Lori O’Mara-Van Driensen
Director of Public Information
Office of Legislative Services
145 West State Street, Room B50
Trenton, NJ 08625

Dear Ms. O’Mara-Van Driensen:

Pursuant to the provisions of Public Law 2011 Chapter 70, and its requirement for reporting by January 1 each year, enclosed please find a report listing positions by classification, which are currently in compliance with the Act or exempt pursuant to the Act. These positions are current University Hospital full or part-time positions requiring special expertise or extraordinary qualifications in academic, scientific, technical, professional or medical fields and/or in administration that, if not exempt from the residency requirements would seriously impede the ability of the hospital to compete successfully with similar institutions in other states.

Very truly yours,

[Signature]
