Everyone is reminded that for Relief to be paid, “NEED” must be demonstrated and fully documented.

We have begun doing “Live” Facebook broadcasts of ongoing activities and will be preparing training videos/webinars that can be accessed from our website at any time by any member.

Included in this packet of material is information from the “A Gift from Captain Buscio” program, Deborah Heart and Lung Center, and the Burn Center at St. Barnabas. Please review this literature with your fellow members and take advantage of the services being offered.

In closing I would like to thank our outstanding Office Administrative Staff, the State Officers, the Executive Committee and all of the Local Relief Officers for the assistance, cooperation and support this past year. The Local Relief Officers deserve extra thanks for getting all of the reports in on time. We are down to only one Association not being seated this year due to reports submitted late.

Please remember to keep in your prayers our sick and departed brother and sister Firefighters, their family members, the members of our Armed Forces stationed around the world, and all of our Police, Fire and EMS first responders.

Thank you and may God Bless America.

Robert F. Ordway
President
New Jersey State Firemen’s Association

Legislative Caucus Report
July 18, 2020

To All Chiefs, Delegates, Alternates, and Life Members,

This is the first year of the 219th Legislative Session which ends on January 11, 2022. The total number of bills that were introduced for the 219th Legislative Session (2020-2021) are, 7,621. The Legislative Committee has a total of tracked bills at 101 separated into two categories, 71 from Fire & Emergency Services and 30 from Pensions.

One of our tracked bills was signed into Law as of this report:
Bill A-3945 – Extends eligibility for accidental disability and accidental death benefits to certain PFRS, SPRS and PERS members who contract COVID-19 and test positive for SARS-CoV-2.

There has been a total of 58 bills that the Governor has signed into law. There are currently 8 bills currently sitting on the Governor’s Desk waiting to be signed, and there are currently 31 bills near the Governor’s Desk, none of our tracked bills are waiting to be signed at this time.

The annual Legislative Committee Meeting was completed through a virtual meeting via Zoom on Saturday, June 27, 2020. The Meeting went well, and we voted on our tracked bills to either, Support, Oppose, or Take No Action on them. The following is the results of that vote. We Voted to Support all 71 Bills from the Fire & Emergency Services Category, and we Voted to Support 23 Bills, Oppose 3 Bills, and Take no Action on 4 Bills from the Pensions Category.

Respectfully Submitted,

Brian E. Martone
Legislative Committee Chairman
First Assistant Secretary
New Jersey State Firemen’s Association

To The Officers and Members of the
New Jersey State Firemen’s Association

In the course of their duties during the past year, the Finance Committee of the Association has met four times at the Wall Township office and each time has conducted an in-depth review and audit of the Association’s accounts. These meetings were held November 18, 2019, February 13, 2020, June 2, 2020, and August 3, 2020. In the course of these audits, Treasurer Barry Osborn provided explanatory assistance to the satisfaction of the Committee when and if needed.

Each meeting reviewed the previous quarter of the financial year and covered the reconciliation of all checks, vouchers, ledger entries and bank statements for the General Fund, Burial Fund, Pension, Money Market, General Checking, Assessment and Special Relief accounts. The Association income documents, bank statements, and credit and debit documents were found to be accurate and in satisfactory condition.

No recommendations for changes were made at the conclusion of this report.

Very truly yours,

James M. Greschak
Chairman

Robert C. Kepler, Jr.

Edward Pettit, Jr.

NEW JERSEY STATE FIREMEN'S ASSOCIATION
New Jersey State Firemen’s Association

Financial Statements
(Modified Cash Basis)

June 30, 2020 and 2019
Executive Board
New Jersey State Firemen's Association

We have audited the accompanying financial statements (modified cash basis) of the New Jersey State Firemen's Association (the "Association") which comprise the statements of assets, liabilities and net assets (modified cash basis) as of June 30, 2020 and 2019 and the related statements of revenue, expenses and change in net assets (modified cash basis) and functional expenses (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
Executive Board
New Jersey State Firemen's Association
Page 2

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and net assets of the New Jersey State Firemen's Association as of June 30, 2020 and 2019 and its revenues and expenses for the years then ended in accordance with the modified cash basis of accounting as described in Note 2.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

See notes to financial statements
New Jersey State Firemen’s Association

Notes to Financial Statements
(Modified Cash Basis)
June 30, 2020 and 2019

1. Organization and Tax Status

New Jersey State Firemen’s Association (the “Association”) is a not-for-profit corporation that was established through New Jersey State legislation. Its expressed purpose is to maintain a General Relief Fund that provides burial benefits to qualifying members. The Special Relief Fund was initiated to allow relief to be paid to those applicants of associations that cannot afford to satisfy the needs of an applicant when a major loss occurs due to illness or other incidents. The initial contribution of $2,468,467 was made May 15, 2003. Benefits were made available beginning January 1, 2004.

The Association is a not-for-profit organization that is exempt from income taxes under Section 501(c)(4) of the Internal Revenue Code (the “Code”).

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The financial statements are prepared on the cash basis, modified for investments, which are stated at cost, and certain assets and liabilities related to insurance claims. The Association is capitalizing all costs related to its new building and is subsequently depreciating these costs. Consequently, revenue is recognized when received rather than when earned and expenses are recognized when paid rather than when the obligations are incurred. Management has determined that the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America (“US GAAP”), as described above is an acceptable basis for the preparation of the financial statements in the circumstances.

Net Asset Presentation

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the Association’s net assets are classified as with or without donor restrictions. At June 30, 2020 and 2019, all the Association’s net assets are without donor restrictions.

Cash and Cash Equivalents

Cash and cash equivalents include cash held in banks and money market funds with maturities of three months or less at the time of purchase.

Property and Equipment

Property and equipment is carried at cost. Depreciation is computed using the straight-line method over the estimated useful life of the assets when placed into service. The Association uses a useful life of 39 years for the building.
New Jersey State Firemen's Association

Notes to Financial Statements
(Modified Cash Basis)
June 30, 2020 and 2019

2. Summary of Significant Accounting Policies (continued)

Functional Allocation of Expenses

The cost of providing various programs and other activities had been summarized on a functional basis in the statements of activities. All costs are direct expenses to each functional category. Program services consist of benefit payments. All other expenses are considered management and general.

Concentration of Credit Risk

Financial instruments that potentially subject the Association to significant concentrations of credit risk consist principally of cash and investments. The Association maintains its cash and cash equivalents at financial institutions which at times during the year may exceed federally insured limits. The Association has not experienced any losses on its deposits. Investments are managed by a professional investment management firm and are monitored by the Executive Board and an investment advisor engaged by the Association.

Accounting for Uncertainty in Income Taxes

The Association recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the Association had no uncertain tax positions that would require financial recognition or disclosure. The Association is no longer subject to examinations by the applicable taxing jurisdictions for periods prior to fiscal 2017.

Reclassifications

Certain amounts in the June 30, 2019 financial statements have been reclassified to conform to the June 30, 2020 presentation. The change in net assets is unchanged due to these reclassifications.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that financial statements were available to be issued, which date is February 28, 2021.
New Jersey State Firemen’s Association

Notes to Financial Statements
(Modified Cash Basis)
June 30, 2020 and 2019

3. Investments

Investments are carried at cost regardless of fair value at the end of the year. Gains and losses on investments are recorded upon disposition of the investment rather than providing for such gains and losses as they occur.

Investments of the Association consisted of the following at June 30:

<table>
<thead>
<tr>
<th></th>
<th>2020</th>
<th></th>
<th>2019</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Cost</td>
<td>Fair Value</td>
<td>Cost</td>

<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Mutual funds</td>
<td>$2,491,267</td>
<td>$2,359,469</td>
<td>$3,796,859</td>
<td>$3,376,053</td>
</tr>
</tbody>
</table>

Fair value of the above investments is determined using quoted market prices.

4. Liquidity and Availability of Financial Assets

The Association’s financial assets and resources available to meet cash needs for general expenditures within one year of the date of the statement of assets, liabilities and net assets were as follows:

<table>
<thead>
<tr>
<th></th>
<th>2020</th>
<th></th>
<th>2019</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Financial assets:</td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Cash and cash equivalents</td>
<td>$1,976,288</td>
<td></td>
<td>$4,079,675</td>
<td></td>
</tr>
<tr>
<td>Escrow account receivable</td>
<td>2,299</td>
<td></td>
<td>2,299</td>
<td></td>
</tr>
<tr>
<td>Investments, at cost</td>
<td>51,992,442</td>
<td></td>
<td>53,170,508</td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Financial assets available to meet general expenditures over the next twelve months</td>
<td>$53,971,029</td>
<td></td>
<td>$57,252,482</td>
<td></td>
</tr>
</tbody>
</table>

As part of the Association’s liquidity management strategy, the Association structures its financial assets to be available as its general expenditures come due. A majority of general expenditure over the next twelve months will be financed through cash and cash equivalents, investments and investment income.
New Jersey State Firemen’s Association

Notes to Financial Statements
(Modified Cash Basis)
June 30, 2020 and 2019

5. Property and Equipment

Property and equipment consists of the following at June 30:

<table>
<thead>
<tr>
<th></th>
<th>2020</th>
<th>2019</th>
</tr>
</thead>
<tbody>
<tr>
<td>Land</td>
<td>$ 999,000</td>
<td>$ 999,000</td>
</tr>
<tr>
<td>Building</td>
<td>5,815,541</td>
<td>5,810,541</td>
</tr>
<tr>
<td>Furniture</td>
<td>164,033</td>
<td>164,033</td>
</tr>
<tr>
<td>Equipment</td>
<td>83,506</td>
<td>83,506</td>
</tr>
<tr>
<td>Less accumulated depreciation</td>
<td>(283,812)</td>
<td>(94,561)</td>
</tr>
<tr>
<td><strong>Property and Equipment, net</strong></td>
<td>$ 6,778,268</td>
<td>$ 6,962,519</td>
</tr>
</tbody>
</table>

6. Retirement Plan

The Association has a noncontributory defined benefit retirement plan which covers all eligible employees and executive committee members. The Association’s objective in funding the plan is to accumulate funds sufficient to provide for all promised benefits and to maintain a relative stable contribution level. Selected data as of June 30, 2020 follows:

<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Plan assets, at fair value</td>
<td>$ 6,456,011</td>
</tr>
<tr>
<td>Projected benefit obligation</td>
<td>7,765,030</td>
</tr>
<tr>
<td><strong>Funded Status</strong></td>
<td>$(1,309,019)</td>
</tr>
</tbody>
</table>

The fair value of the pension plan assets is disclosed in the table below based on fair values and “levels” at June 30, 2020 and 2019. The relevant levels are based on the methodology for determining fair value: Level 1 inputs: valuation based on active markets for identical assets; Level 2 inputs: valuation based on significant observable inputs; and Level 3 inputs: valuation based on nonobservable inputs. The pension plan invests in funds to meet its investment objectives. The asset allocation is based on the underlying assets of the various funds. The leveling is based upon each fund as the unit of measure. All of the pension plan’s investments measured at fair value are valued using Level 1 inputs at June 30, 2020 and 2019 and are as follows:

<table>
<thead>
<tr>
<th></th>
<th>2020</th>
<th>2019</th>
</tr>
</thead>
<tbody>
<tr>
<td>Mutual funds, at fair value</td>
<td>$ 5,066,290</td>
<td>$ 4,817,872</td>
</tr>
<tr>
<td>Cash, at cost</td>
<td>303,800</td>
<td>356,023</td>
</tr>
<tr>
<td>Certificate of deposits, at cost</td>
<td>1,085,921</td>
<td>1,067,667</td>
</tr>
<tr>
<td><strong>Total Plan Assets</strong></td>
<td>$ 6,456,011</td>
<td>$ 6,241,582</td>
</tr>
</tbody>
</table>
New Jersey State Firemen’s Association

<td>704,806</td>
</tr>
<tr>
<td>2025</td>
<td>701,579</td>
</tr>
<tr>
<td>2026-2030</td>
<td>3,376,442</td>
</tr>
</tbody>
</table>

Discount rate 6.00%
Expected return on plan assets 6.00%
Rate of compensation increase 2.00%

Contributions to the plan for the years ended June 30, 2020 and 2019 were $512,161 and $302,881.

7. COVID-19

The COVID-19 pandemic has resulted in substantial volatility in the global financial markets. As a result, the Association’s investments have incurred fluctuation in their value during fiscal year ended June 30, 2020. Because the value of the Foundation’s investments has and will fluctuate in response to changing market conditions, the amount of losses, if any, that will be recognized in subsequent periods, cannot be determined. Therefore, the full extent of any adverse impact on the results of operations, assets and cash flows in fiscal year 2021 and beyond cannot be reasonably estimated at this time. The value of investments in the pension plan has a direct effect on the required contributions of the Association.

New Jersey State Firemen’s Association
Employees’ Retirement Plan

Financial Statements

December 31, 2019 and 2018
Independent Auditors' Report

Board of Trustees
New Jersey State Firemen's Association
Employees' Retirement Plan

We have audited the accompanying financial statements of the New Jersey State Firemen's Association Employees' Retirement Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the New Jersey State Firemen's Association Employee's Retirement Plan as of December 31, 2019 and 2018, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

New Jersey State Firemen's Association
Employees' Retirement Plan

Notes to Financial Statements
December 31, 2019 and 2018

1. Plan Description

The following brief description of the New Jersey State Firemen's Association Employees' Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information. The Plan is a defined benefit pension plan.

The Plan is administered by the New Jersey State Firemen's Association (the "Association"). The Custodian of the Plan is U.S. Bank Institutional Trust and Custody ("U.S. Bank"). The Association has appointed U.S. Bank to hold investment assets and perform most administrative duties.

Pension Benefits

Employees are eligible for participation in the Plan after the completion of the later of the date the employee attains age 20 ½ or completes six months of service. Participants become fully vested in the Plan after 5 years of service. However, 10 years of service is required for early retirement benefits.

Benefits for participants retiring upon reaching the normal retirement age of 65 are based on 65% of the average annual compensation reduced pro-rata for years less than 25, based on the previous 12 month period. The Plan also provides a cost of living adjustment.

An employee may elect early retirement after having reached age 55 and having completed 10 years of service. Benefits upon election of early retirement are reduced for each month by which the retirement date precedes age 65.

The normal form of benefit payment is a life annuity with 10 years certain for single employees and a joint and survivorship annuity basis for married employees. Several other options in the method of benefit payment are also available.

Participants who have attained the age of 70½ and are still working must commence collection of their pension benefits. In addition, participants will be able to accrue benefits for service beyond the age of 65.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP"). The Plan is not required to make certain Department of Labor required disclosures as the number of eligible participants is less than 100.
New Jersey State Firemen's Association
Employees' Retirement Plan

Notes to Financial Statements
December 31, 2019 and 2018

2. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in accordance with US GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities, and the actuarial present value of accumulated plan benefits at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Fair Value Measurements

The Plan follows US GAAP guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

Investment Valuation and Income Recognition

Fair value of investments in shares of mutual funds are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales of investments are recorded on a trade-date basis. Gains or losses on sales of investments are based on the average cost of investments. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well held during the year.

Accumulated Plan Benefits

Accumulated plan benefits are those estimated future periodic payments that are attributable under the Plan's provisions to services rendered by the employees at the valuation date. Accumulated plan benefits include benefits expected to be paid to present employees or their beneficiaries. Benefits for retired or terminated employees or their beneficiaries are based on Plan provisions at the time of retirement.

Administrative and Investment Expense

Administrative and investment expenses are paid by the Plan. Investment expenses are included in net appreciation (depreciation) in fair value of investments.
New Jersey State Firemen's Association
Employees' Retirement Plan

Notes to Financial Statements
December 31, 2019 and 2018

2. Summary of Significant Accounting Policies (continued)

Payment of Benefits

Benefit payments are recorded upon distribution.

Risks and Uncertainties

The assets of the Plan are primarily financial instruments which are monetary in nature. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonable to expect the changes in the values of investment securities will occur in the near term and that such changes could materially affect amounts in the statements of net assets available for benefits.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Subsequent to year end, the COVID-19 pandemic has resulted in substantial volatility in the global financial markets. As a result, the Plan’s investments have incurred significant fluctuation in their fair value since December 31, 2019. Because the value of the Plan’s investments has and will fluctuate in response to changing market conditions, the amount of losses, if any, that will be recognized in subsequent periods, cannot be determined. In addition, the value of the Plan’s investments has a direct impact on its funded status. The actual impact on the Plan’s funded status and future required contributions cannot be determined at this time.

Concentration of Credit Risk

The Plan maintains its cash and cash equivalents including certificates of deposit at financial institutions which at times during the year may exceed federally insured limits. The Plan has not experienced any losses on its deposits.

Accounting for Uncertainty in Income Taxes

Management has determined that the Plan had no uncertain tax positions that would require financial statement recognition or disclosure. The Plan is no longer subject to examinations by the applicable taxing jurisdictions for the periods prior to 2016.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is February 26, 2021.
New Jersey State Firemen's Association
Employees' Retirement Plan

Notes to Financial Statements
December 31, 2019 and 2018

3. Certificates of Deposit

Certificates of deposit are stated at cost plus any accrued interest (which approximates fair value). The certificates of deposit at December 31, 2019, bear interest ranging from 1.40% to 1.88% and mature at various dates from June 2020 through June 2021.

4. Investments

As of and for the years ended December 31, 2019 and 2018 all of the Plan's investments, which consist of mutual funds, bought, sold and held were Level 1 investments.

5. Actuarial Information

Accumulated plan benefits are those future periodic payments that are attributable under the Plan's provisions to the service employees have rendered. They include benefits expected to be paid for (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. The accumulated plan benefits for active employees are based on 65% of the average annual compensation reduced pro-rata for years less than 25, based on the previous 12 month period. Benefits payable under all circumstances including retirement, death, disability and termination of employment are included to the extent they are deemed attributable to employee services rendered to the valuation date.

The actuarial present value of accumulated plan benefits is determined by the Association's actuary, and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment. The significant actuarial assumptions used in the valuations as of January 1, 2020 and 2019 were (a) life expectancy of participants (the mortality table RP2014 for 2019 and 2018), (b) an assumed retirement of the earlier of age 55 and 10 years of service or age 65 and five years of service and (c) an assumed average rate of return of 3.54% for 2019 and 3.77% for 2018.

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.
New Jersey State Firemen’s Association
Employees’ Retirement Plan

Notes to Financial Statements

</tr>
</tbody>
</table>

6. Funding Policy

The Association’s policy is to fund the Plan annually at the minimum level required under the Employee Retirement Income Security Act of 1974 ("ERISA") regulations as computed by the Association’s actuary.

7. Income Tax Status

The Internal Revenue Service has determined and informed the plan administrator by a letter dated March 10, 2004, that the Plan and related trust were designed in accordance with the applicable regulations of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The plan administrator and the Plan’s tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
New Jersey State Firemen's Association
Employees' Retirement Plan

Notes to Financial Statements
December 31, 2019 and 2018

8. Plan Termination

Although it has not expressed any intent to do so, the Association has the right to terminate, discontinue making contributions to, amend or modify the Plan at any time, acting through written resolution of the controlling entity of the Plan. Upon termination of the Plan, participants will become fully vested in their benefits earned to date.

*****
NEW JERSEY FIREMEN’S HOME

July 2020

ANNUAL REPORT

NEW JERSEY FIREMEN’S HOME

Good evening Chiefs, Delegates, Life Members. The Board of Managers would like to report on some of the activities at the New Jersey Firemen's Home this past year.

On July 1, 2019 we had a total of 69 Guests. On June 30, 2020 we had a total of 36 Guests.

This past year we have admitted 13 new Guests. All new admissions were stopped in March. We are on hold per state regulations.

The COVID 19 Virus struck the home in mid-March. On March 13, 4 of our Guests were admitted to the hospital with COVID Symptoms. By the following Monday 3 were returned to the home with significant illness. Isolating the guests is difficult with limited isolation rooms available. This was the beginning of the devastating two months. 26 Staff were tested positive along with 38 Guests. Unfortunately 24 guests answered their final alarm due to the COVID 19. 14 Guests recovered from the virus. In early May the State of New Jersey Department of Health completed a survey of our infection control procedures and found no deficiencies. In fact, they found our procedures better than a lot of facilities they had inspected.

We are currently exploring ways to add additional isolation rooms and larger areas should this virus return to the home. This project will require negative pressure ventilation into the rooms as well as additional bathroom facilities.

To be eligible to become a guest at the home you must have been an active Firefighter in good standing for one full year in an approved Fire Company and meet the terms and conditions of the Home. You do not have to be a member of the New Jersey State Firemen’s Association. The Home can accommodate both men and women.

The monthly fee is $850.00. Special arrangements are made for those who cannot afford the monthly fee. No one is kept from entering or staying at the Home due to a lack of funds. Every quarter a financial statement if prepared and reviewed with each Guest and or their representative.

Through the leadership of our Superintendent Hugh Flood and the dedicated qualified staff, when the State of New Jersey Department of Health and Human Services conducted their annual survey/inspection we had 0 deficiencies.
The construction of the Memory Care Unit continues. Due to the virus and some weather related issues significant delays were experienced. Construction is back on schedule, anticipating a completion late summer.

Due to state regulations our outdoor activities are on hold. Currently, guests are not permitted to have indoor visitors.

Currently the men visit with family and friends via face time or zoom or through a window with family or friends outside. We recently awarded a contract to improve the television and internet services. This will greatly improve TV reception along with adding additional channels for the men’s enjoyment.

The Annual Golf Outing was cancelled due to the virus.

After 20 years of service our long term Superintendent, Hugh Flood has announced his retirement effective August 1st. We wish him well in his retirement.

When an Applicant is not accepted at the home due to a waiting list or other medical reasons we recommend that they contact the Local Relief Association for applications to the NJSDA Home Health Care program.

Once restrictions are lifted we invite you to the Firemen’s Home and meet the Staff, visit the Guests and see first-hand how the Home operates. We believe it will be worth your while and will please the Guests as well. You can also visit our Web-site at WWW.nifh.org.

The Board is most grateful for the continued support from the many business, fire companies, county and local associations and all others who donated their time and money for the wellbeing and happiness of the Guests at the Home.

Independent Auditor's Report

Board of Managers
New Jersey Firemen's Home
565 Lathrop Avenue
Boonton, NJ 07005

We have audited the accompanying financial statements of the New Jersey Firemen's Home which comprise the statements of assets, liabilities and fund balance - cash basis as of June 30, 2020 and 2019 and the related statements of support revenue and expenses and changes in fund balance - cash basis for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, assets, liabilities and fund balance - cash basis of the New Jersey Firemen's Home as of June 30, 2020 and 2019 and its support revenue and expenses and changes in fund balance-cash basis for the years then ended, on the basis of accounting described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

See Accompanying Notes to Financial Statements and Independent Auditor's Reports
NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements have been prepared utilizing the cash basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America. The presented cash basis of accounting is the required method prescribed by the New Jersey Department of Human Services.

Nature of Business
The New Jersey Firemen's Home is located in Boonton, New Jersey. Nursing and residential care are provided to aged and indigent firemen who have served as a member of a New Jersey fire department for a minimum of one year.

Cash and Cash Equivalents
For the purpose of the statements of assets, liabilities and fund balance—cash basis, management has defined cash and cash equivalents to be highly liquid investments, which include cash, certificates of deposit, and money market funds.

Medical Fund
The medical fund has been established to collect and disburse funds on behalf of the guests. An individual medical account is maintained for each guest in the New Jersey Firemen's Home. The funds are not segregated, and interest earned on such funds is retained by the New Jersey Firemen's Home. The individual accounts are maintained to record the funds collected and disbursed on behalf of the guests.

The primary sources of funds collected on behalf of the guests include: Social Security benefits, pensions and personal remittances from guests or their families. The primary sources of funds disbursed on behalf of the guests include: room and board charges, medical expenses and various personal expenses. Statements are mailed to guests' families/responsible parties on a quarterly basis. When a receivable has resulted, i.e. more funds disbursed than available, the families/responsible parties are requested to remit such.

Upon admission, guests are requested to grant the New Jersey Firemen's Home a limited power of attorney to execute the aforementioned transactions. Upon the expiration or discharge of a guest, any remaining balance is returned to the guest or the guest's estate after all anticipated expenses have been paid. Such release of funds is approved by the Board of Managers. Should a deceased guest have a balance in excess of $500 upon death, a statement which lists the executor is required from the local county surrogate.

Fixed Assets
Fixed assets are maintained in the Property Fund. Asset acquisitions with a cost of $1,000 or more have been capitalized. Depreciation is computed on a straight line basis over the useful lives of the assets generally as follows:

<table>
<thead>
<tr>
<th>Asset Type</th>

</tbody>
</table>
NEW JERSEY FIREMEN'S HOME
NOTES TO FINANCIAL STATEMENTS (Continued)
JUNE 30, 2020 and 2019

NOTE 1 (Continued)

Expenditures for major renewals and betterments that extend the useful lives of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as paid.

**Estimates**
Management uses estimates and assumptions in preparing the financial statements. These estimates and assumptions affect the disclosures relating to the Pension Plan. Actual results could differ from those estimates.

**Income Taxes**
The New Jersey Firemen's Home is exempt from federal income taxes under section 501 of the Internal Revenue Code. It was incorporated as a non-profit organization under the laws of the State of New Jersey.

**Subsequent Events**
Subsequent events have been evaluated through August 25, 2020 and August 29, 2019, which are the dates the financial statements were issued.

**Total:** $39,234 / $38,507 / $26,408 / $25,437
NOTE 3: GUEST TRUST FUNDS RECEIVABLE

Consists of medical accounts of individual guests for which more funds have been disbursed than are available. Five guests had a combined balance of $24,493 and $26,062 at June 30, 2020 and 2019, which is greater than 48% and 39% of the totals.

NOTE 4: GUEST TRUST FUNDS PAYABLE

Consists of medical accounts of individual guests for which more funds have been collected than have been disbursed. Five guests had a combined balance of $73,298 and $69,646 at June 30, 2020 and 2019, which is greater than 72% and 73% of the totals.

NOTE 5: INDIGENT GUEST EXPENSES

Consists of medical accounts of former guests which had balances due to (from) the New Jersey Firemen's Home at the time of discharge/expiration. These accounts are deemed uncollectible by the Board of Managers.

NOTE 6: PENSION PLAN

The New Jersey Firemen's Home has a Pension Plan covering substantially all of its managers. The total Pension Plan expenses disbursed during the years ended June 30, 2020 and 2019 was $100,000 and $233,000, respectively. The organization makes annual contributions to the plan as determined by the organization's finance committee. Effective July 1, 2000 all staff employees are covered under the New Jersey Public Employees Retirement System and do not accrue any further benefits under this plan. Total employer contributions disbursed during the years ended June 30, 2020 and 2019 to the New Jersey Public Retirement System were $504,778 and $420,610. A comparison of accumulated plan benefits and plan net assets at the most recent valuation dates, July 1, 2020 and 2019 are presented below:

</tbody>
</table>

NOTE 7: RELATED PARTY TRANSACTIONS

The New Jersey Firemen's Home Medical Fund transferred a net $3,486 and $2,243 to the Operating Fund in the years ended June 30, 2020 and 2019. Investment fees and bank charges were included in the net transfers. Net transfers to the New Jersey Firemen's Home Property Fund of $2,235,816 and $2,527,087 were made in the years ended June 30, 2020 and 2019. Expenditures for additions are made by the Operating Fund and recorded as interfund transfers. Administrative expenses (consisting primarily of accounting, auditing and actuarial services) of $34,238 and $36,571 were paid by the Operating Fund on behalf of the Pension Plan in the years ended June 30, 2020 and 2019.
NOTE 8: CONCENTRATION

The primary source of support is the grant of $11,843,000 received from the New Jersey State Firemen’s Association (Title 54.18-8), which is the budget request for the year ended June 30, 2021. This amount represents 93% of total support. The budget request for fiscal year ended June 30, 2019 was $12,239,400, which was received in fiscal year ended June 30, 2019 and represented 93% of total support.

NOTE 9: RISKS AND UNCERTAINTIES

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan, China and has since spread to other countries, including the U.S. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. In addition, multiple jurisdictions in the U.S. declared states of emergency. The primary impact to the New Jersey Firemen’s Home has been a reduced census and related guest fees. The Board of Managers has streamlined the application process in an effort to increase the census.

NOTE 10: COMMITMENTS

Effective August 15, 2005, the New Jersey Firemen’s Home entered into a three year food services management agreement with Unidine Corporation, whereby Unidine Corporation will provide the food, preparation and service, including therapeutic diets for residents, staff, employees and authorized visitors. The initial term was for a three year period, and will renew for one year periods, unless terminated in writing. The cost is based on a daily rate ($35.10 as of August 22, 2018, the most recent renewal date), and a minimum of 29,120 resident days. Total food service cost relative to this agreement was $1,017,634 and $1,051,031 for the years ended June 30, 2020 and 2019.

Effective October 17, 2006, the New Jersey Firemen’s Home entered into an agreement with Healthcare Services Group Inc. (Healthcare) whereby Healthcare will provide all necessary management, supervision, labor and materials to perform housekeeping and laundry services on the premises of the New Jersey Firemen’s Home. The New Jersey Firemen’s Home will retain responsibility for definitive management of all Healthcare personnel performing under this agreement. All existing housekeeping equipment will be absorbed and utilized by Healthcare in performing its duties. Any repair of, replacement of, or addition to housekeeping equipment will be the responsibility of the New Jersey Firemen’s Home. The value and utilization of the existing housekeeping equipment was a consideration in determining the service price.

The New Jersey Firemen’s Home will pay Healthcare monthly payments of $33,825. The term of service began on October 17, 2006, and will continue unless cancelled by either party, with 90 days written notice. Healthcare must be paid in full on the date of termination.

Total expense relative to this agreement was $402,883 and $393,398 for the years ended June 30, 2020 and 2019.
NOTE 10 (Continued)

On June 28, 2013 the New Jersey Firemen’s Home entered into a three year agreement with eHealth Solutions Inc., d/b/a SigmaCare (since acquired by MatrixCare), whereby MatrixCare will provide a comprehensive Medical Software package allowing the New Jersey Firemen’s Home to serve its guests’ medical needs with greater efficiency and requires a monthly payment of $1,874. This agreement will continue with successive one year periods unless either party provides a written termination letter with a 120 day notice. Total expense relative to this agreement was $18,644 and $23,017 for the years ended June 30, 2020 and 2019. Future minimum lease payments are as follows:

On June 8, 2017 the New Jersey Firemen’s Home entered into a five year agreement to lease office equipment. This agreement requires a monthly payment of $627. Future minimum lease payments are as follows:

Independent Auditor’s Report on Supplementary Information

Board of Managers
New Jersey Firemen’s Home
565 Lathrop Avenue
Boonton, NJ 07005

We have audited the financial statements of the New Jersey Firemen’s Home as of and for the years ended June 30, 2020 and 2019, and our report thereon dated August 25, 2020, which expressed an unmodified opinion on those financial statements, appears on pages 1-2. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The following supplementary information (Schedules 1-6, contained on pages 12-15) is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Independent Auditor’s Report

We have audited the accompanying financial statements of the New Jersey Firemen’s Home which comprise the statements of cash receipts and disbursements - cash basis of the Operating Fund of the New Jersey Firemen’s Home for the years ended June 30, 2020 and 2019 and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash receipts and disbursements of the Operating Fund of the New Jersey Firemen's Home for the years ended June 30, 2020 and 2019, in accordance with the cash basis of accounting as described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statement, which describes the basis of accounting. These financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter. These financial statements are being presented only for the fund referred to above and do not include the cash activity and capital additions recorded in other funds of the New Jersey Firemen's Home.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements have been prepared utilizing the cash basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America. The presented cash basis of accounting is the required method prescribed by the New Jersey Department of Human Services.

Nature of Business
The New Jersey Firemen’s Home is located in Boonton, New Jersey. Nursing and residential care are provided to aged and indigent firemen who have served as a member of a New Jersey fire department for a minimum of one year.

Cash and Cash Equivalents
For the purpose of the statements of cash receipts and disbursements, management has defined cash and cash equivalents to be highly liquid investments, which include cash, certificates of deposit, and money market funds.

Estimates
Management uses estimates and assumptions in preparing the statement of cash receipts and disbursements. These estimates and assumptions affect the disclosures relating to the Pension Plan. Actual results could differ from those estimates.

Income Taxes
The New Jersey Firemen’s Home is exempt from federal income taxes under section 501 of the Internal Revenue Code. It was incorporated as a non-profit organization under the laws of the State of New Jersey.

Subsequent Events
Subsequent events have been evaluated through August 25, 2020 and August 29, 2019, which are the dates the statements of cash receipts and disbursements were issued.

NEW JERSEY STATE FIREMEN'S ASSOCIATION

NEW JERSEY FIREMEN’S HOME
OPERATING FUND
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020 and 2019

NOTE 3: PENSION PLAN

The New Jersey Firemen’s Home has a Pension Plan covering substantially all of its managers. The total Pension Plan expenses disbursed during the years ended June 30, 2020 and 2019 was $100,000 and $233,000, respectively. The organization makes annual contributions to the plan as determined by the organization’s finance committee. Effective July 1, 2000 all staff employees are covered under the New Jersey Public Employees Retirement System and do not accrue any further benefits under this plan. Total employer contributions disbursed during the years ended June 30, 2020 and 2018 to the New Jersey Public Retirement System were $504,778 and $420,610. A comparison of accumulated plan benefits and plan net assets at the most recent valuation dates, July 1, 2020 and 2019 are presented below:

NOTE 4: RELATED PARTY TRANSACTIONS

The New Jersey Firemen’s Home Medical Fund transferred a net $3,486 and $2,243 to the Operating Fund in the years ended June 30, 2020 and 2019. Investment fees and bank charges were included in the net transfers. Net transfers to the New Jersey Firemen’s Home Property Fund of $2,235,816 and $2,527,087 were made in the years ended June 30, 2020 and 2019. Expenditures for additions are made by the Operating Fund and recorded as interfund transfers. Administrative expenses (consisting primarily of accounting, auditing and actuarial services) of $34,238 and 36,571 were paid by the Operating Fund on behalf of the Pension Plan in the years ended June 30, 2020 and 2019.

NOTE 5: CONCENTRATIONS

The primary source of support is the grant of $11,843,000 received from the New Jersey State Firemen’s Association (Title 54.18-8), which is the budget request for the year ended June 30, 2021. This amount represents 93% of total support. The budget request for fiscal year ended June 30, 2020 was $12,239,400, which was received in fiscal year ended June 30, 2019 and represented 93% of total support.

NOTE 6: RISKS AND UNCERTAINTIES

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan, China and has since spread to other countries, including the U.S. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. In addition, multiple jurisdictions in the U.S. declared states of emergency. The primary impact to the New Jersey Firemen’s Home has been a reduced census and related guest fees. The Board of Managers has streamlined the application process in an effort to increase the census.
NEW JERSEY FIREMEN'S HOME
OPERATING FUND
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020 and 2019

NOTE 7: COMMITMENTS

Effective August 15, 2005, the New Jersey Firemen’s Home entered into a three year food services management agreement with Unidine Corporation, whereby Unidine Corporation will provide the food, preparation and service, including therapeutic diets for residents, staff, employees and authorized visitors. The initial term was for a three year period, and will renew for one year periods, unless terminated in writing. The cost is based on a daily rate ($35.10 as of August 22, 2018, the most recent renewal date), and a minimum of 29,120 resident days. Total food service cost relative to this agreement was $1,017,634 and $1,051,031 for the years ended June 30, 2020 and 2019.

Effective October 17, 2006, the New Jersey Firemen’s Home entered into an agreement with Healthcare Services Group Inc. (Healthcare) whereby Healthcare will provide all necessary management, supervision, labor and materials to perform housekeeping and laundry services on the premises of the New Jersey Firemen’s Home. The New Jersey Firemen’s Home will retain responsibility for definitive management of all Healthcare personnel performing under this agreement. All existing housekeeping equipment will be absorbed and utilized by Healthcare in performing its duties. Any repair of, replacement of, or addition to housekeeping equipment will be the responsibility of the New Jersey Firemen’s Home. The value and utilization of the existing housekeeping equipment was a consideration in determining the service price.

The New Jersey Firemen’s Home will pay Healthcare monthly payments of $33,825. The term of service began on October 17, 2006, and will continue unless cancelled by either party, with 90 days written notice. Healthcare must be paid in full on the date of termination.

Total expense relative to this agreement was $402,883 and $393,398 for the years ended June 30, 2020 and 2019.

On June 28, 2013 the New Jersey Firemen’s Home entered into a three year agreement with cHealth Solutions Inc., d/b/a SigmaCare, (since acquired by MatrixCare) whereby MatrixCare will provide a comprehensive Medical Software package allowing the New Jersey Firemen’s Home to serve its guests’ medical needs with greater efficiency and requires a minimum monthly payment of $1,918. This agreement will continue with successive one year periods unless either party provides a written termination letter with a 120 day notice. Total expense relative to this agreement was $18,644 and $23,017 for the years ended June 30, 2020 and 2019.

On June 9, 2017 the New Jersey Firemen’s Home entered into a five year agreement to lease office equipment. This agreement requires a monthly payment of $627. Future minimum payments are as follows:

Board of Managers
New Jersey Firemen’s Home
565 Lathrop Avenue
Boonton, NJ 07005

We have audited the statements of cash receipts and disbursements of the Operating Fund of the New Jersey Firemen’s Home for the years ended June 30, 2020 and 2019, and our report thereon dated August 25, 2020, which expressed an unmodified opinion on those financial statements, appears on pages 1-2. Our audits were conducted for the purpose of forming an opinion on the statements of cash receipts and disbursements. The following supplementary information (Schedules 1-6, contained on pages 9-12) is presented for purposes of additional analysis and is not a required part of the statements of cash receipts and disbursements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the statements of cash receipts and disbursements. The information has been subjected to the auditing procedures applied in the audits of the statements of cash receipts and disbursements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the statements of cash receipts and disbursements or to the statements of cash receipts and disbursements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the statements of cash receipts and disbursements as a whole.

Independent Auditor’s Report

Trustees
New Jersey Firemen’s Home
Employees’ Pension Plan
565 Lathrop Avenue
Boonton, NJ 07005

We have audited the accompanying financial statements of the New Jersey Firemen’s Home Employees’ Pension Plan, which comprise the statements of net assets available for benefits and of accumulated plan benefits as of June 30, 2020 and 2019, and the related statements of changes in net assets available for benefits and of changes in accumulated plan benefits for the year ended June 30, 2020, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, we express no such opinion.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of the New Jersey Firemen's Home Employees' Pension Plan as of June 30, 2020 and 2019, and the changes in its financial status for the year ended June 30, 2020 in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at Year End) and (Acquired and Disposed of Within Year), referred to as "supplemental information," are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1: Description of Plan

The following brief description of the New Jersey Firemen’s Home Employees’ Pension Plan is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General
The Plan is a defined benefit pension. All non-union employees entered the plan on the July 1st nearest later of the last day of their first year of service and age 21. Effective July 1, 1998, only those employees who completed at least 1,000 hours of service in a plan year accrued pension benefits. Effective July 1, 1999, members of the Board of Managers are credited with $3 1/3 hours for each month they serve on the Board. Effective July 1, 2000, all staff employees are covered under the New Jersey Public Employees Retirement System and will not accrue any further benefits under this Plan.

Pension Protection Act of 2006
The Pension Protection Act of 2006 (PPA) was signed into law on August 17, 2006 and is generally effective for Plan Years beginning after 2007. PPA amended the Employee Retirement Income Security Act of 1974 (ERISA) under which increased responsibility had been placed on the Plan’s Enrolled Actuary and the selection of the actuarial assumptions. In an attempt to strengthen the financial stability of all defined benefit plans, PPA substantially changed the way funding requirements are determined.

The Worker, Retiree and Employer Recovery Act of 2008, which was signed into law on December 23, 2008, included technical corrections to PPA. The Moving Ahead for Progress in the 21st Century Act (MAP-21) was signed into law on July 6, 2012. The Highway and Transportation Funding Act of 2014 (HATFA) was signed into law on August 8, 2014. MAP-21 and HATFA contained Pension Funding Relief provisions.

The actuarial cost method (funding method) to be used to determine the Minimum Required Contribution under PPA is an unprojected unit credit cost method.

PPA prescribes the use of segment interest rates for determining the present value of benefits. These segment rates are based on the corporate bond yield curve for certain investment grade bonds that mature at three different times (less than 5 years, between 5 and 20 years, and after 20 years). Alternatively, a full yield curve can be used, if elected. PPA added the calculation of an Effective Rate which is the equivalent single rate that will produce the same accrued liability (the Funding Target) as the segment rates used for funding. PPA further prescribes the use of specific mortality tables which will be published periodically by the Secretary of the Treasury.

MAP-21 changed the method of calculating the segment interest rates resulting in a reduction in Plan liabilities and minimum required contribution. Beginning with the 2008 actuarial valuation, the prescribed assumptions will be reflected, where applicable, and revised each year.

The balance of the actuarial assumptions will continue to reasonably reflect the Plan’s experience. As part of the annual report to the Internal Revenue Service, the Plan’s Enrolled Actuary must prepare an “actuarial statement” which includes an opinion that these nonprescribed actuarial assumptions reasonably reflect the Plan’s experience and expectations and represent the “best estimate” of anticipated experience under the Plan. No changes, other than those prescribed by law, are required at this time.
NOTE 1 (Continued)

Pension Benefits
Participants with three or more years of participation were previously entitled to annual pension benefits beginning at normal retirement age (65) equal to $16.67 multiplied by benefit years, not to exceed 30 benefit years, to a maximum of $500 per month and a minimum of $100 provided they had 10 or more benefit years. Effective July 1, 2002, a participant's normal pension benefit shall provide a monthly payment equal to $83.33 multiplied by his benefit years up to, but not exceeding 10 benefit years, to a maximum of $833.33. The Plan permits early retirement at age 55 with a minimum of 10 years of service. Participants may elect to receive their pension benefits in the form of a joint and survivor annuity. If participants terminate before rendering 5 years of service, they forfeit the right to receive the portion of their accumulated plan benefits. Effective July 1, 2005, normal retirement date has been amended to be the first of the month after the age 62 (from 65) and the later completion of three years of plan participation.

Death Benefits
If a participant dies before benefits commence, but after the interest in the Accrued Benefit has become vested to some extent, his/her Spouse shall receive the survivor annuity benefit which would have been payable if the participant had elected to receive the Standard Annuity commencing the day before death, or, if the participant had not yet reached the earliest retirement age under the Plan, the benefit which would have been payable based on the actual Accrued Benefit but assuming that the participant had survived to the earliest retirement age under the Plan, had elected to receive the Standard Annuity, and had died on the following day, subject to the same actuarial reduction normally applicable on account of the commencement of benefits before the Normal Retirement Date. The Administrator may pay the Spouse, in lieu of monthly payments, a lump sum which is the Actuarial Equivalent of the survivor annuity, provided the lump sum is less than $5,000.

If the participant dies before benefits commence while in active service, but after Normal Retirement Date, the Spouse, if any, shall receive the survivor annuity benefit which would have been payable assuming that the participant had elected to receive the Standard Annuity, and had died on the following day.

If the participant dies after benefits commence, any remaining benefits under the Standard Annuity or the alternative benefit form, if any, that was elected shall be paid to the Spouse or other Beneficiary, as the case may be.

Disability Benefits
If Service is terminated by Disability, the participant shall be eligible to receive a Disability Pension Benefit. The Disability Pension Benefit shall provide monthly payments of an amount such that the benefit is the Actuarial Equivalent of the Accrued Benefit at termination. If the participant is disabled, he/she may not elect to receive an alternative form of benefit other than the Standard Annuity. Disability Pension Benefits shall begin on the first day of the month following the fifth full calendar month of Disability, and shall end only if Disability ends before the Normal Retirement date. A participant will not be considered disabled unless he/she qualifies for disability benefits under the Federal Social Security Act or Veterans Disability Act.
NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting
The accompanying financial statements are prepared on the accrual basis of accounting.

Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s Investment Committee determines the Plan’s valuation policies utilizing information provided by its investment advisers and custodian. See note 5 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan’s gains and losses on investments bought and sold as well as held during the year.

Actuarial Present Value of Accumulated Plan Benefits
Accumulated plan benefits are those future periodic payments, including lump sum distributions, that are attributable under the plan’s provisions to the service participants have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated participants or their beneficiaries, (b) beneficiaries of participants who have died, and (c) present participants or their beneficiaries. Effective July 1, 2002, benefits under the plan are based on participants’ benefit years multiplied by $83.33 per year not to exceed $833.33 per month. The benefits payable under all circumstances - retirement, death, disability, and termination of employment - are included, to the extent they are deemed attributable to participant service rendered to the valuation date.

The actuarial present value of accumulated plan benefits is determined by an actuary from BPAS Actuarial and Pension Services, L.L.C., and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

The significant actuarial assumptions used in the valuations as of July 1, 2020 and July 1, 2019 were life expectancy of participants. The base mortality tables for July 1, 2020 and July 1, 2019 are the sex distinct RP-2014 mortality tables for healthy annuitants adjusted backwards to 2006 with Scale MP-2014. The base mortality table is adjusted by projecting mortality improvements using Scale MP-2017 from the year 2006 through 2019 with an additional projection period of 8 years for males and 9 years for females. For ages below 80, the additional projection period is increased by one year for each year below 80; for ages above 80; the additional projection period is reduced (but not below zero) by one third year for each year above 80.

The interest rate used to discount the obligation for July 1, 2020 and July 1, 2019 was 7%, including a reduction of 0% to reflect anticipated administrative expenses associated with providing benefits.
NOTE 2 (Continued)

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits. The computations of the actuarial present value of accumulated plan benefits were made as July 1, 2020 and July 1, 2019. Had the valuations been performed as of June 30, there would be no material differences.

Payment of Benefits
Benefit payments to participants are recorded upon distribution.

Subsequent Events
Subsequent events have been evaluated through August 25, 2020, which is the date the financial statements were issued.

NOTE 3: FUNDING POLICY

The New Jersey Firemen’s Home’s funding policy is to make annual contributions to the Plan in amounts that are usually within the minimum required contribution and maximum recommended contribution as computed by BPAS Actuarial and Pension Services, LLC. The minimum required contributions were $94,682 and $98,943 for years beginning July 1, 2019 and 2018. The Finance Committee of the Plan sponsor elected to contribute $100,000 and $233,000 in plan years ended June 30, 2020 and 2019.

NOTE 4: PLAN TERMINATION

In the event the Plan terminates, the net assets of the Plan will be allocated, as prescribed by ERISA and its related regulations, generally to provide the following benefits in the order indicated:

- Benefits former participants or their beneficiaries have been receiving for at least three years, or that employees eligible to retire for that three-year period would have been receiving if they had retired with benefits in the normal form of annuity under the Plan. The priority amount is limited to the lowest benefit that was payable or would have been payable under plan provisions in effect at any time during the five years preceding Plan termination.
- Other vested benefits insured by the Pension Benefit Guaranty Corporation (PBGC) (a U.S. governmental agency) up to the applicable limitations (discussed below).
- All other vested benefits (that is, vested benefits not insured by the PBGC).
- All nonvested benefits.
NOTE 4 (Continued)

Certain benefits under the Plan are insured by the PBGC if the Plan terminates. Generally, the PBGC guarantees most vested normal age retirement benefits, early retirement benefits, and certain disability and survivor’s pensions. However, the PBGC does not guarantee all types of benefits under the Plan, and the amount of benefit protection is subject to certain limitations. Vested benefits under the Plan are guaranteed at the level in effect on the date of the Plan’s termination. However, there is a statutory ceiling on the amount of an individual’s monthly benefit that the PBGC guarantees. That ceiling applies to those pensioners who elect to receive their benefits in the form of a single-life annuity and are at least 65 years old at the time of retirement or plan termination (whichever comes later). For younger annuitants or for those who elect to receive their benefits in some form more valuable than a single-life annuity, the corresponding ceilings are actuarially adjusted downward.

Whether all participants receive their benefits should the Plan terminate at some future time will depend on the sufficiency, at that time, of the Plan’s net assets to provide those benefits and may also depend on the level of benefits guaranteed by the PBGC.

NOTE 5: FAIR VALUE MEASUREMENTS

The Plan’s investments are reported at fair value in the accompanying statements of net assets available for benefit.

NOTE 5 (Continued)

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs other than quoted market prices included in Level 1 that are either directly or indirectly observable for the asset, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when level 1 or Level 2 inputs are not available.

Level 1 Fair Value Measurements
The fair value of certificates of deposit, mutual funds, money market funds, US Government Securities and preferred stocks is based on quoted net asset values of the shares held by the Plan at year end.

Level 2 Fair Value Measurements
The fair value of corporate bonds is based on quoted prices for similar assets in active markets.

NOTE 6: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

On March 11, 2020, the World Health Organization characterized coronavirus (COVID-19) as a pandemic, and on March 13, the President of the United States declared a national emergency relating to the disease. In addition to the President’s declaration, state and local authorities have recommended social distancing and imposed quarantine and isolation measures on large portions of the population, including mandatory business closures. These measures are designed to protect the overall public health, however are expected to have material adverse impacts on domestic and foreign economies.

As the result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits, as mentioned above. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have.
NOTE 7: TAX STATUS

The plan obtained its latest determination letter on September 28, 2018, in which the Internal Revenue Service states that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue code (IRC). The Plan has not been amended since receiving the determination letter.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8: ADMINISTRATIVE EXPENSES/RELATED PARTY TRANSACTIONS

Certain administrative expenses of the Plan are paid by the Operating Fund of the New Jersey Firemen’s Home. For plan years ended June 30, 2020 and 2019 those expenses, consisting primarily of fees paid to actuaries and auditors, were $34,238 and $36,571, respectively. Those expenses are excluded from those financial statements. Certain investment related expenses are included in net appreciation in fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Serving on the front lines amid a pandemic is no easy task. As fire, EMS and other first responders continue to work around the clock to respond, assess and mitigate the COVID-19 spread nationwide, please know that the N.J. Division of Fire Safety thanks you and stands with you.

I cannot say enough about our entire staff here at the Division of Fire Safety. Since March 18, 2020 the total Division has had to work remotely from our office at 101 S. Broad St, Trenton. While being forced to work "in the field" for over four months, it has otherwise been business as usual for our staff. On top of the multitude of duties that must be carried out daily, the additional jobs and adaptations that the pandemic dropped on us sometimes felt insurmountable. But, in true fashion, the entire staff at the Division rose to the occasion and continued to serve the fire service in New Jersey with dedication and professionalism. For that, I cannot thank or praise them enough.

To say the coronavirus pandemic has been stressful would be an understatement. Many citizens have been lucky enough to work from home and isolate as much as possible. For firefighters, just the opposite has occurred. We have seen our workload and stress levels increase and staff sizes diminish as first responders and our families become ill or are quarantined. As a vocation that is built on teamwork and communication, isolation and social distancing just isn’t possible. The relationships we’ve established with our teammates are the foundation upon which the team is built. Relationships based upon trust are a key element to building an effective team. In our profession this trust is something that runs very deep. We do not just have to trust our teammates to get the job done, we must trust them in our lives.

No one knows how long this epidemic will last. As first responders, we are on the front lines of our nation’s response to COVID-19. The challenges we face are immense and the toll of our work on our mental health can be significant. A crisis such as this can play on people's emotions, including even the hardest and most cynical first responders who have “seen it all.” If you see signs in yourself or in a coworker of increased agitation, anger, short temper, or a feeling of stress or panic, address it immediately. Not managed, these concerns can manifest quickly and start causing ongoing challenges.
If the job is getting to you, and the heightened sense of crisis or panic is a little more than you were prepared for, use the resources available to you. Talk to a peer support person, use your EAP or call a counselor. Call a crisis hotline to vent and tell them of your worries and concerns. Take the opportunity to let someone listen to you who won’t judge you.

If you start to show physical signs of illness, call your doctor. This isn’t the time to ignore symptoms or to be tough and feel like you’re immune to risk. Take good physical and mental care of yourself so that you can keep taking care of others who aren’t as prepared as you.

Focus on the positive, know that these problems have solutions and remember you’ve already made it through many other tough situations. You’re going to make it through this also. Lean on those around you and encourage them to lean on you. It’s a challenge but taking good care of yourself will help you and others make it through in a more positive way.

Together we will get through this.

Rich Mikutsky

Director, N.J. Division of Fire Safety
