State Lottery Fund

July 1, 1998 to June 30, 1999
New Jersey Statute 5:9-24 requires that an annual post audit be performed of the Division of State Lottery’s accounts and transactions. Pursuant to executive request, a monthly examination of the New Jersey State Lottery Commission’s statement of revenues and allocation of revenues is performed by an independent certified public accounting firm. In the interest of efficiency, it was deemed appropriate to have this firm perform the annual post audit.
