COUNCIL SUMMARY OF 2016 CASES

In 2016 the Council received one complaint before them.

In the only matter before the Council in the New Jersey Association of Counties (Docket#: COLM-0004-16) complaint it was alleged that certain sections of the Criminal Justice Reform Act, N.J.S.A. 2A:162-15 et seq., (the "Act" or "Criminal Justice Reform") constitute an unfunded mandate, and are therefore unconstitutional. Specifically, N.J.S.A. 2A:162-22, the mandatory trial requirements, are unfunded mandates as they will force counties to expend monies in which a reciprocal funding source is not provided for in the Act. These provisions do not authorize resources, other than property tax, to offset the additional direct expenditures required for their implementation.
