SENATOR KAVANAUGH: Good morning, ladies and gentleman. Does anybody in the hall want to come in? We'll start the meeting.

This is the State House Commission meeting of March 14. All the notices have been sent, and we are in compliance with the Open Public Meetings Act.

Could we call the roll, please?

MR. MCGLYNN (Secretary): Sure.
Deputy Treasurer Smartt.
DEPUTY TREASURER SMARTT: Here.
MR. MCGLYNN: Director Holzbaur.
MS. HOLZBAUR: Here.
MR. MCGLYNN: Assistant Counsel Fleming.
MARK FLEMING (Chair): Here.
MR. MCGLYNN: Assemblyman Wisniewski.
ASSEMBLYMAN WISNIEWSKI: Here.
MR. MCGLYNN: Senator Kavanaugh.
SENATOR KAVANAUGH: Here.

Do we have a motion to move the January 11, State House Commission minutes?

ASSEMBLYMAN WISNIEWSKI: So moved.
SENATOR KAVANAUGH: It's been moved and seconded.
MR. MCGLYNN: All in favor. (affirmative responses)

Opposed. (no response)

Just as a housekeeping measure, we have correspondence from Barbara Sachau, who normally writes to us, concerning the State House Commission meeting and matters thereon. I have shared that with every member of the Commission by way of fax and/or overnight mail, and will make it a part of the record.

We have an added item, Mr. Chairman. It's Item No. 2, on-- It's old business, so I will declare it Item No. 2, RPR 04-21. It's an easement. Block 105, Lot 12, in Union Township, Union County. Treasury, on behalf of Kean University, requests approval to grant an additional easement to Union Township on Block 105, Lot 12, for the purposes of locating a sanitary sewer connection between Block 105, Lot 14, which it owns, and the Joint Trunk Sewer located on another of its properties, Block 105, Lot 16. The easement is required for the redevelopment of Block 105, Lot 14.
We previously approved this measure -- approved a similar measure on March 22, 2004. It is a previously agreed to compensation of $50,000, which is considered adequate compensation, including this easement.

ASSEMBLYMAN WISNIEWSKI: Is that in this book?
MR. McGLYNN: It was mailed-- It was overnighted, and should be part of the record.

SENATOR KAVANAUGH: Is anyone here regarding this matter?
(no response)

If not, could we have a motion, please?
Motion.
Second?

ASSEMBLYMAN WISNIEWSKI: Second.
MR. McGLYNN: All in favor. (affirmative responses)
Opposed. (no response)

SENATOR KAVANAUGH: So ordered.

Now, moving to new business and the Department of Treasury requests.

Number 2.

MR. McGLYNN: Item No. 2, RPR No. 93-62, Block 902, Lot 10, in Allamuchy Township, in Warren County.

The lease term will be for one year, with four, one-year renewal options at a rate of $685 per month, with annual increases based on the Consumer Price Index. The new rent reflects the increase in the CPI over the past year.

And we also have another residential lease, Mr. Chairman, if you’d like me to do that one.

SENATOR KAVANAUGH: Sure, go ahead.

MR. McGLYNN: That’s Item No. 6, RPR No. 05-23, Block 57.01, Lot 55, in Franklin Township, Somerset County.

Treasury, on behalf of the Department of Environmental Protection, requests approval to lease a DEP residential property located at 90 Cortelyous--

SENATOR KAVANAUGH: Cortelyous. (indicating pronunciation)

MR. McGLYNN: Say it again, I’m sorry.
SENATOR KAVANAUGH:  Cortelyous.  (indicating pronunciation)

MR. McGLYNN:  Thank you.

SENATOR KAVANAUGH:  Note the presence of Senator Smith.  Good morning.

SENATOR SMITH:  Good morning.

Treasury, on behalf of the Department of Environmental Protection, requests approval to dispose of the historic Readington Farmstead,

In lieu of monetary compensation, Readington Township will be responsible for all costs associated with the restoration and rehabilitation of this historic property.

SENATOR KAVANAUGH: Anyone here to be heard? (no response)

I would just like to see if the Commission agrees, but I think that in a situation like this, it’s property that Readington is going to get. But I think that they -- it should be in there that they have to start restoration within, say, a period of six months or a year, such as--

MR. McGLYNN: Is there a motion with -- for six months or a year?

SENATOR KAVANAUGH: Whatever the Commission wants, six months or a year.

ASSEMBLYMAN WISNIEWSKI: It’s probably a little quick to do it in six months. Probably should have a year.

SENATOR KAVANAUGH: A year. Okay, within a year.

MR. McGLYNN: So this is a motion to approve, provided that there is construction started within one year.

SENATOR KAVANAUGH: Rehabilitation.

MR. McGLYNN: Rehabilitation.

We’ve done Item No. 6.

Treasurer, on behalf of the Department of Education, requests approval to dispose of a 1.46 plus or minus acre parcel of vacant land located on the grounds of the Jersey City Regional Day School to the Jersey City Board of Education for the construction of a new school. ASSEMBLYMAN WISNIEWSKI: Second.
MR. McGLYNN: All in favor. (affirmative responses)

Item No. 30 is the Turkey Swamp Wildlife Management Area, Block 93, Part of Lots 34, 50.02, 75-77, in Freehold Township, Monmouth County.

DEP, on behalf of the Division of Fish and Wildlife, requests approval to convey approximately 307 acres of the Turkey Swamp Wildlife Management Area, located along the western boundary of Turkey Swamp County Park, to Monmouth County. Monmouth County has proposed an exchange of lands with the State in the interest of consolidating its landholdings and straightening the irregular western boundary between Turkey Swamp Park and the Turkey Swamp WMA. The county will relinquish its entire 33.18 percent undivided interest in the West Turkey Swamp tract, which is 925.26 acres, to the State. Monmouth County has agreed to deed-restrict the lands, to be received from the State, for public recreation purposes, including hunting and conservation uses.

Given the proximity of the two tracts in the same municipality, Freehold Township, as well as the physical similarities of the two parcels, the Green Acres Program has determined that the fair market value of the parcels proposed for exchange are reasonably equivalent. As noted, the county has agreed, as a condition of the exchange, to permanently deed-restrict the property to be conveyed by the State.

Item No. 31 is the Potter Avenue Park, Block 313, Lot 36 and Part of Lot 37; Block 312, Lots 4-6 inclusive, and Part of Lot 7, in Long Branch City, Monmouth County.

I note that Mr. Richard McOmber, Esq. is here on behalf of the Long Branch Board of Education, representing them -- and I know is in favor of this proposal.

The Department of Environmental Protection, on behalf of the city of Long Branch, requests approval to allow the use of approximately 0.50 acres, plus or minus, of Potter Avenue Park for the construction of a
stormwater facility, a parking lot, a public road, and for the relocation of utilities associated with the construction of a new elementary school, in exchange for 1.11 acres of adjacent replacement land to be dedicated as parkland. In addition, a ball field and a soccer field will be constructed for recreational use. As compensation for the disposal of Potter Avenue Park, the city will dedicate, as parkland, 1.107 plus or minus acres replacement land. The 2:1 ratio of replacement land will allow for more than double the open space, in addition to the new recreational facilities.

SENATOR KAVANAUGH: Is there anyone here other than Mr. McOmber who cares to comment? (no response)

MR. McGLYNN: Yes, that’s all we have in this.

We now turn to our--

SENATOR KAVANAUGH: Going into Division of Pensions and Judicial Retirement System.

MR. McGLYNN: Trustees of the Judicial Retirement System. And we need approval of the minutes of the meeting held in December 13, 2004.

ASSEMBLYMAN WISNIEWSKI: So moved.

SENATOR KAVANAUGH: Second.

MR. McGLYNN: All in favor. (affirmative responses)

Opposed. (no response)

Item No. 2 is the confirmation of death claims and retirements. I guess we need to confirm they died.

Do we have a motion on that?

ASSEMBLYMAN WISNIEWSKI: Moved.

SENATOR KAVANAUGH: Second.

MR. McGLYNN: All in favor. (affirmative responses)

Opposed. (no response)

We need a motion on the financial statements as of December 30, 2004. It seems to be solvent.
Make a motion.

SENATOR KAVANAUGH: Move.

ASSEMBLYMAN WISNIEWSKI: Second.

MR. McGLYNN: All in favor. (affirmative responses)

Now, there is an issue concerning the group term life insurance for members of the Judicial Retirement System. It has been suggested that any motion to approve this have a condition which says that it shall be no more than 20 percent of the premium rate. There are discussions ongoing with the insurance company that the rates may be lower.

SENATOR KAVANAUGH: Yes. So moved.

MR. McGLYNN: Is there a second?

MR. FLEMING: Can I address that for a second.

MR. McGLYNN: Sure.

MR. FLEMING: I’m just wondering if it’s better to hold the item until-- Is there a meeting next month?

MR. McGLYNN: No. We meet quarterly, so the next meeting will be sometime in June. If we did it for no more or up to 20 percent, unless it can be negotiated for less than that, is that okay with you?

MR. FLEMING: Yes.

MR. McGLYNN: I think that’s okay with Judge Karchman. I don’t want to get him mad.

MR. FLEMING: It seems to me, though, if the upper level is set, the negotiations might be effected knowing that there is an upper limit of 20 percent.

MR. McGLYNN: Okay. Maybe Mr. Gorman can--

PETER J. GORMAN: I’m sorry. I’m Pete Gorman, from the Division of Pensions.

SENATOR KAVANAUGH: Pete, do you want to turn the button there, please? (referring to PA microphone)

MR. GORMAN: It still stays on red.

SENATOR KAVANAUGH: That’s what you want.

MR. McGLYNN: Yes, that’s what you want. Red you’re on.

MR. GORMAN: Oh, okay. The one time red means go.

I’m Pete Gorman, from the Division of Pensions.

What Prudential submitted was a proposal for 20 percent, where, in fact, they’re negotiating right now. It looks more like 15 percent or thereabouts. But rather than hold the approval up for another two or three
months, we would suggest that if it says up to a maximum, or no more than 20 percent-- That way, if it’s 15 percent, 10 percent, we don’t have to come back and delay the thing.

ASSEMBLYMAN WISNIEWSKI: What’s the harm if we wait until the next meeting?

MR. FLEMING: I did notice in the materials the contract does expire April 30, 2005.

ASSEMBLYMAN WISNIEWSKI: Oh, okay.

MR. GORMAN: Right. We won’t be meeting before the deadline.

MR. McGLYNN: Mr. Chairman, if someone thinks this will somehow disrupt the negotiations, I have no problem, as Secretary, of doing a phone call or a special-- A phone call--

ASSEMBLYMAN WISNIEWSKI: I think that would be better. Otherwise, I think you’re really setting the bar.

MR. McGLYNN: You jeopardize-- That’s right. You’re right. So why don’t-- If it’s okay with the rest of the members of the Commission, why don’t we hold the matter? And I will-- Once the negotiations are finalized, we will do the appropriate notifications and do phone conversation just to ratify.

Is that okay?

SENATOR KAVANAUGH: Sounds good to me.

All in favor. (affirmative responses)

MR. McGLYNN: I have no other matters to be considered by the Commission. So, with that, thank you.
