RE: Assembly Budget Committee Response

Dear Mr. Rosen:

In response to Chairman Schaer's May 1, 2015 letter requesting a written response to his question raised after our April 29, 2015 budget hearing, I offer the following:

In addition to its program already operating in Jersey City, The New Jersey Re-Entry Corporation (NJRC) is currently establishing partnerships with key stakeholders (e.g. law enforcement, social services, corrections, and local government officials) in Atlantic City, Paterson, Newark, Toms River, and Trenton to determine operational details, and work through legal issues and geographically-specific concerns. In addition, NJRC is identifying local and federal funding sources, as well as philanthropic sources, that can sustain its efforts.

Please contact my office if additional information is required.

Sincerely,

James T. Plousis  
Chairman
