Dear Mr. Rosen:

The purpose of this letter is to provide written responses to questions raised by members of the Senate Budget and Appropriations Committee during the department’s April 17, 2012 budget hearing.

Senator Stack  

did any funds appropriated for Homelessness Prevention lapse to the General Fund at the end of Fiscal Year 2011? Are any Homelessness Prevention funds anticipated to lapse at the end of Fiscal Year 2012?

No Homelessness Prevention Program appropriations lapsed to the General Fund at the end of Fiscal Year 2011, and it is anticipated that no Homelessness Prevention Program funding will lapse at the end of Fiscal Year 2012.

Thank you for the opportunity to reply to the concerns of the committee members. If I can be of further assistance, do not hesitate to contact me.

Sincerely,

Richard E. Constable, III
